'Think Autism' in County Durham

Autism Strategy for Children, Young People and Adults 2023/24 – 2026/27

July 2023

Background

- Refresh of the all age multi-agency Autism Strategy for children, young people and adults in County Durham, extending it to 2026/27.
- Original three year strategy presented to Health and Wellbeing Board and Cabinet in April 2019 (extended due to pandemic).
- Called 'Think Autism' in line with the national strategy.
- The refreshed local strategy aligns with the new 'National Strategy for Autistic Children, Young People and Adults' 2021- 2026.

Our Vision

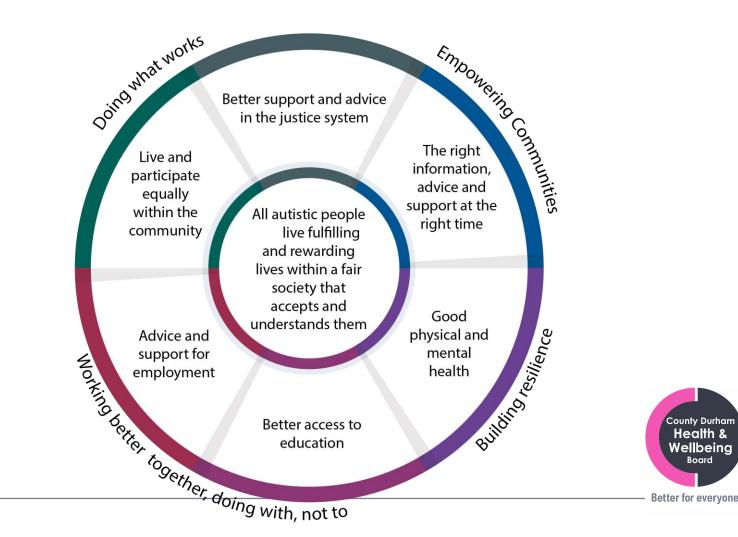

"In County Durham all autistic people live fulfilling and rewarding lives within a society that accepts and understands them. They can access advice and support if they need it, and they can depend on mainstream public services to treat them fairly as individuals, helping them make the most of their talents."

- Be an equal part of their local community
- Get the right advice and support at the right time throughout their lifetime
- Develop their skills and independence and work to the best of their ability County Durbar Health &

Vellbeing

• Have good mental and physical health

Aims
