Contract Procedure Rules

1. INTRODUCTION

1.1 What are Contract Procedure Rules?

1.1.1 The Contract Procedure Rules (CPRs) provide the framework for procurement activity across the Council, setting out how contracts for goods, works, services and utilities should be put in place and managed, and detailing the record keeping and reporting requirements related to procurement activity. They apply to all Service Groupings across the Council.

1.1.2 To avoid the need for regular amendment due to changes in post titles generic terms are included for officers as follows:

- The term “Chief Officers” refers to the Council’s Chief Executive, the Corporate Directors and the Assistant Chief Executive.
- The term “Procurement Officer” refers to any officer of the Council responsible for carrying out a procurement exercise – not just to officers with “Procurement Officer” as their job title. Any Council officer undertaking a procurement exercise is a “Procurement Officer” for the purposes of these rules.
- In addition to the above definitions, the general term “officer” refers to any employee of the Council.

1.1.3 The Contract Procedure Rules should not be seen in isolation, but rather as part of the overall regulatory framework of the Council as set out in the Constitution.

1.1.4 The content of these CPRs is supported by additional guidance and documentation contained in the Advice Centre in the “Procurement Catalogue” section of the Council intranet (henceforth referred to as the “Advice Centre”).

2. BASIC PRINCIPLES

2.1 All procurement procedures must:

- Realise value for money by achieving the optimum combination of whole life costs and quality of outcome,
- Be consistent with the highest standards of integrity,
- Operate in a transparent manner,
- Ensure fairness in allocation of public contracts,

- Support all relevant Council priorities and policies including the Medium Term Financial Plan,
- Comply with the Council's Corporate Strategy for Commissioning and Procurement, and the Sustainable Commissioning and Procurement Policy, and:
- Comply with all legislative requirements including European Union (EU) Treaty principles, which in relation to procurement are as follows:
 - transparency - contract procedures must be transparent and contract opportunities should generally be publicised;
 - equal treatment and non-discrimination - potential suppliers must be treated equally;
 - proportionality - procurement procedures and decisions must be proportionate;
 - mutual recognition - giving equal validity to qualifications and standards from other Member States, where appropriate.

2.2 These Rules shall be applied to the contracting activities of any partnership for which the Council is the accountable body unless the Council expressly agrees otherwise.

3. OFFICER RESPONSIBILITIES

3.1 Officers

3.1.1 Officers will comply with these Contract Procedure Rules (CPRs), the Council's Constitution and with all UK and EU legal requirements. Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.

3.1.2 Officers will:

- Have regard to the guidance in the Advice Centre,
- Keep the records required by Rule 19 of these CPRs,
- Take all necessary procurement, legal, financial and professional advice, taking into account the requirements of these CPRs,
- Prior to letting a contract on behalf the Council, check whether:
 - the Council already has an appropriate contract in place in the Corporate Contracts Register, or:

o an appropriate national, regional or other collaborative contract is already in place.

Where the Council already has an appropriate contract in place, then this **must** be used unless it can be established that the contract does not fully meet the Council's specific requirements in this particular case, and this is agreed following consultation with Corporate Procurement.

Where an appropriate national, regional or collaborative contract is available, consideration should be given to using this, provided the contract offers value for money.

- Ensure that when any employee, either of the Council or of a service provider, may be affected by any transfer arrangement, then any Transfer of Undertaking (Protection of Employment) (TUPE) issues are considered and legal and HR advice from within the Council is obtained prior to proceeding with the procurement exercise.

3.1.3 Failure to comply with any of the provisions of these CPRs, the Council's Constitution or UK or EU legal requirements may be brought to the attention of the Monitoring Officer, Head of Internal Audit, or relevant Corporate Director as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken.

3.1.4 In cases of non-compliance with these CPRs, the Corporate Procurement Manager may, following consultation with the officer's Head of Service, temporarily or permanently suspend any officer's access to the Oracle system, e-tendering system, and use of purchasing cards.

3.1.5 In addition, in cases of serious non-compliance, the Corporate Procurement Manager may temporarily suspend any officer's delegated authority to place contracts, and refer the matter to the Council's Chief Internal Auditor and Corporate Fraud Manager for further investigation.

3.2 Chief Officers

3.2.1 Chief Officers will:

- Ensure their Service Grouping complies fully with the requirements of these CPRs,
- Ensure contracts are recorded in the corporate Contracts Register as held and maintained by Corporate Procurement, through the use of the Procurement Acceptance Report as detailed in Rule 19,
- Ensure that their Service Grouping provides the requisite information to allow the Council to maintain the Procurement Work Programme, including

the submission of a Procurement Initial Request Form at as early a stage as possible.

Copies of the Procurement Acceptance Report and Procurement Initial Request Form are available from the Advice Centre.

