**24 January 2024**

**Review of Polling Districts and Polling Places**

---

**Report of Corporate Management Team**

**Paul Darby, Corporate Director of Resources**

**Councillor Amanda Hopgood, Leader of the Council**

**Councillor Richard Bell, Deputy Leader of the Council and Cabinet Portfolio Holder for Finance**

**Electoral division(s) affected:**

All

**Purpose of the Report**

- 1 To consider the proposed changes to the County Council's polling districts and polling places following a review.

**Executive Summary**

- 2 Each Local Authority is required to carry out a review of Polling Districts and Polling Places within its area every 5 years. The County Council must complete a review by 31 January 2025.
- 3 The review commenced on 2 October 2023. The report summarises the comments/observations received during the consultation and sets out the Returning Officer's proposals for change having considered the representations received.

**Recommendation(s)**

- 4 Council is recommended to:
  - (a) Approve the proposed changes to the Council's polling districts and polling places as detailed in Appendix 4 to the report.
  - (b) Delegate authority to the Head of Legal and Democratic Services in consultation with the Leader and Deputy Leader, and local members as appropriate to make changes to polling districts and/or places that may be required before the next review.

## **Background**

- 5 Under the Representation of the People Act 1983 as amended by the Electoral Administration Act 2006, the County Council is required to conduct a review of polling districts and polling places within the County Durham every five years. The last review was completed in 2019. Council must therefore complete it's next review by 31 January 2025.
- 6 During any review the Returning Officer must comment on both existing polling stations and the polling stations that would likely be used if any new polling places were accepted. The role of Returning Officer is to ensure that an election is administered effectively and that the experience for voters and those standing for election is a positive one.
- 7 Where a local authority makes any alterations, the Electoral Registration Officer who has responsibility for compiling the register of electors must amend the register of electors accordingly.
- 8 The review has considered all polling districts and polling places across County Durham. Currently 477 polling districts make up the existing 63 electoral divisions, within which there are 436 polling places. A polling place is an area or building within a polling district in which a polling station is situated.

## **The Review process**

- 9 The legislative requirements of a polling district review are :-
  - Notification of the Review
  - Consulting on the Review
  - Concluding the Review
  - Publishing the conclusion of the Review
- 10 The Notice of Review was published on the Council's website and displayed in all 9 customer access points on 2 October, together with details of the existing scheme and the Returning Officers' proposals going forward.
- 11 A press release was also issued and details of the consultation arrangements were made available on the main page of the Council's website and at all customer access points.
- 12 Representations were also invited from a number of groups and individuals including
  - Electors via notices on the council's website and in council buildings;

- County Councillors
- Parish Councils
- MPs
- Disabled/Access Organisations via the Council's Equality and Diversity Officer
- Area Action Partnerships/Community Groups
- All existing premises currently used as polling stations
- County Durham Together Partnership
- County Durham Partnership and thematic groups
- Better Together Forum (VSC network)
- Disability Partnership
- Durham Police and Crime Commissioner
- Fire Service
- Advice in County Durham network
- Durham County Carers
- Family Hubs
- Integrated Care Board
- Health Engagement Forum
- Durham Enable
- Durham Community Action

13 The length of the review process is not prescribed in legislation, however the time allowed for consultation should be sufficient to enable interested persons and groups to read and understand the proposal, gather comments and respond with alternative arrangements they may wish to submit. The consultation period lasted from 2 to 30 October in line with the Council's consultation guidelines.

14 Following the close of the consultation the responses were analysed. The comments received and Returning Officer's responses and recommendations are detailed at Appendix 2.

15 Several non-specific letters were received relating to the use of schools as polling stations. The legislation relating to the use of schools as polling stations is the Local Elections (Principal Areas) (England and Wales) Rules 2006 which states that the Returning Officer may use, free of charge, for the purpose of taking the poll or counting the votes, a room the expense of maintaining which is payable out of any rate.

