

Overview of Children in Care and Care Experience Week

North East and
North Cumbria

21 - 25 October 2024

NENC Integrated Care Board

What we achieved over the week:

19 speakers

With 9 young people speaking, sharing their experiences. Many more involved in the planning.

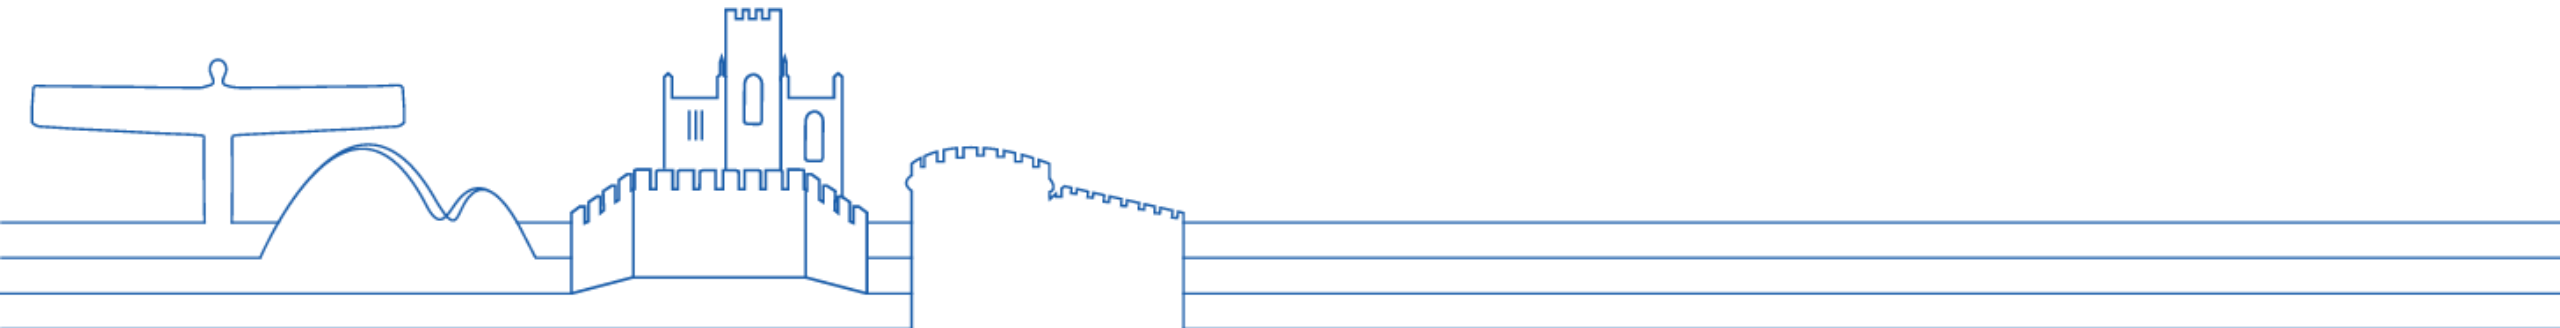

15 sessions over 5 days.

500+ attendees from across the system.

Reaching wider than our NENC footprint – with attendees from across the North wide footprint

What our young people shared:

Planning and Developing Services

Cliff Edge and how this can be prevented from a health perspective.

Supporting 'good health' beyond 18.

Supporting our young people to share their work and influence services to consider their practice. (eg use of language and eradicating stigma).

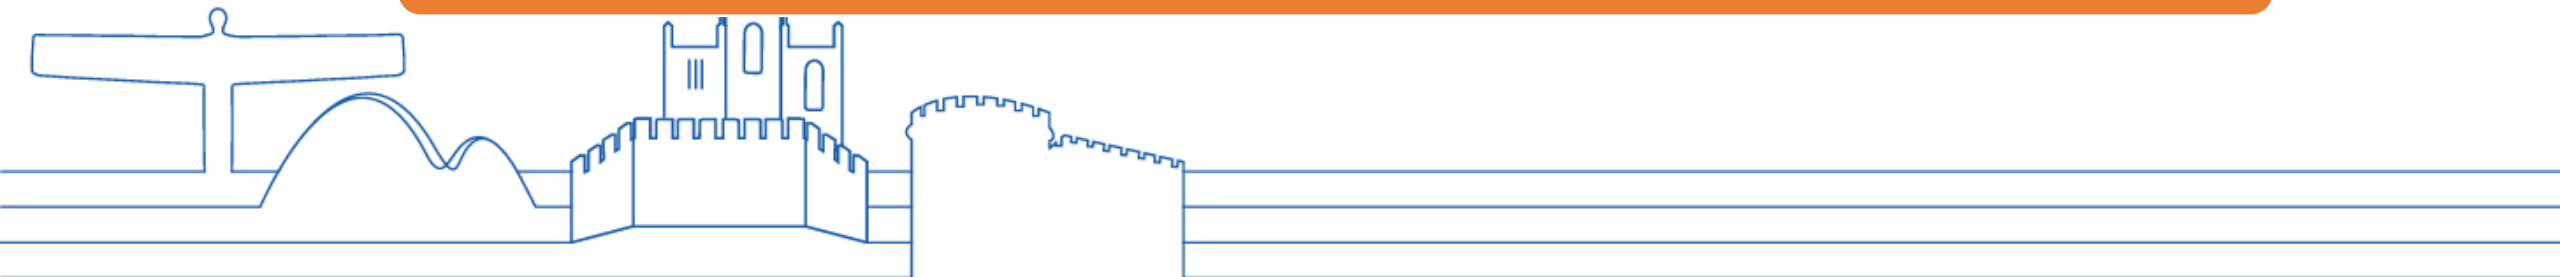

Alex's care video and Caitlin and Lesley shared their poetry– impactful

Durham Practice shared.....

