Internal Audit Progress Update Report Period Ended 30 September 2023

Report of Paul Darby, Corporate Director of Resources

Electoral division(s) affected:

Countywide.

Purpose of the Report

1 To provide Members of the Audit Committee with an update on the work that was carried out by Internal Audit during the period 1 April 2023 to 30 September 2023, as part of the Internal Audit Plan for 2023/24.

Executive Summary

- 2 The report provides an overview of performance against the Internal Audit Plan 2023/24, and aims to:
 - (a) Provide a high level of assurance, or otherwise, on internal controls operating across the Council that have been subject to an Internal Audit of systems and processes;
 - (b) Advise of any issues where controls need to be improved in order to effectively or better manage risks;
 - Advise of other types of audit work carried out such as grant certification or advice and consultancy reviews where an assurance opinion on the control environment may not be applicable;
 - (d) Advise of any amendments to the Internal Audit Plan previously agreed;
 - (e) Track the progress of responses to Internal Audit reports and the implementation of agreed audit recommendations;
 - (f) Advise of any changes to the audit process; and
 - (g) Provide an update on performance against the key performance indicators agreed as part of the Audit Plan.

- 3 The appendices attached to this report are summarised below. Those marked with an asterisk are not for publication (Exempt information under Part 3 of Schedule 12a to the Local Government Act 1972, paragraph 3):
 - (a) Appendix 2 Performance against the Internal Audit Plan 2023/24;
 - (b) Appendix 3 Final reports issued in the quarter ended 30 September 2023;
 - (c) Appendix 4 The number of high and medium priority actions raised and implemented in 2023/24;
 - (d) Appendix 5 Internal Audit performance indicators;
 - (e) Appendix 6* Overdue Actions.

Recommendations

- 4 Members are asked to note:
 - (a) the amendments made to the Internal Audit Plan during quarter two;
 - (b) the work undertaken by Internal Audit during the period ending 30 September 2023;
 - (c) the performance of the Internal Audit Service during the period; and
 - (d) the progress made by service managers in responding to the work of Internal Audit.

Background

- 5 As an independent consultancy service, the Council's Internal Audit Team strives to continue to add value and improve the organisation's operations as well as providing objective assurance to service managers and the Council.
- 6 The Internal Audit Plan for 2023/24, covering the period 1 April 2023 to 31 March 2024, was approved by the Audit Committee on 23 May 2023.

Progress against the Internal Audit Plan

- 7 A summary of the approved Internal Audit Plan for each Service Grouping, updated to include work in progress and any audits brought forward from last year's plan, is attached at Appendix 2. The appendix illustrates the status of each audit as at 30 September 2023 and, where applicable, also gives the resultant assurance opinion.
- 8 A summary of the status of audits is illustrated in the table below:

Service Grouping	Not Started	Preparation and Planning	In Progress	Draft Report	Final Report / Complete
Adult and Health Services (AHS)	6	6	2	1	6
Chief Executive (CE)	1	0	0	0	1
Children and Young People's Services (CYPS) *Excluding Schools	5	5	8	0	5
Neighbourhoods and Climate Change (NCC)	9	2	4	0	2
Regeneration, Economy and Growth (REG)	5	3	1	0	8
Resources (RES)	24	9	20	4	7
Schools	10	14	14	8	21
TOTAL	60	39	49	13	50

9 A summary of the final internal audit reports issued during quarter two is presented in Appendix 3.

- 10 The total number of productive days available during 2023/24 was originally estimated to be 3,152.
- 11 As at 30 September 2023, the service had delivered 1,322 productive days, representing 42% of the total estimated planned days for the year. The target to the end of September was for 45% to have been delivered, therefore performance was 3 percentage points below the profiled target.
- 12 As at 30 September, approximately 30% of the audits in the plan had been delivered.
- 13 As the Committee will be aware, the service has faced ongoing staffing recruitment and retention challenges over the last 18 months.
- 14 All vacant posts have now been recruited to; however, a significant amount of ongoing training has been required during the period as new staff have joined the team. This, together with the school holiday period, has had an impact on the number of audits being delivered and completed to draft report stage during the period.

Appendix 1: Implications

Legal Implications

The Accounts and Audit Regulation 2015 (Part 2, Section 5) states a relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal audit standards or guidance.

Furthermore, Internal Audit assists the Corporate Director of Resources in fulfilling their duties under Section 151 of the Local Government Act 1972 which requires each Local Authority to make arrangements for the proper administration of their financial affairs.

Finance

There are no direct financial implications associated with this report.

Internal Audit work has clear and direct effects, through recommendations made, to assist in improving value for money obtained, the probity and propriety of financial administration, and / or the management of operational risks.

Consultation

All Corporate Directors and Heads of Service.

Equality and Diversity / Public Sector Equality Duty

None.

Climate Change

There are no direct implications on climate change as a result of this report, however the Internal Audit Service ensures that it considers climate change and sustainability in the recommendations that are made.

Human Rights

None.

Crime and Disorder

None.

Staffing

None.

Accommodation

None.

Risk

The key risk is that actions agreed in audit reports to improve the control environment and assist the Council in achieving its objectives are not implemented. To mitigate this risk, a defined process exists within the Service to gain assurance that all actions agreed have been implemented on a timely basis. Such assurance is reflected in reports to the Audit Committee. Where progress has not been made, further action is agreed and overseen by the Audit Committee to ensure action is taken.

Procurement

None.
