Local Government Pension Scheme: Investment in Partnerships – CLG Consultation

Don McLure, Corporate Director Resources

Purpose of the report

- 1 The purpose of this report is to inform Members of a consultation by the Department for Communities and Local Government (CLG).

Background

- 2 Following the publication of the Government's 'Blueprint for Technology' and the signing of a memorandum of understanding between pension industry representatives and the government on examining the way in which pension funds could invest in infrastructure projects, it was felt that the existing Local Government Pension Scheme (Investment and Management of Funds) Regulations 2009 (the Regulations) may be placing a restraint on investment in this area.
- 3 The existing Regulations are attached at Appendix 1.
- 4 On 6 November 2012 CLG issued a consultation paper, attached at Appendix 2.
- 5 This consultation is to seek views on "whether any amendment is necessary to remove specific barriers preventing Scheme funds from being invested in infrastructure investment vehicles designed to control risk exposure and provide both future income stream to funds and necessary capital input into projects intended to stimulate growth."
- 6 The consultation paper acknowledges that the primary responsibilities of local authority pension funds are to deliver the returns needed to pay Scheme members the pensions they have worked hard to earn, and to protect local taxpayers and employers from high pension costs.
- 7 The Regulations are designed to enable effective investment strategies that meet these goals. The Regulations help to minimise risk and protect the interest of taxpayers by requiring that funds and risks are spread across a number of different types of investment, and by setting limits on the proportion of funds that can be invested in each type of investment

Response to the Consultation

- 8 The consultation is aimed principally at Local Government and has been circulated to all local authorities.
- 9 The consultation period is six weeks, with a closing date for responses of 18 December.
- 10 The County Council as Administering Authority intends to respond to CLG. It is considered that the appropriate response in the interests of the Pension Fund is in favour of increasing the limit on investments in partnerships from 15% to 30% - Option A on page 12 of the consultation.
- 11 This option allows more freedom for the Pension Fund to invest in partnerships of all types. Although Option B limits the risk of concentration in a particular type of investment, under Option A this could be achieved by amendment to the Statement of Investment Principles, and by the Committee monitoring with the advice of its Advisers that the higher limit were not used in a way that would increase the risk of the Pension Fund through concentration of investments in particular categories or individual investments.
- 12 In order to respond to other questions in the consultation, it would be necessary to define a new investment class. After taking our Advisers' advice, it would seem that almost any definition would invite the creation of investment vehicles designed to get round the spirit of the definition, whilst observing the letter of it.
- 13 On balance, the option to increase the limit on investment in partnerships to 30% would avoid the problem of defining a new category whilst allowing flexibility to invest funds in infrastructure investment vehicles.

Recommendation

- 14 Members are asked to note the consultation and it is recommended that the Corporate Director Resources be delegated authority to respond to CLG on behalf of the Pension Fund as suggested in paragraphs 10 to 13.

7. For the purposes of regulations 8 to 10, an “investment manager” is—

- (b) an EEA firm of the kind mentioned in sub-paragraph (a), (b) or (c) of paragraph 5 of Schedule 3 to that Act⁽¹⁷⁾ (EEA passport rights), which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12 of that Schedule⁽¹⁸⁾) to manage investments and may lawfully manage the assets of occupational pension schemes; or

 - (v) who is not prevented by that law from managing the assets of occupational pension schemes or assets belonging to another person.

Choice of investment managers

8.—(1) Instead of managing and investing fund money itself, an administering authority may appoint one or more investment managers to manage and invest fund money, or any part of such money, on its behalf.

(2) But the authority may only appoint an investment manager if the authority complies with paragraphs (3) to (6).

⁽¹⁶⁾ Amended by S.I. 2007/126, S.I. 2007/3253.

⁽¹⁷⁾ Amended by S.I. 2003/1473, S.I. 2007/126, S.I. 2006/3221.

⁽¹⁸⁾ Amended by S.I. 2007/126, S.I. 2007/3253.

