Report of Helen Bradley, Director of Legal and Democratic Services

Electoral division(s) affected:

None

Purpose of the Report

- 1 To provide the Economy and Enterprise Overview and Scrutiny Committee (E&E OSC) with an updated draft work programme for 2024/25.

Executive summary

- 2 E&E OSC review their work programme each year to reflect the objectives and associated outcomes and actions identified within the Council Plan and in the context of the County Durham Vision 2035.
- 3 The proposed E&E OSC work programme has been framed around the shared County Durham Vision 2035 based on the three strategic ambitions of 'more and better jobs', 'long and independent lives' and 'connected communities'.
- 4 Overview and Scrutiny work programmes are designed to be flexible to accommodate items which may arise throughout the year. This flexibility is particularly important as we have an extensive work programme and we must ensure we are able to accommodate issues that may arise during the term of the work programme.

Recommendations

- 5 The E&E OSC is recommended to:

- a) Receive and comment on the proposed draft work programme for 2024/25 (copy attached at appendix 2).
- b) Agree the E&E OSC work programme for 2024/25 and the flexibility it offers to respond to emerging issues.
- c) Consider identifying a topic for future light touch review activity.

Background

- 6 Scrutiny Committees adapted to the change during the pandemic and some of these adaptations have become a part of business as usual for the committee such as briefing reports being used to provide information to members of the committee and the more recent addition of informal information sessions. The E&E OSC work programme is refreshed annually and takes into consideration the priorities of the Committee and areas identified by the service.
- 7 The current overview and scrutiny committees work programmes are informed by:
 - County Durham Vision 2035
 - Council Plan
 - Cabinet's Notice of Key Decisions
 - Partnership plans and strategies
 - Performance and budgetary control data
 - Changes in government legislation
 - Key questions for improving performance
 - Local priorities.
- 8 The County Durham Partnership agreed a Vision for County Durham 2035 which sets out strategic direction and what we would like to achieve over the next 15 years and is written around three broad ambitions for the people of County Durham.
 - More and better jobs
 - People live long and independent lives
 - Connected communities
- 9 Each ambition contains a number of objectives together with some council specific objectives. Following the refresh of the Council Plan in February 2024, it is now structured around five themes which reflect our contribution towards achieving the three ambitions within the Vision for County Durham as well as the council's own improvement agenda:
 - Our Economy

- Our People
- Our Communities
- Our Environment
- Our Council

Council Plan 2024-2028

- 10 The Council Plan is the primary corporate planning document for the County Council and details Durham County Council's contribution towards achieving the objectives set out in the Vision for County Durham 2035 together with its own change agenda. It aims to provide a readable and accessible summary for members, partners and the public of our priorities for the county and the main programmes of work that we will undertake to help achieve these priorities. The Plan will now be refreshed each year to reflect the integration of corporate and financial planning.
- 11 Both the Vision for County Durham and the Council Plan are structured around the three ambitions for the county and our own improvement agenda. The 'Our Council' theme captures the corporate initiatives the Council has identified and wants to undertake to achieve the ambitions within the vision:
- a) Our resources will be managed effectively
 - b) Create a workforce for the future
 - c) Design our services with service users
 - d) Use data and technology more effectively
 - e) We will build an inclusive and welcoming employee culture
- 12 The key themes which apply to the E&E OSC are 'Our Economy' and 'Our Communities' with the relevant ambitions detailed below:

Our Economy

- a) Delivery of a range of accessible employment sites across the County
- b) A strong, competitive economy where County Durham will be a premier place in the North East to do business
- c) A broader experience for residents and visitors to the county
- d) Young people will have access to good quality education, training and employment
- e) A focus of efforts on helping all people into rewarding work
- f) Fewer people will be affected by poverty and deprivation in the county

Our Communities

- a) People will have good access to workplaces, services, retail and leisure opportunities
- b) Standards will be maintained or improved across County Durham's housing stock
- c) Delivery of new high-quality housing which is accessible and meets the needs and aspirations of our residents
- d) Our town and villages will be vibrant, well-used, clean, attractive and safe

In addition, the committee has undertaken budgetary and performance monitoring, responded to consultations in relation to various plans and strategies and questioned the relevant Cabinet Portfolio Holder. Areas for Consideration in the E&E OSC Work Programme

15 Members of the E&E OSC are asked to agree the proposed draft work programme for 2024/25 that has been prepared and is attached at appendix 2. The draft work programme is very comprehensive drawing on topical areas across the remit of the committee and it should be noted that it is also flexible.

16 Paragraphs 13 and 14 of the report identifies the activity undertaken by the committee during 2023/24. The committee is asked to consider areas for inclusion in the work programme for 2024/25 in light of the

current Council Plan and the Vision for County Durham 2035. Appendix 2 of this report sets out a draft work programme for consideration.

- 17 Members are encouraged to consider identifying areas of scrutiny investigation (for light touch review) from the work programme.

Conclusion

- 18 The work programme identifies areas of work that fall within the remit of E&E OSC and is flexible in its delivery.