- 16 The Returning Officer is aware of the issues and concerns associated with using schools as polling places. Schools are used in polling districts where there are no suitable alternative polling places. Wherever possible officers work with schools to utilise community rooms which allow the school to remain open. However, in some cases this is not possible. The final decision as to whether a school remains open rests with the school management.
- 17 The Returning Officer in considering the arrangements to be made and the representations received, noted that the pattern of polling districts and polling places in the County Council area had evolved to meet successive boundary changes and to meet the convenience of electors across the County. By and large, it ensures that electors have reasonable facilities for voting. Furthermore, in line with the Council's policies and statutory obligations, every attempt has been made to ensure that polling stations were accessible to electors who are disabled.
- 18 The Returning Officer has taken the following considerations into account when drawing up the proposals.
- the Council must seek to ensure that all electors have such reasonable facilities for voting as are practicable in the circumstances;
  - the Council must seek to ensure that, so far as is reasonable and practicable, every polling place is accessible to electors who are disabled;
  - every parish shall be in a separate polling district;
  - ideally the polling place should be in its own polling district;
  - ideally there should be no more than 2,500 electors per polling place;
  - polling district boundaries should be co-terminus with existing parish ward or division boundaries;
  - a polling station costs approximately £1,100 to hire, equip and staff for polling day.
  - The scheme must be designed to fit the new boundaries coming into force for the next UK Parliamentary General election.
- 19 The Local Government Boundary review of Durham has recently concluded. It will therefore be necessary to conduct a further review of polling districts and places prior to the County and Parish elections in 2025 to ensure that the polling districts align with the new County and Parish boundaries.
- 20 This review has commenced early in the window for completion of the statutory review to ensure that the Scheme reflects the changes

required as a result of the Parliamentary Boundary review which will come into force at the next UK Parliamentary election and which could be called at short notice.

## **Proposed Changes**

- 21 The table attached at Appendix 3 provides a summary of proposed changes to the arrangements for the polling districts and polling places. The proposed changes include alternative polling places where existing places are no longer available, or where more suitable places have been suggested. It also includes a list of those polling districts still under review.
- 22 It is no longer possible to use Portakabins as polling places as they are not big enough to house the equipment required to be provided in accordance with the Elections Act 2012 and ensure accessibility requirements. Where Portakabins have been used historically (prior to the elections in May 2021) alternative polling places have been identified. In some cases, this will mean that electors have further to go to their polling place. Electors will be advised of any changes to their polling place and reminded of their ability to apply for a postal vote. In the run up to the election, the Council will issue countywide communications on voting methods as well as voter ID requirements.
- 23 If approved the scheme will comprise of 423 polling places. Of these 46 are schools, reduced from 48, and overall 6 have changed location.
- 24 Appendix 4 comprises a full list of the final proposed polling arrangements for each Parliamentary constituency ordered in alphabetical county electoral division.

## **Appendix 1: Implications**

---

### **Legal Implications**

The legislative requirements for a Polling District and Places review are set out at paragraphs 5 and 14 of the report.

### **Finance**

The proposals do not have any impact on the existing financial arrangements.

### **Consultation and Engagement**

The Returning Officer has considered all comments made during the consultation in line with legislation set out in the Representation of the People Act 1983. Where an existing polling place is no longer available, an alternative polling place has been suggested within the report. For those polling places who no longer wish to be used and an alternative polling place has been suggested, consideration has been given to the criteria of a polling place, its location within the polling district and whether it will be accessible to all electors. However, if the suggested polling place is deemed unsuitable, the original polling place will remain in place. Some polling places will remain under review at this point. A full list of proposed changes is set out in Appendix 2 to the report.

Constitution Working Group considered the proposals on 9 January 2024 and were supportive of the proposals.

### **Equality and Diversity / Public Sector Equality Duty**

The council ensures it has made every attempt that each polling stations is accessible to electors who are disabled and considers these arrangements when proposing any new or alternative arrangements. Consultation on its review includes seeking comments from people who have expertise in relation to access to premises or facilities for persons who have disabilities. The Council's Equalities and Diversity Officer is included among the consultees, and comments sought from the Disability Partnership.

### **Climate Change**

None.

### **Human Rights**

The review helps ensure that electors within County Durham have an opportunity to contribute to the review and maximum opportunity to exercise their democratic right to vote.

## **Crime and Disorder**

None.

## **Staffing**

None.

