

16.2.10

Dear Sir,

Please find enclosed my ^{JOHN MORRIS 15/8/09} application for my father's name to be entered in the book of remembrance.

I had hoped to bring this by hand but realise this will make it further past the deadline for entry this year. I am hoping, but realise it may not be possible, that the lines can be entered this year.

I would like to take this opportunity

to thank every one at the crematorium for what they do to make it feel such a special place -

Yours faithfully

Susanne Clarke
