

Appendix 3 - Corporate Enforcement Policy – summary of consultation responses received and action taken

Consultation Responses Summary	Action taken
<ul style="list-style-type: none"> • Registration of Hackney Carriages with other LAs and those vehicles picking up in Durham • Other concerns specifically re licensing of taxis. 	<ul style="list-style-type: none"> • Not included - comments passed directly to Licensing Manager as too granular and specific to be included in this policy
<ul style="list-style-type: none"> • The Council is now able to refer infringements of the Tobacco Products (Traceability and Security Features) Regulations 2019 to HMRC for consideration of sanctions being imposed by them. 	<ul style="list-style-type: none"> • Included in the policy as referral to other enforcement bodies
<ul style="list-style-type: none"> • The OPCC believe that the policy could be strengthened further by stating that it will take victims' views into account. • A Victims Impact Assessment of this policy may be useful too. 	<ul style="list-style-type: none"> • Incorporated into policy • Not considered necessary for this policy
<ul style="list-style-type: none"> • Suggested improvement to introduction • Numerous formatting and terminology consistency recommendations. • Suggestion Debt recovery added as a possible sanction • Suggestion to emphasize engagement throughout policy • Suggestion that taking no action should be based on individual circumstances • Recommended consistency re how individuals/businesses are referenced throughout document – individual, victim, witness offender, etc • Suggested more detail was required re data protection legislation 	<ul style="list-style-type: none"> • Incorporated into Policy • Policy amended as suggested • Incorporated into policy • Not considered appropriate for the body of the Policy but incorporated as part of the Principles of Good Enforcement • Incorporated into policy • Not considered appropriate as there is a need to differentiate throughout the policy • Not considered necessary