## **Accommodation**

The Returning Officer must comment on both existing polling stations and the polling stations that would likely be used if any new polling places were accepted. The use of schools as polling stations is avoided as far as possible. This is more challenging where public buildings are no longer available or are not accessible venues. Returning Officers may use free of charge for the purpose of taking the poll or counting the votes, a room the expense of maintaining which is payable out of any rate. Wherever possible officers work with schools to utilise community rooms which allow the school to remain open, in some cases however this is not possible.

## **Risk**

If electors are not provided with suitable convenient places to vote it could give rise to reputational damage and adverse publicity. If the review is not completed with the required timescales the Council would be in breach of its legal duties.

## **Procurement**

None.

<p><b>Electoral Division:</b> Bishop Auckland Town</p> <p><b>Polling District:</b> BABC - Central 5</p>	<p><b>Polling Station -</b> St Annes CE Primary School (3123), Warwick Road, Bishop Auckland, Co Durham, DL14 6LS</p>	<p>"Disabled access is via the front door and a walk through the school or via a classroom door that has a ramp (not all classrooms). This is a safeguarding concern meaning we couldn't stay open.</p> <p>There is no space in the school that can be closed for the main body of the school. I understand that our nursery has been used in the past but there is no fob secure door between nursery and the rest of the school and no adult toilet in the nursery unit. This means the main body of the school would need to be accessed for toilets. Also closing the nursery for a day causes us a loss of income.</p>	<p>A review of the polling district has been conducted. The area is primarily residential and no alternative venues are available.</p> <p>The Evergreen School nearby caters for children with special educational needs, and it is considered that disruption to the routine of children with special educational needs would have a greater effect if that school were to be used as a polling station.</p> <p>We have previously used the Pollards Inn which does fall within the polling district; however, this was during Covid, and the public house was undergoing refurbishment. The owner has since advised that the Pollards Inn is no longer available for use as a polling station.</p> <p>As there are no viable alternative premises for use as a polling station within this polling district I would recommend remaining at school.</p> <p>Use of Schools legislation:</p> <p>The Representation of the People Act, 1983, Chapter 2, Schedule 1, Part III, paragraph 22.</p>

This is run by Believe Housing and to date they have not responded to any requests for information about the venue. To conclude the review I recommend that we retain Victoria Lane Academy Nursery as the polling station at this time. If there is a positive contact from Believe Housing and the Community Gym turns out to be a suitable venue an adhoc review and consultation will be carried out.</p>
<p><b>Electoral Division:</b> Spennymoor</p> <p><b>Polling Districts:</b> BAAFC - Spennymoor 3</p> <p>BAAGA2 - Spennymoor 1A</p>	<p><b>Polling Station -</b> Oxclose Nursery School (1021), Ox Close Crescent, Spennymoor, Co Durham, DL16 6RU</p>	<p>We do not wish for the Nursery to be used as a Polling Station and I have outlined the reasons why on the form. These are regarding the nature of the site and associated safeguarding risks through vehicles accessing ( this can not be allowed at several points across the day) and the disruption to learning for our youngest pupils (it would not be possible for Nursery to be open while functioning as a polling station and COVID has already affected the early development of this group).</p>	<p>A review of the polling districts has been conducted. As the area is primarily residential no alternative venues are available.</p> <p>It is the responsibility of the Head Teacher to determine whether the school can remain open whilst being used as a polling station. The Head Teacher will have appropriate regard to safeguarding issues.</p> <p>In the first round of the LGBCE review of Durham there were proposed changes to the warding arrangements within this polling district, which, if remaining in the final proposals may affect the current polling district boundaries. I would therefore recommend remaining at the school until the LGBCE Final Recommendations are published. A further review will be conducted before the scheduled elections in May 2025. However, the existing polling district boundaries remain in place for any polls prior to May 2025 and the Nursery School is required as a polling place in respect of those polls.</p> <p>Use of Schools legislation:</p> <p>The Representation of the People Act, 1983, Chapter 2, Schedule 1, Part III, paragraph 22.</p>

