Cafe owner distraught after defibrillator is stolen and its premises is damaged

21 Apr 2022 — The Cafe at Ridgeway on A11-Yr-Yn Avenue, Newport said its defibrillator was stolen overnight between Monday, April 18 and Tuesday, April 19 ...

North East Ambulance Service NHS Foundation Trust

14 Apr · G

Yesterday, this defibrillator case in Consett was broken into and the defibrillator taken without authorisation. Thankfully, the defibrillator was found nearby, however due to the damage caused, the community are left without 24/7 access to a public defibrillator. It will now be kept inside of Rendles and only accessible during their op... See more

PACT House Stanley is asking for donations.

24 Apr · G

Really disappointed to see the damage caused to PACT house overnight. The windows can be replaced, but unfortunately the public access defibrillator has been damaged, the pads ripped out and stuck on a building nearby. The defib is used regularly, usually at the direction of the ambulance service, but is now out of action until the unit can be repaired and the...

youths complete pioneering life-saving

City of Durham MP Mary Kelly Fox has handed out certificates to young people who have been taught how to carry out CPR. Picture: Stuart Rowles

A GROUP of proud young people have been awarded certificates after completing life-saving course.

City of Durham MP Mary Kelly Fox presented the certificates at an event
