Safe Durham Partnership Plan Refresh 2015-18

Report of Rachael Shimmin, Corporate Director, Children and Adults Services

Councillor Joy Allen, Portfolio Holder for Safer Communities

Purpose of the Report

1. The purpose of this report is to present the County Council with the refresh of the Safe Durham Partnership Plan 2015-18 for agreement (attached as Appendix 3).

Background

2. The Crime and Disorder (Formulation and Implementation of Strategy) (Amendment) Regulations 2011 require that Durham County Council, along with the other responsible authorities (Durham Constabulary, Clinical Commissioning Groups, County Durham and Darlington Fire and Rescue Service, National Probation Service and the Durham Tees Valley Community Rehabilitation Company), develop and implement a Partnership Plan.
3. The Partnership Plan 2015-18 is a refresh of the previous Partnership Plan 2014-17. The next full review of the Partnership Plan will be for the period 2017-20.
4. The Crime and Disorder Reduction Strategy (known in County Durham as the Safe Durham Partnership Plan) is part of the Policy Framework in the Council's Constitution.
5. The purpose of the Safe Durham Partnership Plan is to demonstrate how the responsible authorities will work together to reduce crime and disorder across County Durham.
6. The regulations also require that the Safe Durham Partnership (SDP) carry out an annual Strategic Assessment which informs the development of the new Plan every three years and its annual refresh. This is a restricted document that is not made available publicly as it contains information from restricted police intelligence products. The SDP Strategic Assessment is used to inform the Police Strategic Assessment which is completed in January to inform the refresh of the Police and Crime Plan.
7. Following the completion of the 2014 Strategic Assessment in November 2014, no change was made to the existing strategic objectives by the Safe Durham Partnership Board, which remain aligned to the objectives within the

Sustainable Community Strategy. Each objective is managed by a multi-agency thematic group which reports to the Safe Durham Partnership Board.

8. A consultation process with partners, Area Action Partnerships and the Safer, Stronger Communities Overview and Scrutiny Committee has taken place between November 2014 and February 2015 on the priorities and outcomes contained within the draft refresh of the Partnership Plan 2015-18. Feedback was supportive of the strategic objectives and the Plan has been updated following consultation. The Safe Durham Partnership Board agreed the Plan in March 2015.

Refresh of the Safe Durham Partnership Plan (SDPP)

9. The vision of the Safe Durham Partnership is for a county **“where every adult and child will be, and will feel, safe.”** Working in partnership is essential to achieving our vision.
10. The refresh of the Partnership Plan 2015-18 describes the progress and achievements of the Safe Durham Partnership since the publication of the previous Plan. It describes how it will deliver sustainable improvements by working in partnership. The Plan describes why each objective has been prioritised, the key challenges to meeting each objective, an understanding of how the objectives will be delivered and how we will know if we have been successful.

Strategic Objectives and Outcomes Framework

11. The Strategic Objectives and Outcomes Framework for the Safe Durham Partnership Plan 2015-18 is provided below:

Strategic Objective 1: Reduce anti-social behaviour

12. The Partnership Plan also contains a number of strategic actions that identify the key areas of work that the Safe Durham Partnership will focus on, linked to objectives and outcomes.

Delivery Plan

13. The Safe Durham Partnership Plan is monitored robustly and progress is reported to the Safe Durham Partnership Board on a six monthly basis. This allows partners the opportunity to challenge each other and ensure that the thematic groups are achieving their outcomes. A quarterly performance escalation report summarising the performance of each thematic group is also reported into the Board. As well as providing performance highlights, the Board also receives information on areas for improvement.
14. In addition to performance monitoring through the Safe Durham Partnership Board a subset of performance indicators from the Safe Durham Partnership Plan is reported to the County Durham Partnership, under the “Altogether Safer” theme. Safer and Stronger Overview and Scrutiny Committee are also provided a subset basket of indicators to provide them with oversight of performance.

Recommendations and reasons

15. The County Council is recommended to:
- a. Note the contents of this report and approve the Safe Durham Partnership Plan 2015-18; and

- b. Note the Safe Durham Partnership Plan will be publicised on the Durham County Council website following agreement.
