The report gave details of the Managers' performance against their benchmarks for the fourth quarter, the year to date and since inception.

Hilary Appleton advised that the Plan had outperformed the total benchmark by 0.09%.

Philip Williams added that the PPIP portfolio of AllianceBernstein had started to wind down before the end of the quarter and had now closed. Over 3 years of investment the Fund had returned 11% over target.

In response to a question from Councillor Hopgood, Hilary Appleton advised that former Managers Edinburgh Partners had been included in the report as the figures related to dividends from earlier investments.

With regard to BlackRock's performance in the fourth quarter Philip Williams advised that their target was to outperform FTSE by 3% which had been achieved.

## **7 Pension Fund Investments**

Consideration was given to the report of the Corporate Director, Resources which gave details of the overall value of the Pension Fund as at 31 December 2012 and of any additional sums available to the Managers for further investment, or amounts to be withdrawn from Managers (for copy see file of Minutes).

Hilary Appleton advised that the allocation of new money to the Managers had been suspended until the outcome of the current review of management arrangements. As Table 1 showed £10m was recovered at the end of the fourth quarter because of the transition from BlackRock to Barings, as reported previously.

Councillor Hopgood asked about the Government Workplace Pension Scheme. Nick Orton, Payroll and Pensions Manager stated that the Scheme had been introduced by larger organisations in the first instance, with the applicable date for the Council being 1 January 2013. However the Authority already brought new employees into the Scheme automatically which was known as 'auto-enrolment'.

Those employees who had opted out would be brought back into the scheme and Don McLure, Corporate Director, Resources advised that the Council had agreed to postpone this process until 2017.

Councillor Carr asked if information had been sought from other employers in the Fund about projected retirements. Hilary Appleton responded that this information could be obtained from Darlington Borough Council on completion of their budget setting process. Other employers in the Fund should be able to provide details on request.

**Resolved:**

That the information given be noted and no further allocation of cash be made to the Managers.

**8 Short Term Investments for the Period Ended 31 December 2012**

Consideration was given to the report of the Corporate Director, Resources which gave details of the Pension Fund's short term investments for the quarter ended 31 December 2012 (for copy see file of Minutes).

Hilary Appleton advised that the Pension Fund's surplus cash holding as at 31 December 2012 was £24.538m.

Councillor Hopgood sought clarification about the Administration Fee of £15,436. Hilary Appleton stated that this was the fee charged by the Council for the Treasury Management function and was 0.1% of the interest made.

**Resolved:**

That the position at 31 December 2012 regarding the Pension Fund's short term investments be noted.

**9 Investment of the Pension Fund's Cash Balances**

Consideration was given to the report of the Corporate Director, Resources which informed Members of the Treasury Management Service provided to the Pension Fund, and of changes to the calculation of interest on short term investments administered by the County Council (for copy see file of Minutes).

Councillor Richardson referred to investment of the Pension Fund's cash balances in financial institutions and asked what action would be taken in the event that any of those banks were downgraded. Don McLure responded that the deposit would remain with the financial institution until the termination date, at which time the Treasury Management Team would review the institution's position as an approved counterparty.

Keith Tallintire, Admitted Bodies Representative referred to the table in the previous report and noted that none of the institutions were AAA rated. He also asked how often the decision to pay interest on either the LIBOR or LIBID rate would be reviewed. Hilary Appleton responded that this would be reviewed quarterly by the Treasury Management Team, based on an appropriate published three month rate.

In response to a comment from Councillor Hopgood, Philip Williams advised that rating agencies applied different ratings for long-term and short-term investments. Generally ratings were higher for short-term investments and this could be clarified in future reports to the Committee.

It was also suggested that in view of the discussion in the previous report about the Administration Fee, recommendation (c) should be amended to reflect that it was 0.1% of the interest made.

**Resolved:**

That

- (a) the Pension Fund continues to invest its cash balances with the County Council in line with the County Council's Treasury Management Strategy;
- (b) interest be paid quarterly to the Pension Fund at a rate based on the daily cash balance and a published 3 month interest rate;
- (c) an administration fee of 0.1% of interest made be paid to the County Council for the Treasury Management function being carried out on behalf of the Pension Fund;
- (d) in the event of the loss of an investment, the Pension Fund will bear the loss in proportion of the value of cash balances held at the time of the investment with Durham County Council.

**10 Agreement of Accounting Policies for Application in the 2012/2013 Financial Statements of the Pension Fund**

Consideration was given to the report of the Corporate Director, Resources which informed Members of the accounting policies to be applied in the preparation of the 2012/2013 Accounts, and to seek confirmation from the Committee that appropriate policies were being applied (for copy see file of Minutes).

Councillor Martin noted that reference had been made to the PPIP account in Appendix 1 of the report which had now closed, and commented that this emphasised the need to review the policies as and when required.

**Resolved:**

That

- (a) the accounting policies be approved and used in the preparation of the 2012/2013 financial statements for the Pension Fund;
- (b) the Corporate Director, Resources be authorised to review the accounting policies as necessary, and report changes to the Committee.

Consideration was given to the report of the Corporate Director, Resources which informed Members of the review of the Funding Strategy Statement and Statement of Investment Principles for the year ended 31 March 2013 (for copy see file of Minutes).

Hilary Appleton advised that Edinburgh Partners were included in the Statement of Investment Principles but that this would be amended during 2013-2014 to reflect the new Managers appointed following the tender process.

### **Resolved:**

That the information given and the review of the Pension Fund's policy documents be noted.

Councillor Turner returned to the meeting.

## **12 Terms of Reference**

Consideration was given to the report of the Corporate Director, Resources which informed Members of progress in determining the Terms of Reference for the Pension Fund Committee (for copy see file of Minutes).

The report highlighted proposed changes which reflected discussions at the Pension Fund Committee workshop session held on 6 February 2013. Once agreed the Terms of Reference would be reviewed on an annual basis.

Councillor Hopgood thanked Officers for the workshop which had been a helpful session for the Committee in formulating the Terms of Reference.

### **Resolved:**

That

- (a) the Terms of Reference in Appendix 2 of the report be agreed for adoption by the Council;
- (b) the Terms of Reference be reviewed at least on an annual basis.