(3) The authority must reasonably believe that the investment manager's ability in and practical experience of financial matters makes that investment manager suitably qualified to make investment decisions for it.

(4) The investment manager must not be its employee.

(5) The authority must be satisfied—

- (a) that the fund, or the relevant part of it, is managed by an adequate number of investment managers; and

(5) In managing the fund the investment manager must take into account—

- (a) that fund money must be invested in a wide variety of investments;
- (b) the suitability for the fund of particular types of investment, or of any particular investment; and
- (c) the administering authority's statement of investment principles.

(6) But paragraph (5)(a) does not apply where the investment manager only manages part of the fund and the terms of the investment manager's appointment provide that it does not apply.

(7) The investment manager must not make investments which would contravene the administering authority's statement of investment principles or regulation 14 (restrictions on investments).

(8) In determining the investment manager's terms of appointment, the administering authority must take proper advice.

Review of investment manager's performance

10.—(1) Where an administering authority has appointed an investment manager it must keep the investment manager's performance under review.

(2) At least once every three months the authority must review the investments the investment manager has made for the fund and any other action that has been taken by the manager in relation to it.

(3) Periodically the authority must consider whether or not to retain the investment manager.

(4) In reviewing an investment manager's decisions and appointment, the authority must take proper advice—

- (3) The authority must invest, in accordance with its investment policy, any fund money that is not needed immediately to make payments from the fund.
- (4) The authority may vary its investments
- (5) The authority must obtain proper advice at reasonable intervals about its investments.
- (6) The authority must consider such advice in taking any steps in relation to its investments.

Statement of investment principles

- 12.**—(1) An administering authority must, after consultation with such persons as it considers appropriate, prepare, maintain (in accordance with paragraph (5)) and publish a written statement of the principles governing its decisions about the investment of fund money.
- (2) The statement must cover its policy on—
- (a) the types of investment to be held;
 - (b) the balance between different types of investments;
 - (c) risk, including the ways in which risks are to be measured and managed;

 - (e) the realisation of investments;
 - (f) the extent (if at all) to which social, environmental or ethical considerations are taken into account in the selection, retention and realisation of investments;
 - (g) the exercise of the rights (including voting rights) attaching to investments, if the authority has any such policy; and
 - (h) stock lending.
- (3) The statement must also state the extent to which the administering authority complies with guidance given by the Secretary of State, and, to the extent the authority does not so comply, the reasons for not complying.
- (4) The first such statement must be published no later than 1st July 2010.
- (5) The statement must be reviewed, and if necessary, revised, by the administering authority from time to time and, in the case of any material change in the authority's policy on the matters referred to in paragraphs (2) and (3), before the end of a period of six months beginning with the date of that change.
- (6) A statement revised under paragraph (5) must be published.

Investments under section 11(1) of the Trustee Investments Act 1961

13. An administering authority may invest, without any restriction as to quantity, in any investment made in accordance with a scheme under section 11(1) of the Trustee Investments Act 1961⁽¹⁹⁾ (which enables the Treasury to approve schemes for local authorities to invest in collectively).

⁽¹⁹⁾ 1961 c. 62.

Restrictions on investments

14.—(1) The table in Schedule 1 and the exceptions specified below that table (“the exceptions”) shall have effect for the purpose of limiting the making of investments of the types described in the table⁽²⁰⁾.

(2) Subject to paragraph (3), and, where relevant, the exceptions, a percentage listed in Column 1 of the table in relation to a type of investment so described is the limit on the proportion of fund money which may be invested in that type of investment.

(3) An administering authority may, in accordance with regulation 15, decide to increase the limit in relation to a particular type of investment so described, but only where a percentage is shown in relation to that type of investment in Column 2 of the table, and may not exceed that percentage.

(4) The percentages mentioned in paragraphs (2) and (3) are percentages of the total value of all existing investments of fund money immediately before the making of the investment concerned.

(5) Paragraph (2) and, if applicable, paragraph (3) apply only at the time the investment is made.

