

Delegated Decision

6 March 2024

Highway Adoptions

Ordinary Decision

Report of Neighbourhoods and Climate Change

Paul Anderson, Strategic Highways Manager

Electoral division(s) affected:

Sacrison

Purpose of the Report

To consider those roads and footpaths, etc., which have been built by developers to County Council standards and are now offered for adoption, and those now deemed to be highways under the terms of Section 38/278 Agreement.

Recommendation

The completed works at Sacrison have been inspected by Phillip Thompson from the Highway Adoptions Section, Neighbourhoods and Climate Change and are considered to be up to the appropriate adoptable standards.

You are asked therefore to agree to the newly constructed highway detailed in the report becoming adopted highway.

Background

- 1 The newly constructed highway described below has been offered for adoption.

Chester le Street District

- a) Housing Estate Roads at Sacrison

Gus Robinson Developments Limited having made up the undermentioned roads and footways at Sacrison in accordance with the terms of the Section 38/278 Agreement, and they are now

deemed to be highway maintainable at the public expense effective from 6 March 2026.

Cinder Strip Close

The access road, parking bays and associated footways, commencing from a point on the existing highway known as Rosewood Close, opposite Nos. 11 & 12 Rosewood Close, heading in a generally north easterly direction, serving Nos 1 – 22 Cinder Strip Close, 68 metres or thereabouts in length.

The footway and parking bay on the east side of the existing adopted highway, known as Rosewood Close, commencing from a point to the rear of No 4 Cinder Strip Close, heading in a south-easterly direction, continuing across the development entrance, terminating at a point at the rear of No. 17 Cinder Strip Close, 83 or thereabouts in length.

Options

None

Main implications

Legal Implications

The implication of agreeing to the contents of the report is - Durham County Council will now be responsible for the maintenance of the new highway (the new roads, footpaths, etc.)

Finance

Financed by private developers. Future maintenance will be carried out and financed by D.C.C, Neighbourhoods and Climate Change.

Conclusion

That the newly constructed highways detailed in the report are adopted as publicly maintained highways and a Final Certificate of completion issued.