Access to the main door is via steps.</p> <p>Polling District Boundary Comments BALB and BALC</p> <p>Woodland Village is split between poling districts due to the village being split between two parishes. The surrounding public paths and highways are the responsibility of the local authority, and the resident has been advised to report this issue through the appropriate channels.</p> <p>St Marys Church and Woodland School are both located outside of the polling district in BALB – Copley. This polling district is a different parish council area (Lynesack &amp; Softley); therefore, these locations would not be able to be used for the BALC - Woodland Area polling district.</p> <p>The polling district boundary splits Woodland village as the west of Woodland village lies within Woodland Parish and the east lies within Lynesack and Softly Parish.</p> <p>Due to different parish electoral arrangements, the electors in the east of Woodland village would need to remain at Copley Village Hall polling station. <b>Electoral Division:</b> Woodhouse Close <b>Polling District:</b> BAGB - Woodhouse Close 1	<b>Polling Station -</b> Aclet Close Nursery School (1018), Aclet Close, Bishop Auckland, Co Durham, DL14 6PX	Given there are many other public buildings in the area, governors request that the school is not used as a polling station. Despite the fee paid to the school, income is from private payng families.	A review of the polling districts has been conducted and to avoid causing disruprtion to the school I recommend moving electors to the existing polling station at Auckland Youth and Community Centre (AYCC) and creating a double station. The AYCC is located outside the polling district in the adjacent BAGC polling district. The polling station is a central location for the residents in the current Woodhouse Close Division and no electoral boundary arrangements are affected.

		<p>to what is proposed, it is hoped that Durham County Council will properly promote postal voting as a convenient alternative to going to a polling station. This is because many residents, in particular those of the village of Brasside, have to travel long distances to polling stations. <p><b>Electoral Division:</b> Deneside and Seaham</p> <p><b>Polling District:</b> ERB1 – Seaham North No 1a ERB2 – Seaham North No 1b</p>	Believe Housing	Byron House is under review and likely to close this year so its use as a polling station cannot be guaranteed.	There are possible alternative premises in the polling district – two primary schools and Seaham Town Council offices. An inspection of the town council offices was carried out by electoral services staff who found that the premises offer suitable accommodation and appropriate access to be used as a polling station in the future. Due to these findings, no further investigation of the schools was made. Members from both divisions were contacted regarding this proposed change and asked for comments and suggestions. Councillor McKenna responded while the town council office is the best alternative, he had concerns regarding elderly residents without transport and their ability to travel to the new polling station, however, electoral staff explained that when a change to their polling station is decided, all electors will be notified by letter which will also provide information on how to apply for a postal or proxy vote.
<p><b>Electoral Division:</b> Peterlee West</p> <p><b>Polling District:</b> EDC – Passfield No 3</p>	East Durham College	A 26 week programme of refurbishment works starts in March 2024 in the area of the college that is currently used as a polling station. Our request has been passed to management for a decision about finding an alternative space in the premises	The Returning Officer has received confirmation that a suitable alternative room can be offered as a polling station.

The building is currently under review as to its viability to remain open with all occupants receiving notice of termination of lease. It can therefore not be confirmed if the building can be used as a polling station</p>	<p>The only other premises in the polling district is Sacriston Academy, but the Returning Officer, where possible does not want to introduce the use of a new school. Schools are only used if there is no other alternative premises. Following the Polling Districts and Polling Places Review in 2019, the polling district NDEB – Sacriston was divided three ways to reflect the current elector allocation to the three polling stations in the village, which included Fyndoune Community College. It is now proposed to move the electors to the existing polling station at the Salvation Army Hall. Local members have been contacted and both raised concerns regarding the distance to the proposed new station for residents with mobility issues. Councillor Wilson asked if there was a possibility of there being a temporary voting station. Mobile units are no longer an option as they do not provide the necessary disabled access and privacy to facilitate Voter ID as required by the Elections Act 2022. Electors whose polling station is changed will all be contacted to advise them of the change and to offer the option of postal or proxy voting if they have difficulty getting to the new location.</p>