4. VARIATIONS TO CONTRACT PROCEDURE RULES

- 4.1 Except where the Public Contracts Regulations (2015) apply, the Executive has the power to waive any requirements within these CPRs for specific projects.
- 4.2 Additionally, and where proceeding under a Variation does not breach the Public Contracts Regulations (2015), these Rules may be waived or varied where the circumstances are certified by the Corporate Director, Resources (advised as appropriate by the Corporate Procurement Manager) as meeting any of the following criteria:
- (a) with an organisation already engaged by the Council for a similar and related procurement and where there is significant benefit to extending the contract to cover this additional requirement, without exposing the Council to unacceptable risk;
 - (b) involving cases of genuine, unforeseen urgency, where it is not possible to comply with the CPRs;
 - (c) for the purchase of a work of art or museum specimen, to meet the specific requirements of an artistic, cultural, or performing arts event, or otherwise for the protection of exclusive rights which cannot be procured competitively due to the nature of the requirement;
 - (d) in relation to time-limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;
or
 - (e) where relevant UK or EU legislation not otherwise referred to in these CPRs prevents the usual procurement process from being followed.
- 4.3 The appropriate Officer must complete an Application for Variation, as contained within the Advice Centre, which must be authorised by their Head of Service before being submitted to Corporate Procurement. Corporate Procurement will review the Application for Variation before obtaining a decision from the Corporate Director, Resources (or other officer as delegated).

- 4.4 Committing to expenditure with a supplier, without a valid contract or a Variation in place, is a breach of these CPRs. Therefore, where a Variation is being sought retrospectively, for expenditure to which a Service Area has already, the retrospective application must be authorised by their Corporate Director, to make them aware of the breach, before it is submitted to Corporate Procurement.
- 4.5 Every Variation form will be recorded on a master register to be maintained by Corporate Procurement.
- 4.6 Where a Variation is being applied for by Corporate Procurement, it must also be scrutinised by Internal Audit, to ensure the robustness of the procedure.
- 4.7 The use of e-procurement does not negate the requirement to comply with all elements of these CPRs. The circumstances under which an exemption to the use of e-procurement can be requested are detailed in Rule 12.

5. EXEMPTIONS

- 5.1 The following contracts and/or payments are exempt from these CPRs:

- (a) Contracts for the execution of mandatory works by statutory undertakers, where the statutory undertaker is the only body which can perform the works. Such statutory undertakers include:

 - iii. Northern Gas Networks – specifically for gas supply infrastructure works;
 - iv. Northern Powergrid – specifically for electricity infrastructure works;
 - v. Northumbria Water – specifically for water and sewerage infrastructure works;
 - vi. Highways England – specifically for works to the core road network under their management;

In addition, certain other organisations may be regarded as statutory undertakers in very specific circumstances, where works are required, involving disruption to, or re-siting of, existing infrastructure which they own and/or operate, particularly:

- vii. Any other telecoms provider for works to specifically-licensed mobile telecoms infrastructure which they own;
- viii. Any Independent Distribution Network Operator (IDNO) for works to electricity infrastructure they own.

- (k) Contracts of employment which make an individual a direct employee of the authority;
- (l) A staff secondment, where an employee of another organisation shall work on a Council project, on a temporary basis, but where they will not become an employee of the Council;

NB: While the CPRs do not apply to staff secondments, authorisation to proceed must be obtained from Human Resources, and the terms of the secondment appropriately documented.

- (m) Contracts for legal representation by a lawyer (advocate, barrister, or solicitor) in arbitration or conciliation proceedings, judicial proceedings before the courts, tribunals or public authorities of a EU member state or third country or before international courts, tribunals or institutions;
- (n) Payments for legal advice given by a lawyer in preparation for, or connected to, any of the proceedings mentioned in (m) above;

(q) Fees payable to Phonographic Performance Ltd or PRS for Music, for the playing of recorded music in public, or for the use of the musical composition and lyrics in that recording.

(r) Agreements regarding the acquisition, disposal, or transfer of land (to which the Financial Procedure Rules apply), or:

(s) The payment of grants to third parties.

NB: While grants are not covered by these CPRs, there are rules on the awarding of grants which do need to be observed. The Council cannot simply choose to treat a procurement as a grant in order to avoid conducting a competitive process. Officers should follow any guidance contained in the Advice Centre.

- Which have been procured on the Council's behalf by a Central Purchasing Body, where the process followed is in line with the Public Contracts Regulations (2015) (e.g. the North East Procurement Organisation, another Pro5 Organisation, or Crown Commercial Service).
- Those relating to special educational needs, urgent social care contracts or urgent operational needs, if in the opinion of the relevant Corporate Director it is considered to be in the Council's interests or necessary to meet the authority's obligations under relevant legislation. Use of this exemption by the relevant Corporate Director must be followed up with a Procurement Acceptance Report as detailed in Rule 19.
- Those relating to residential and/or nursing care to a person or persons to whom the Council has a duty or power to provide under the Care Act 2014 and other relevant legislation relating to social care, health and mental health.

6. RELEVANT CONTRACTS

6.1 All Relevant Contracts must comply with these CPRs. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the supply of goods, or the carrying out of works or services.

