

# DHSC and DfE led programme- 3 year transformation programme

- **DWP** Reducing Parental Conflict- Relationships Matter
- DLUHC- Supporting Families –Stronger Families
- DHSC- Care Review

#### **Aims**

✓ make a positive difference to parents, carers, and their children, through providing a mix of physical and virtual spaces, as well as home visits for families to easily access non-judgemental support; especially those most disadvantaged ... narrow gap

✓ provide a universal front door to families, offering a one-stop shop of family support services across their social care, education, mental health, and physical health needs;

✓ develop and publish a comprehensive Start for Life offer for parents and carers;

√ facilitate professionals across public sector, voluntary, community and faith sector to work together, through co-location, data sharing and a common approach to their work with children, young people, and families.

## **Delivery - Expectations, Minimum and Go Further**

Housing

# The outcomes we are working to achieve

- a) improved health, wellbeing and developmental outcomes for babies, children, and young people.
- b) improved health and wellbeing outcomes for parents and carers.
- c) improved access, connections, and relationships within local family services.
- d) reduce inequalities; and
- e) a stronger evidence base on what works in difference delivery contexts.

Thematic Review
National evaluation

**Our Vision for Family Hubs** 

**In County Durham, Family Hubs will provide a system**wide model of providing highquality, whole-family, joined up family support services from pregnancy, through the child's early years and later childhood, and into early adulthood until they reach the age of 19 (or up to 25 for young people with special educational needs and disabilities).

### **Principles of the Family Hub model**

- √ support early in life
- ✓ integrated family support across health, social care, VCS and education
- √ a service that is accessible to ALL families
- √ Taking a whole family approach
- √ a relationship based approach
- √ Grounded in local communities

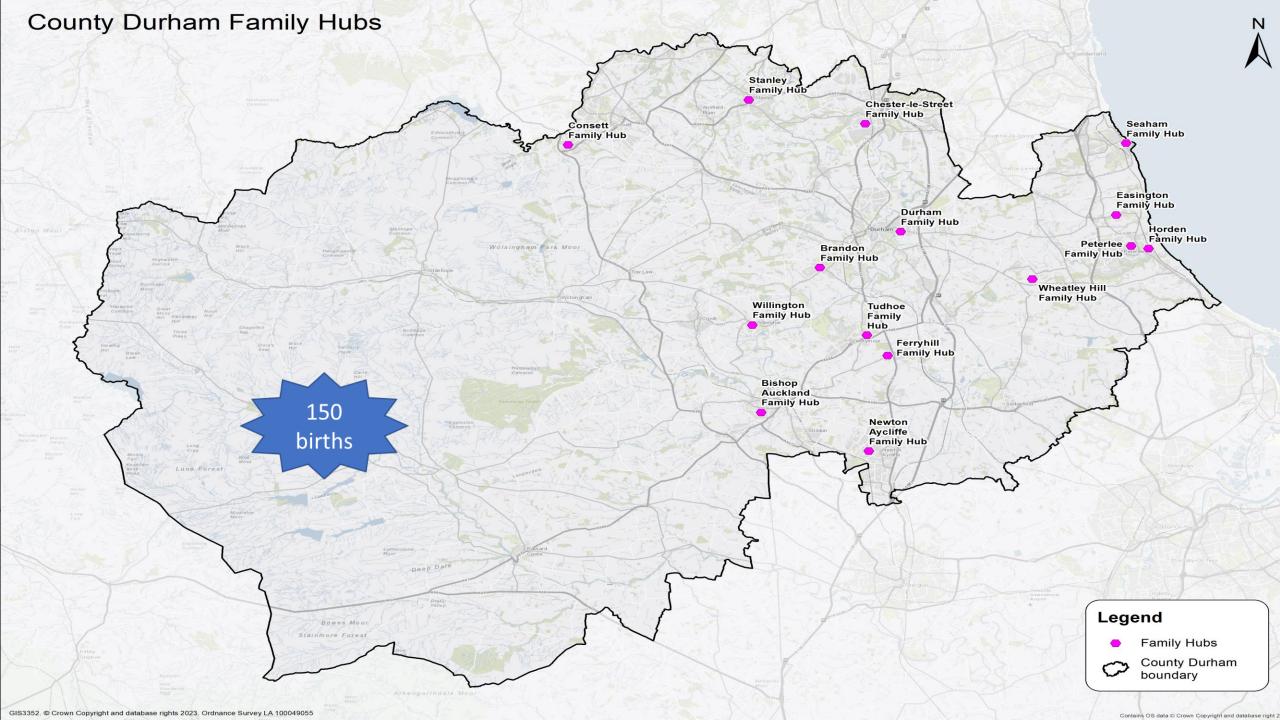

Who are we?
