Expression of interest

### What is this document for?

Community organisations interested in taking over our assets or helping to run our services by way of a Community Asset Transfer are asked to submit an 'Expression of Interest' using this form.

This form is merely to register your interest at this stage. Upon receipt of this form, the Council will carry out basic checks to determine the property's ownership, its use and strategic role in the Council's asset management planning including any other service requirements involving the asset that the County Council may have already identified.

If the proposal proceeds through our Community Asset Transfer process, you will need to provide more detailed information, and it will be subject to further evaluations.
