# **Durham Pension Fund Interim Governance Report**

**Report of the External Auditor** 

## **Don McLure, Corporate Director Resources**

## **Purpose of the Report**

1. The purpose of this report is to present the Durham Pension Fund Interim Governance Report.

#### **Background**

- 2. Our report is presented in line with the Committee's Terms of Reference and it duties under section 4.1.21 'To review external audit reports and the annual audit letter and ensure that there are appropriate arrangements in place to address any areas of improvement identified and to inform the operation of Council's current or future audit requirements.'
- 3. The Audit Commission's Code of Audit Practice requires that I give an opinion on the Fund's annual financial statements. This work is split into two parts, pre and post statements audit work. This report summarises my preliminary findings on pre statements work, completed from January to June 2011.
- 4. Our work identified a number of systems where controls are in place but are not operating effectively in practice, or where officers are unable to provide sufficient evidence that controls are operating effectively. Appendix 1 sets out an agreed action plan with recommendations and officer comments.
- 4. The Audit Committee has a key role in ensuring that appropriate action is taken to address the weaknesses identified. Successful implementation of actions to address these weaknesses will strengthen the Fund's financial systems.

#### Recommendation

2. That the Interim Governance Report with recommendations is noted.
