

GOVERNANCE COMPLIANCE STATEMENT

Durham County Council is the Administering Authority for the Durham County Council Pension Fund.

The Council has delegated to the Pension Fund Committee various powers and duties in respect of its administration of the Fund.

This statement sets out the Fund's scheme of delegation and the terms of reference, structure and operational procedures of the delegation, and the extent of its compliance with 2008 statutory guidance issued by the Secretary of State (CLG) and the provisions of regulation 55 Of the Local Government Pension Scheme Regulations 2013.

The following sections set out the principles of governance as prescribed in the guidance and describe the Fund's current arrangements for compliance.

Principle A – Structure	Fully compliant
<p>a) The management of the administration of benefits and strategic management of fund assets clearly rests with the main committee established by the appointing council.</p> <p>b) That representatives of participating LGPS employers, admitted bodies and scheme members (including pensioner and deferred members) are members of either the main or secondary committee established to underpin the work of the main committee.</p> <p>c) That where a secondary committee or panel has been established, the structure ensures effective communication across both levels.</p> <p>d) That where a secondary committee or panel has been established, at least one seat on the main committee is allocated for a member from the secondary committee or panel.</p>	

The constitution of the Council delegates to the **Pension Fund Committee** “powers and duties arising from Section 7 of the Superannuation Act 1972 and Regulations made thereunder” regarding the administration of the Scheme and investment of funds, including:

- Approval of applications from bodies seeking admission to the Local Government Pension Scheme;
 - Appointment of external investment managers and advisers.
-

The following function is delegated to the **Corporate Director of Resources** by the Council:

“To take all necessary actions of a routine nature to properly administer the financial affairs of the Council including ... the Council’s functions as a pension fund administering authority under the Superannuation Act 1972 and associated regulations.”

The structure of the Pension Fund Committee was reviewed in December 2008 and revised with effect from 1 April 2009 to reflect the composition of Durham County Council as a unitary authority from that date. The structure of the Pension Fund Committee is as follows:

Body / category of bodies represented	Number of Committee Members
Durham County Council	11
Darlington Borough Council	2
Colleges	1
Scheduled Bodies	1
Admitted Bodies	1
Active Members	1
Pensioners	1
Total	18
<i>(plus 2 non-voting union observers)</i>	

The Terms of Reference of the Committee is available at www.durham.gov.uk/lgps. A secondary committee or panel has not been established due to the full extent of representation on the Committee.

The Local Pension Board is established by Durham County Council and will be governed by Durham County Council’s Constitution. The Board was established on 1 April 2015 under Regulations 105 to 109 of the Local Government Pension Scheme Regulations 2013 (as amended) and operates independently of the Pension Fund Committee.

The purpose of the Board is to assist the Administering Authority in its role as a scheme manager of the Scheme. Such assistance is to:

- a) Secure compliance with the Regulations, any other legislation relating to the governance and administration of the Scheme, and requirements imposed by the Pensions Regulator in relation to the Scheme and;
- b) To ensure the effective and efficient governance and administration of the Scheme.

The Board consists of six voting members of which three represent Scheme Members and three represent Scheme Employers, and there shall be an equal number of Member and Employer representatives. The Board appoints a chair from its membership.

All members of the Board must declare on appointment and at any such time as their circumstances change, any potential conflict of interest arising as a result of their position on the Board.

Knowledge and understanding must be considered in the light of the Board's purposes as set out above. The Board shall establish and maintain a record of training to address the knowledge and understanding requirements that apply to Board members under the Regulations.

The Board meets four times each year and may hold additional meetings if agreed by the Board. The quorum for each meeting is one Scheme Member representative and one Scheme Employer representative. A meeting that becomes inquorate may continue but any decisions will be non-binding.

The Chair shall agree with the Monitoring Officer (the 'Board Secretary') an agenda prior to each meeting which, together with supporting papers, will be issued at least five working days (where practicable) in advance of the meeting to all members of the Board. The Board meetings can be open to the general public.

The Administering Authority may meet the expenses of Board members as agreed by the Corporate Director of Resources in consultation with the Leader and Deputy Leader of the Council. The Administering Authority shall not pay allowances for Board members.

The Board should in the first instance report its requests, recommendations or concerns to the Pension Fund Committee. In support of this, any member of the Board may attend a Committee meeting as an observer.

The detailed terms of reference of the Local Pension Board may be found on the Council's website www.durham.gov.uk/article/6164/Durham-County-Council-Pension-Fund-Local-Pension-Board.

Principle B - Representation	Fully compliant
<p>a) That all key stakeholders are afforded the opportunity to be represented within the main or secondary committee structure. These include:</p> <ul style="list-style-type: none"> i) employing authorities (including non-scheme employers e.g. admitted bodies); ii) scheme members (including deferred and pensioner scheme members), iii) where appropriate, independent professional observers, iv) expert advisers (on an ad-hoc basis). <p>b) That where lay members sit on a main or secondary committee they are treated equally in terms of access to papers and meetings, training and are given full opportunity to contribute to the decision making process, with or without voting rights.</p>	

The allocation of members to the Committee broadly reflects the number of active members, pensioners and deferred pensioners each of the larger employers has within the Fund.

