Annual Governance and Accountability Return for the financial year ended 31 March 2024

The annual governance and accountability return on pages 2 to 7 is made up of four sections:

- Sections 1 and 2 are completed by the person nominated by the Joint Committee
- Section 3 is completed by Mazars LLP as the reviewer appointed by the Joint Committee.
- In addition, the internal audit report is completed by the Joint Committee's internal audit provider.

Each Joint Committee must approve Section 1 and Section 2.

Completing your annual governance and accountability return

Guidance notes, including a completion checklist, are provided on page 7 and at relevant points in the annual governance and accountability return.

Please complete all highlighted sections. Please do not leave any highlighted box blank. Incomplete or incorrect returns require additional work and so may incur additional costs.

Please send the annual governance and accountability return, together with your bank reconciliation as at 31 March 2024, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to us, Mazars LLP by the due date.

We will identify and ask for any additional documents needed for our work. Therefore, unless requested, do not send any original financial records.

Once we have completed our work, the certified annual governance and accountability return will be returned to the Joint Committee for publication and public display of Sections 1, 2 and 3. It is recommended that you publish and display the annual governance and accountability return, including the external auditor's report, by 30 September 2024.

****Please note that this annual governance and accountability return is a variant of the version produced by JPAG for parish councils and other smaller authorities. As joint committees are not covered by JPAG's Practitioner's Guide it does not part of proper practice defined in the Practitioner's Guide.***

Guidance notes on completing the 2023/24 return

1. Please make sure that your annual governance and accountability return is complete (ie no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the Joint Committee, properly initialled and explanation provided. Annual governance and accountability return's containing unexplained or unapproved amendments may be returned and incur additional costs.
2. **Joint Committees must approve Section 1 on page 2 before approving Section 2 on page 3.**
3. Please use the checklist provided below. Use a second pair of eyes, perhaps a member of the committee or the Chair, to review your return for completeness before sending it to us. Do not send us any information not specifically asked for. Doing so is not helpful. However, you must notify us of any change of Clerk, Responsible Financial Officer or Chair.
4. Please make sure that the copy of the bank reconciliation confirming the balance held on your behalf which you send with the return covers all your bank balances. If the Joint Committee holds any short-term investments, note their value on the bank reconciliation. We must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8.
5. Please explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. We want to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation.
6. If we have to review unsolicited information, or receive an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which we will make a charge.
7. Please make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2023) equals the balance brought forward in the current year (Box 1 of 2024).
8. Please do not complete section 3. We will complete it at the conclusion of our work.
