

Delegated Decision

13 September 2024

**Granting Of A Section 50 Licence To
install new water, gas and electricity
supplies Unc Pease Way, Newton
Aycliffe, County Durham**

Ordinary Decision/Key Decision No.

Report of Network Management

Stephen Jones, Highway Network Manager

Electoral division(s) affected:

Aycliffe West

Purpose of the Report

- 1 To seek approval to grant a licence in accordance with Section 50 of the New Roads and Street Works Act 1991 (NRSWA) to enable Quantum Power Connections Ltd to install new combined manhole new gas, water and electricity supplied within the adopted highway on behalf of Adderstone Group, Nelson House, The Fleming, Burdon Terrace, Jesmond, Newcastle, NE2 3AE.

Executive summary

- 2 An application to install new gas, water and electricity supplies within Unc Pease Way, Newton Aycliffe, County Durham, has been submitted by Quantum Power Connections Ltd, Unit 60, Blue House Point Road, Portrack, Castle, Stockton on Tees, TS18 2QL.

Recommendation

- 3 In line with legislation allowing the installation of apparatus in the highway I suggest the application be permitted in accordance with current practice and procedure.

Background

- 4 It is illegal to dig up the adopted highway without consent of the Highway Authority (Highways Act 1980 Section 131). The installation of apparatus

within the highway is permissible under Section 50 of the New Roads And Street Works Act 1991 upon request / consent of the Highway Authority.

Details of any alternative options considered and rejected when making the decision

- 5 As the works are not being undertaken by a statutory undertaker, there is no alternative other than to consider the apparatus as private, until such times as the connections are adopted by a statutory undertaker. Therefore, a licence under Section 50 of the New Roads and Street Works Act is required to authorise and control the proposed works.

Main implications

Legal Implications

- 6 A standard S50 Licence is to be signed by both parties and sealed. Details of the agreement are to be registered with local land charges, as appropriate. The Highway Authority is to record the agreement and inform the utility companies accordingly upon request about private apparatus in the highway

Finance Implications

- 7 A licence fee of £975 has been paid. This licence fee incorporates administration, inspection, registration and legal fees. A bond of £6,800 has been obtained to cover the reinstatement.

Conclusion

- 8 Decision to grant a licence in line with Section 50 of the New Roads And Street Works Act 1991. This section of the Act permits the installation of apparatus in the highway in line with the terms and conditions imposed by the Highway Authority for County Durham.