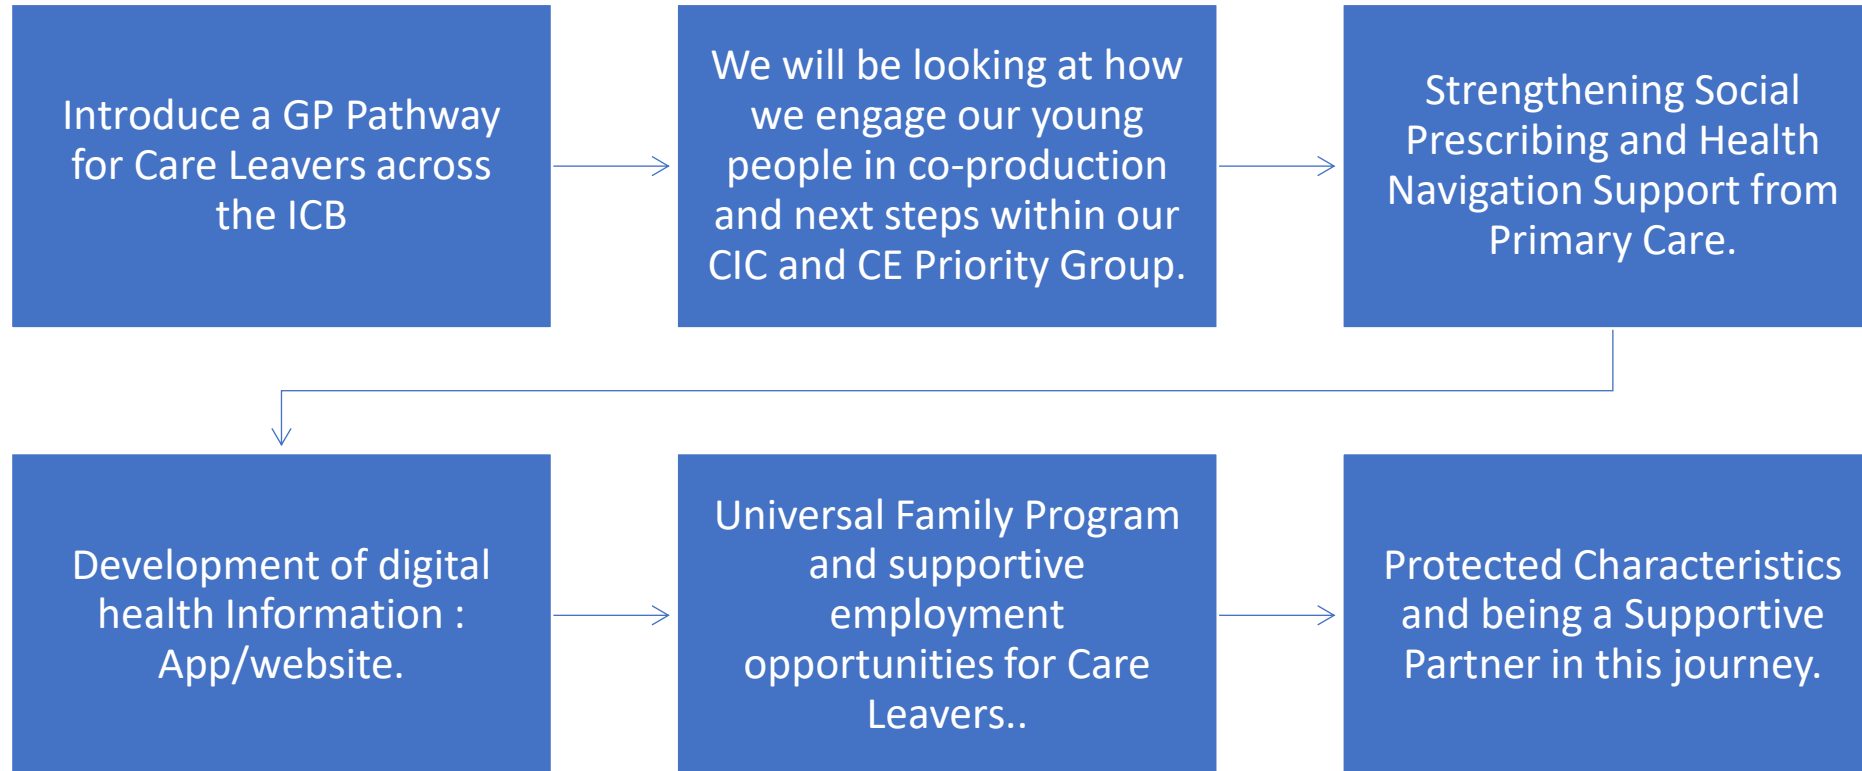

The Peer Mentoring Programme was shared by Chris

Nathan who manages the UASC team in Durham shared their model and how they support young people when coming into a new country

Cheryl from Durham Works discussed the programs that their service are providing to support young people into education, work readiness and employment opportunities.

What next?

THANK YOU