The two Trade Union representatives are invited as observers.

The Committee does not consider it appropriate to appoint an independent professional observer to the Committee but these governance arrangements have been independently audited by Peter Scales of MJ Hudson Allenbridge (now Apex Group) on behalf of the Committee.

Investment Consultancy is provided to the Fund by Mercer, and the Committee has appointed Anthony Fletcher, via Apex Group, to provide independent investment advice.

All members of the Committee, union observers and independent advisers are given full access to papers and are allowed to participate in meetings.

Principle C - Selection and role of lay members	Fully compliant
<p>a) That committee or panel members are made fully aware of the status, role and function they are required to perform on either a main or secondary committee.</p> <p>b) That at the start of any meeting, committee members are invited to declare any financial or pecuniary interest related to specific matters on the agenda.</p>	

The representatives from Durham County Council and Darlington Borough Council are appointed by decisions of the respective councils.

The representatives of the Colleges, other Statutory Bodies, and Admitted Bodies are selected by the Committee from nominations made by the employers and appointed for a period of 4 years with the option for an extension for a second 4 year term of office, subject to agreement of the Committee.

The two scheme member representatives are selected by the Committee from applications received from the membership following advertisement in the newsletter - one from active scheme members and one from pensioner members.

All Committee members are made fully aware of their role and functions as set out in the terms of reference for the Committee and other documentation.

Applicants from the scheme membership are provided with an information pack setting out the duties and responsibilities of a Pension Fund Committee Member together with a description of the type of individual qualities and experience seen as essential or desirable for the role.

All members are also made aware that as well as having legal responsibilities for the prudent and effective stewardship of the Fund, in more general terms they have a clear fiduciary duty to participating employers, local taxpayers and scheme beneficiaries in the performance of their responsibilities.

There is a standing agenda item at the start of each meeting inviting members to declare any financial or pecuniary interest related to specific matters on the agenda. The register of Members' interests is available online at www.durham.gov.uk.

Principle D - Voting	Fully compliant
a) The policy of individual administering authorities on voting rights is clear and transparent, including the justification for not extending voting rights to each body or group represented on main LGPS committees.	

All members appointed to the Committee have voting rights.

Union observers and advisers do not have voting rights as they do not act as formal members of the Committee.

Principle E - Training/Facility Time/Expenses	Fully compliant
<p>a) That in relation to the way in which statutory and related decisions are taken by the administering authority, there is a clear policy on training, facility time and reimbursement of expenses in respect of members involved in the decision-making process.</p> <p>b) That where such a policy exists, it applies equally to all members of committees, sub-committees, advisory panels or any other form of secondary forum.</p> <p>c) That the administering authority considers the adoption of annual training plans for committee members and maintains a log of all such training undertaken.</p>	

The Committee has established a policy on training, facility time and reimbursement of expenses which applies to all members of the Committee.

Consideration has been given to the adoption of annual training plans and the maintenance of a log of all such training undertaken. The Committee receives specific training before making investment decisions. The training requirements of individual Committee Members is informed by Member self-assessment.

Principle F – Meetings (frequency/ quorum)	Fully compliant
<p>a) That an administering authority's main committee or committees meet at least quarterly.</p> <p>b) That an administering authority's secondary committee or panel meet at least twice a year and is synchronised with the dates when the main committee sits.</p> <p>c) That an administering authority which does not include lay members in their formal governance arrangements, must provide a forum outside of those arrangements by which the interests of key stakeholders can be represented.</p>	

The Pension Fund Committee meets four times a year and occasionally holds special meetings when required. The Pension Fund Committee also holds an Annual General Meeting each year to which all participating employers are invited.

The quorum for each regular meeting of the Committee is 5.

Principle G - Access	Fully compliant
<p>a) That subject to any rules in the council's constitution all members of main and secondary committees or panels have equal access to committee papers, documents and advice that falls to be considered at meetings of the main committee.</p>	

All members of the Committee have equal access to committee papers, documents and advice to be considered at each meeting. Public documents are posted on the website.

Principle H - Scope	Fully compliant
<p>a) That administering authorities have taken steps to bring wider scheme issues within the scope of their governance arrangements.</p>	

As set out in the terms of reference, the Committee regularly considers "wider issues" and not just matters relating to the investment of the Fund.

Principle I - Publicity	Fully compliant
<p>a) That administering authorities have published details of their governance arrangements in such a way that stakeholders with an interest in the way in which the scheme is governed, can express an interest in wanting to be part of those arrangements.</p>	

The Governance Compliance Statement is distributed to all employers, is reproduced in the Annual Report, and is published on the Council's website. The appointment of member representatives was advertised to all members for them to express an interest.
