Subject: Footpath Extinguishment - Bishop Auckland - INFORMAL CONSULTATION

Dear Madam

Further to your recent enquiry, I must maintain my objection. My grounds are as follows:

1. The neighbourhood consultation was very limited, and does not take into account people from a wider area using the paths as a short cut. They are more pleasant than roadside pavements.
2. I understand that there have been problems with anti-social behaviour. If this is so, then that problem should be dealt with by the police. Closing public paths will not solve the basic problem, which will simply move elsewhere if this location is lost.

Yours faithfully