A member of electoral services contacted the premises and was informed by the manager that the brewery will not allow her to hire out the premises for election purposes. Mobile units can no longer be used as polling places because they are not big enough to accommodate the extra equipment (e.g. privacy screens) required under the Elections Act 2022. There are two possible alternative premises in the polling district and are situated in the same building – Stanley Education Centre and Shield Row Primary School. A visit was made to both premises to assess which was suitable. Shield Row Primary as a large hall available but as this is used for school lunches would mean the school would have to close. Stanley Education Centre has a large room available (Lanchester Suite), however, at present, the whole of the premises including this room are accommodating children from St Bennet School Ouston due to building work taking place at the school due to RACC. As this is a temporary measure, it is proposed that Stanley Education Centre is used in the future as the polling station. If the school is still using the premises in May 2024 it would mean that classes could not take place on election day but all being well, once they return to their own building, they will not be affected. Local members were contacted regarding this proposed change and both Councillor Binney and Charlton agreed that this was the best option.

<p><b>Electoral Division:</b> Consett South</p> <p><b>Polling District:</b> NWDIC – Berry Edge West</p>	Resident	A comment was received via the online consultation form about the distance to walk to the polling station at the Gospel Hall, Front Street, Consett for electors	<p>This polling station is part of Consett South Electoral Division and is a large area containing housing and some industrial and retail premises – there are no community buildings in this area so the electors have to travel to a polling station in an adjoining polling district. There are 3 possible stations that they could be allocated to :</p> <p>Masonic Hall, Blackhill The Grove Methodist Church Gospel Hall, Front Street, Consett</p> <p>It was decided that the Gospel Hall was the best option as it is located in the town where electors are more likely to travel to for local amenities and is reachable by bus links for those who do not have their own transport. No change is recommended.</p>
<p><b>Electoral Division:</b> Weardale</p> <p><b>Polling District:</b> NWDPD - Wearhead</p>	Councillor John Shuttleworth	Councillor Shuttleworth asked if we could reconsider using Wearhead Village Hall as the polling station instead of Wearhead Primary School. The polling station was moved to the school at the last review as the village hall does not have disabled access and complaints had been received from an elector regarding this.	Electoral Services staff visited the premises and the access has not changed – there are still numerous steps into the main door at the front of the building and there are also steps into the side access. As the building does not offer any disabled access, it is appropriate that the polling station remain at the school.
<p><b>Electoral Division:</b> Tow Law</p> <p><b>Polling District:</b> NWDSC – Billy Row</p>	Believe Housing	The Communal Room at Stanley Way, Billy Row is under review and likely to close this year so its use as a polling station cannot be guaranteed.	<p>The polling district had been reviewed and these are the options available in the area for a polling station in the future:</p> <p>Billy Row Club – not appropriate as it does not have disabled access Peases West Primary School – while this school is located centrally in the village, the Returning Officer, where possible does not want to introduce the use of a new school. Schools are only used if it is necessary to do so, as they likely need to close to accommodate the provision of a polling station for safeguarding.</p> <p>The only other option is to move the electors to one of the existing polling stations in adjoining polling districts: Stanley Village Community Hall Crook Community Leisure, Peases West Sports Centre</p> <p>The more suitable option is Peases West Sports Centre as this has the lower number of voters currently allocated to it and can therefore accommodate extra electors and residents</p>

			<p>of Billy Row may be more likely to travel past these premises to go into Crook for local amenities and services than to Stanley, Crook.</p> <p>Recommended that Peases West Sports Centre be used as the polling station for electors from the polling district NWDSC – Billy Row.</p>
<p><b>Electoral Division:</b> Burnopfield And Dipton</p> <p><b>Polling District:</b> NWDAB – Burnopfield NWDAC - Crookgate</p>	Returning Officer	<p>Burnopfield Ambulance Station is the current polling station for this polling district, however, after an initial verbal agreement, Electoral Services staff have been unable to gain any further agreement or contact details from the association.</p>	<p>Historically, the Masonic Hall and Burnopfield Methodist Church have both at one time, been used as a polling station. The Masonic Hall is currently up for sale so its future is unknown and the Returning Officer has been informed that the church is not available. As no confirmation can be received from the Ambulance Station, it is necessary that new premises are found to locate the polling station. Contact has been made with Burnopfield Victory Club which is located in the same area. An inspection of the Club has been carried out and it is a suitable venue for use as a polling station. Recommended that Burnhopefield Victory Club be used as the polling station for the polling districts NWDAB and NWDAC.</p>
<p><b>Electoral Division:</b> Consett North</p> <p><b>Polling District:</b> NWDGB – Villa Real</p>	Villa Real School	<p>The headteacher commented that the school normally remains open and allows us the use of a classroom at the front of the building that we can have access to without disrupting the rest of the school. The pupils from this class are moved elsewhere in the school on election day. However, the school is currently very overcrowded so there is no other space available to move these children so they would have to be moved off site or the school close all together.</p>	<p>There are no other suitable premises in the polling district. The only other option would be to move the electors to the existing polling station located at Consett Leisure Centre which is the adjoining polling district. The Returning Officer understands the concerns made by the school but as there is no alternative at the present time, has no other choice but to exercise his legal powers under the Local Elections (Principal Areas) (England and Wales) Rules 2006 (SI No. 3304) and continue to use the school as a polling station.</p>

