30 September 2024

Internal Audit Progress Update Report Period Ended 30 June 2024

Report of Paul Darby, Corporate Director of Resources

Electoral division(s) affected:

Countywide.

Purpose of the Report

1 To provide Members of the Audit Committee with an update on the work that was carried out by Internal Audit during the period 1 April 2024 to 31 March 2025, as part of the Internal Audit Plan for 2024/25.

Executive Summary

- 2 The report provides an overview of performance against the Internal Audit Plan 2024/25, and aims to:
 - Provide a high level of assurance, or otherwise, on internal controls operating across the Council that have been subject to an Internal Audit of systems and processes;
 - (b) Advise of any issues where controls need to be improved in order to effectively or better manage risks;
 - Advise of other types of audit work carried out such as grant certification or advice and consultancy reviews where an assurance opinion on the control environment may not be applicable;
 - (d) Advise of any amendments to the Internal Audit Plan previously agreed;
 - (e) Track the progress of responses to Internal Audit reports and the implementation of agreed audit recommendations;
 - (f) Advise of any changes to the audit process; and
 - (g) Provide an update on performance against the key performance indicators agreed as part of the Audit Plan.

- 3 The appendices attached to this report are summarised below. Those marked with an asterisk are not for publication (Exempt information under Part 3 of Schedule 12a to the Local Government Act 1972, paragraph 3):
 - (a) Appendix 2 Performance against the Internal Audit Plan 2024/25;
 - (b) Appendix 3 Final reports issued in the quarter ended 30 June 2024;
 - (c) Appendix 4 The number of high and medium priority actions raised and implemented in 2024/25;
 - (d) Appendix 5 Internal Audit performance indicators;
 - (e) Appendix 6^* Overdue Actions.

Recommendations

- 4 Members are asked to note:
 - (a) the amendments made to the Internal Audit Plan during quarter one;
 - (b) the work undertaken by Internal Audit during the period ending 30 June 2024;
 - (c) the performance of the Internal Audit Service during the period; and
 - (d) the progress made by service managers in responding to the work of Internal Audit.

Background

- 5 As an independent consultancy service, the Council's Internal Audit Team strives to continue to add value and improve the organisation's operations as well as providing objective assurance to service managers and the Council.
- 6 The Internal Audit Plan for 2024/25, covering the period 1 April 2024 to 31 March 2025, was approved by the Audit Committee on 20 May 2024.

Progress against the Internal Audit Plan

- 7 A summary of the approved Internal Audit Plan for each Service Grouping, updated to include work in progress and any audits brought forward from last year's plan, is attached at Appendix 2. The appendix illustrates the status of each audit as at 30 June 2024 and, where applicable, also gives the resultant assurance opinion.
- 8 A summary of the status of audits is illustrated in the table below:

Service Grouping	Not Started	Preparation and Planning	In Progress	Draft Report	Final Report / Complete
Adult and Health Services (AHS)	10	1	5	2	2
Chief Executive (CE)	8	2	0	1	1
Children and Young People's Services (CYPS) *Excluding Schools	20	0	1	1	6

Resources (RES)	25	11	16	5	2
Schools	16	12	1	3	7
TOTAL	106	26	25	13	21

- 9 A summary of the final internal audit reports issued during quarter one is presented in Appendix 3.
- 10 The total number of productive days available during 2024/25 was originally estimated to be 2,856. As at 30 June 2024, the service had

delivered 723 productive days, representing 25.3% of the total estimated planned days for the year. The target to the end of June was for 22.5% to have been delivered, therefore performance was above the profiled target.

- 11 As at 30 June, approximately 18% of the audits in the plan had been delivered.
- 12 Although the service operated with a full complement of staff, there continues to be significant training and development requirements which need to be met. In addition, there were some instances of staff sickness during the period which impacted on the productive capacity within the team.
