

Small Bodies in England

Annual return for the year ended 31 March 2011

Small relevant bodies in England with an annual turnover of £1 million or less must complete an annual return summarising their annual activities at the end of each financial year.

The annual return on the following pages is made up of four sections:

- **Sections 1 and 2** are to be completed by the person nominated by the body.
- **Section 3** will be completed by the external auditor.
- **Section 4** is to be completed by the body's internal audit provider.

Each body must ensure this annual return is approved no later than 30 June 2011.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Please complete all sections highlighted in red. Do **not** leave any red box blank. Incomplete or incorrect returns may require additional external audit work and incur additional costs.

Please send the annual return, together with your bank reconciliation as at 31 March 2011, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your appointed external auditor by the due date.

If required, your auditor will identify and ask for any documents needed for audit. Unless requested, please do **not** send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the body for publication or public display of sections 1, 2 and 3.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides for either local councils or internal drainage boards. These publications may be downloaded from the National Association of Local Councils (NALC) or Society of Local Council Clerks (SLCC) websites (www.nalc.gov.uk or www.slcc.co.uk) or from the members area of the Association of Drainage Authorities website (www.ada.org.uk).

Guidance notes on completing the 2011 annual return

- 1 Proper practices for preparing this annual return are found in the *Practitioners' Guides**. These publications are regularly updated and contain everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines should you wish to talk through any problem you may encounter.
- 2 Please make sure that your annual return is complete (i.e. no empty red boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are approved by the body, properly initialled and an explanation for them is provided to the auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a member or the Chair, to review your annual return for completeness before sending it off to the auditor.
- 4 Please do not send the auditor any information not specifically asked for. Doing so is not helpful. However, you must advise the auditor of any change in Clerk, Responsible Financial Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers **all** your bank accounts. If your body holds any short-term investments, please note their value on the bank reconciliation. The auditor should be able to agree your bank reconciliation to Box 8 on the Statement of Accounts. **You must provide an explanation for any difference between Box 7 and Box 8.** More help on bank reconciliation is available in the *Practitioners' Guides**.
- 6 Please **explain fully** significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The auditor wants to know that **you** understand the reasons for all variances. Please include a complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guides** to assist you.
- 7 If the auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Please make sure that your accounting statements add up! Also please ensure that the balance carried forward from the previous year (Box 7 of 2010) equals the balance brought forward in the current year (Box 1 of 2011).
- 9 **Do not complete section 3.** The external auditor will complete it at the conclusion of their audit.
