Dear Mrs [REDACTED]

I have received evidence in support of the council making a Modification Order to the Definitive Map and Statement under the provisions of Section 53 of the Wildlife and Countryside Act 1981. The evidence in support of the Right of Way comes from historical documentary research that the applicant believes shows the route as having had such rights since its conception.

Please find attached a consultation letter and map extract, showing the location of the claimed route, for the Definitive Map Modification Order application West Lonning.

Should you have any question please feel free to contact me.

Kind regards

**Josephine Upchurch**