(6) The definitions set out below the exceptions shall have effect for interpreting the table.

Requirements for increased limits

15.—(1) An administering authority which decides to increase limits under regulation 14(3) must comply with the requirements of this regulation.

(2) The authority must have taken proper advice.

(3) The authority must take account of the matters set out in regulation 11(2).

(4) Where there is a decision to use the increased limits under regulation 14(3) in relation to item 13 of the table in Schedule 1, the additional risks of the increased limit must have been taken into account in addition to those matters set out in regulation 11(2).

(5) The decision must specify—

- (a) the description of investment to which it applies;
- (b) the limit on the amount of the investment;
- (c) the reason for that decision;
- (d) the period for which the decision will apply;
- (e) if the authority intend to review the decision before the end of the period in (d), the date when the decision will be reviewed; and
- (f) that the decision complies with these Regulations.

(6) Where the period for which the decision will apply comes to an end, the limits will be those set out in Column 1 of the table unless before the end of that period the administering authority reviews the decision in accordance with this regulation.

(7) A decision following a review to continue to use limits increased under regulation 14(3), whether or not the increased limits have been altered, must—

- (a) take account of the matters set out in paragraphs (2)-(4); and
- (b) specify the matters set out in paragraph (5).

(8) Before a decision under regulation 14(3) or under paragraph (7) of this regulation can take effect, the administering authority must revise and publish the written statement of investment principles which it is required to maintain under regulation 12 so as to include the matters specified in paragraph (5).

⁽²⁰⁾ The Occupational Pension Schemes (Investment) Regulations 2005 (S.I. 2005/3378, amended by S.I. 2007/814 and S.I. 2009/615) which, in particular, prescribe certain investments as employer-related investments in addition to those specified in section 40(2) of the Pensions Act 1995, set out restrictions on employer-related investments and make provision as regards the application of the restrictions to schemes in relation to which there is more than one employer, may further restrict or limit investment of fund money.

Use of fund money by an administering authority

16.—(1) An administering authority must pay interest on the total from day to day of any fund money used under regulation 3(4) and not repaid.

(2) That interest may not be paid at a rate lower than the lowest rate at which the authority could have obtained a commercial loan of that amount at 7 days' notice (otherwise than by bank overdraft).

Supplementary

Revocations

17. The instruments listed in Column (1) of the table in Schedule 2 are revoked to the extent stated, in relation to each, in Column (3) of that table.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations consolidate the Local Government Pension Scheme (Management and Investment of Funds) Regulations 1998 (S.I. 1998/1831) with subsequent amending instruments. In addition to minor and drafting amendments, the following changes of substance have been made.

Paragraph (4) of regulation 3 (definition of “investment”) provides that the use of pension fund money for any purpose for which the local authority may borrow money shall count as an investment for the purposes of these Regulations prior to 1st April 2010 whereupon it will cease to count as an investment.

Regulation 5 (power to borrow) sets out the circumstances in which the administering authority may borrow money for the purposes of its pension fund and the rules applying to the repayment of any such borrowing.

Regulation 6 (separate bank account) provides that pension fund money must be kept in a separate bank account held by the administering authority for that purpose by 1st April 2011.

Other provisions provide for: general definitions (regulation 2), what counts as an investment (regulation 3), the sums which an administering authority must pay to and may pay from its pension fund (regulation 4), the power to appoint an investment manager including the terms of such appointment and the requirement to keep the performance of any such manager under review (regulations 7-10), general provisions concerning investments (regulation 11) including the requirement to prepare and maintain an investment policy (regulation 12), the limits which apply to certain types of investments and the requirements which apply if such limits are to be increased (regulations 14 and 15) and the requirement to pay interest on fund money used by the administering authority (regulation 16). Regulation 17 and Schedule 2 revoke the instruments and provisions which these Regulations replace.

An impact assessment has not been produced for this instrument as it has no impact on the costs of businesses, charities or voluntary bodies and it does not have a significant financial impact on any public bodies.
