Background

4. The presentation to the Police and Crime Panel will provide:
 - an overview of what the public told the Police and Crime Commissioner they want to see as their priorities in the new Police and Crime Plan 2024-29, and the achievements over the last three years.
 - The views of the public through regular engagement activity during the Police and Crime Commissioner's last term of office.
 - The Police and Crime Commissioner's five areas of focus that were set out in her Manifesto: Prevent; Protect; Deter; Detect; Pursue.
 - Key dates for developing the Police and Crime Plan 2024-29.
5. The initial stage in the timeline is the public consultation which went live on Friday 6 September and will run for six weeks. The Plan must be published no later than 31 March 2025.