This door does not have ramp access. Voters are not able to park in this car park.</p> <p>At the moment we are able to use an area in the infant building for voters to access, without the disruption of closing down any departments, resulting in children not attending school.</p> <p>In January 2024 we will be at the beginning of our new build process. During this time, site vehicles will be accessing the building to the construction site throughout the day, which may cause disruption to voters trying to access the building.</p> <p>Once the new building is complete (estimated approx. one year) we will not have any available areas to use as a polling station due to the layout of the building. We will not have two separate buildings as we do now.</p> <p>We do not feel that closing a building for the use of a polling station would be acceptable to parents and pupils due to attendance requirements and parent's working commitments. Closing down departments to accommodate a polling station is detrimental to pupil's attendance, especially in the current climate and the aftermath of the past few years due to COVID 19 etc. We do hope this could be taken into consideration.</p>	<p>A review of the polling district has been conducted. So, I would like a more neutral place where people can vote. I feel they might have an unfair advantage over other candidates who are not in the same position as they are. So, I would like another suitable venue used.	The Polling station is a double station which requires an adequately sized room, which the venue provides. The venue has allocated disabled parking and adequately sized car park for a station with a large electorate.  The Workingman's Club does not provide adequate parking for electors. On street parking is not available due to a busy main road.  Where there is suitable venue within the area we would not recommend moving to a school.

The venue has been contacted regarding the bar area. It is not possible for the bar area to be closed on polling day. The Cleves Ferry Suite is currently use as the polling station room and is a separate room from the bar area, therefore maintaining the secrecy of the vote. The route to the polling station does not require an elector to walk through the bar area as the Cleves Ferry Suite has its own entrance from reception.
<b>Electoral Division:</b> Ferryhill <b>Polling Districts:</b> SBA - Broom No. 1 SBB - Broom No. 2	Resident - Anonymous	This polling station is in a building that has councillors and close family members working in it. They also socialise in it and could influence peoples views who use the facilities and also would vote here. The polling station should be in a totally independent place. We used to vote in Cleves Cross our local primary school before the polling station was moved to the sports and education centre. This would seem to be a much more suitable place as it would be totally independent.	<p>Alternatively, the dance studio can be used but is at the rear of the building and would require electors to be directed to the room. 			<p>As a result of the closure of the Royal British Legion Club I propose to move the electors from SDC1 to the polling station for SDC2 Mainsforth Community Association, High Street, Ferryhill Station, Co Durham, DL17 0AG. which is 0.8 miles from the Royal British Legion Club. The total electorate once combined would be 629 which is well within the recommended electorate per polling station set by the Electoral Commission. Should this recommendation be accepted, I will write to all affected electors notifying them of the change and offering them either a postal or proxy vote should the new venue be inconvenient for their use.</p> <p>I have also considered Ferryhill Station Primary school for use as a polling station as it lies within the polling district SDC1. However, I do not recommend this because of the disruption it would cause to education. Wherever possible we try to avoid using schools as polling stations, although in some areas this is unavoidable.</p>

### Summary of proposed changes

Following an extensive consultation process with a wide range of consultees, a number of changes to polling stations have been proposed and are summarised below. The tables show the existing polling arrangements in each polling district:

the polling district identity letters & description  
the polling place and polling station affected  
the (Acting) Returning Officer's Final Proposal

Following the review where changes in polling station are agreed all electors will be written to and advised of the change. We will take that opportunity to also promote the availability of postal and proxy voting.

No.	Polling District	Polling Place/ Polling Station Affected	Returning Officer's Final Proposal
1	BAAFA2 – Low Spennymoor and Tudhoe Grange 1A	King Street Primary School (2750), Hub Room, High Grange Road, Spennymoor, Co Durham, DL16 6RA	Alternative premises to use of the school have been located. Two new polling stations are proposed:-  The Neil Adams Sports Bar, Spennymoor Football Club, Club Wood View, Spennymoor, DL16 6JN  And an additional polling station  O'Hehir School of Irish Dance, Barnfield Road, Spennymoor, DL16 6EA

2	BAGB- Woodhouse Close 1	Aclet Close Nursery School (1018), Aclet Close, Bishop Auckland, Co Durham, DL14 6PX	Electors from this polling district will be moved to the polling station at Auckland Youth and Community Centre, Walker Drive, Bishop Auckland, DL14 6QL. Although this crosses a polling district boundary it has no impact on the electoral areas electors vote for.
3	DCD - Crossgate (Lower)  DCC1 – Crossgate (Lower)	The Spiritualist Church Hall (Durham), John Street, Durham, DH1 4DE	The Spiritualist Church Hall is no longer available – the proposal is to move electors to Waddington Street United Reform Church, Waddington Street, Durham, DH1 4BG
4	DFB – Nevilles Cross South	The Hub, Durham University, The Approach, Durham, DH1 3FP	Proposing an additional polling station in this polling district at Merryoaks Community Hall, Park House Road, Durham, DH1 3QF for the convenience of those electors who currently have to cross the A167 to access The Hub.
5	DKD2 – Sherburn Village	Attlee Square Communal Hall, Attlee Square, Sherburn Village, Co Durham, DH6 1JN	Attlee Square Communal Hall is no longer available, electors will be moved to the existing polling station at Sherburn Community Centre, Front Street, Sherburn Village, DH6 1HD
6	ERB1 – Seaham North No 1a	Byron House, Byron Lodge Estate, Seaham, Co Durham, SR7 0JY	Byron House is no longer available – a new venue has been found within the offices of Seaham Town Council, Seaham Town Hall, Stockton Road, Seaham, SR7 0HP

7	NDEB2 – Sacriston No 2b	Fyndoune Community College (6500), The Durham Federation, Main School Building, Findon Hill, Sacriston, Co Durham, DH7 6LU	As Fyndoune Community College is no longer available a new polling station is required – it is recommended that the electors from polling district NDEB2 are moved to the existing polling station at the Salvation Army Church (Sacriston), Plawsworth Road, Sacriston, DH7 6PE
8	NDSC – Shield Row	Shield Row Community House, Shield Row Gardens, Shield row, Stanley, Co Durham, DH9 8RF	As Shield Row Community House is no longer available a new polling station is required – Stanley Education Centre, King Edward VIII Terrace, Shield Row, DH9 0HQ is recommended.
9	NWDSC – Billy Row	Communal Room (Billy Row), Stanley Way, Billy Row, Crook, Co Durham, DL15 9TF	As the Communal Room (Billy Row) is no longer available a new polling station is required – it is recommended that the electors from polling district NWDSC are moved to Peases West Sports Centre, Crook, DH15 9AH
10	NWDAB – Burnopfield  NWDAC - Crookgate	Burnopfield Ambulance Station, Lilac Crescent, Burnhopefield, NE16 6PT	As it has proved to be impossible to obtain a response from Burnopfield Ambulance Station it is recommended that the polling station move to the Burnhopfield Victory Club, Dene View, Burnhopefield, Newcastle Upon Tyne, NE16 6QA
11	SDC1 – Ferryhill Station	Royal British Legion Club, Back Linden Terrace, Ferryhill Station, Co Durham, DL17 0DQ	The Royal British Legion Club is no longer available due to closure – I propose to move electors to the existing polling station at Mainsforth Community Association, High Street, Ferryhill Station, Co Durham, DL17 0AG