These include arrangements for:

- The supply or disposal of goods,
- The hire, rental or lease of goods and equipment,
- The delivery of services, including (but not limited to) those related to:

- the recruitment of staff
- land and property transactions
- financial and consultancy services

6.2 A contract awarded under a Variation to these CPRs (as per Rule 4) remains a Relevant Contract in all aspects other than those elements of the CPRs which were specifically waived.

7. RISK ASSESSMENT

7.1 All procurements with a likely total value of £50,000 or greater, as well as lower value procurements where appropriate, must be supported by a risk assessment. This risk assessment must be carried out by the Service Area requesting the procurement, at the start of the procurement process.

7.2 The risk assessment process will identify where further specialist advice should be sought.

7.3 In order to ensure the Council meets its duties under the Public Services (Social Value) Act 2012, the risk assessment must include an appraisal of the opportunities to address social value outcomes through the proposed procurement.

7.4 Full details of the process to be followed, including the approved risk log, matrix, and social value options appraisal, are available in the Advice Centre.

8. PRE-TENDER MARKET TESTING AND CONSULTATION

8.1 The Council may consult potential suppliers, prior to the issue of the Invitation to Tender or Request for Quotation, in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential organisation.

8.2 When engaging with potential suppliers, the Council must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, and where this may prejudice the equal treatment of all potential bidding organisations or distort competition.

8.3 In undertaking any market testing activities, the Officer responsible should refer to any guidance contained in the Advice Centre.

9. COMPETITION REQUIREMENTS

9.1 Competition Requirements

9.1.1 The Procurement Officer must establish the total value of the procurement including whole life costs and incorporating any potential extension periods which may be awarded.

- 9.1.2 Based on this value, quotations or tenders must then be invited, and appropriately advertised, in line with the financial thresholds detailed in the Advice Centre.
- 9.1.3 Where the Public Contracts Regulations (2015) apply (i.e. for any contracts likely to exceed the relevant OJEU threshold), the Procurement Officer must determine, prior to advertising, whether the contract is to be divided into lots. If it is decided not to subdivide the contract into lots, the reason for this decision must be recorded in the Procurement Acceptance Report required by Rule 19.
- 9.1.4 Where the Public Contracts Regulations (2015) apply (i.e. for any contracts likely to exceed the relevant OJEU threshold), the Procurement Officer shall consult Corporate Procurement to determine the procedure for conducting the procurement exercise.

9.2 Negotiation with a Single Supplier (below OJEU)

- 9.2.1 In exceptional circumstances, a contract which will not exceed the relevant OJEU threshold may be awarded without a competitive procurement, via direct negotiation with a single supplier, following a similar process to the EU Negotiated Procedure without prior publication.
- 9.2.2 Such an award may **only** be made directly by, or with written approval from, Corporate Procurement, and **only** in the following circumstances:
- (a) for the purchase of goods which are patented or have such special technical characteristics that they may be considered unique, and where these goods are only available from one supplier.
- (Note that the presence of a patent alone does not permit the use of this procedure – many patented products are available from more than one supplier);
- Or:
- (b) for the execution of works or services involving unique, highly specialist knowledge or skills and where it can be demonstrated that only one organisation possesses the required knowledge or skills:
- Or:
- (c) for the execution of works or services, where there is considerable benefit to the Council in negotiating with a particular proposed supplier, and where this does not expose the Council to unacceptable risk.

Or:

(d) where an open or restricted Tender, or an openly-advertised Request For Quotation, has been undertaken, and in which no compliant bids were received.

9.2.3 The use of this process may be invalidated by prior negotiation or discussion (of any kind), between a Service Area and a proposed supplier, without the involvement of Corporate Procurement, where such negotiation may distort or restrict the potential market or otherwise prejudice the Council's position. Corporate Procurement reserves the right to refuse the award of a contract via this process where such unauthorised negotiation has taken place.

9.2.4 Contracts awarded under the provisions of this Rule may have a duration of no more than three years.

NB Note that when using Rule 9.2 above, no contract may be entered into until the relevant notification has been issued by Corporate Procurement, as set out in Rule 19.3.

10. INVITATION TO TENDER / REQUEST FOR QUOTATION

10.1 Invitations to Tender, Requests for Quotation and Quick Quotes must be issued in accordance with the requirements of these CPRs, with particular attention to Rule 7, Rule 9 and Rule 17. The Procurement Officer must ensure they are familiar with, and adhere to, the minimum current threshold values, as published on the Advice Centre.

10.2 Above the single quotation threshold of £5,000, all Invitations to Tender, Requests for Quotation and Quick Quotes must be issued via the Council's e-tendering system. Procurement documents must be issued via the e-tendering system.

10.3 In exceptional cases, where specific circumstances mean that a procurement process cannot be carried out electronically or, for example, where there is a failure of the electronic system, permission to conduct a procurement process by alternative means must be obtained from the Corporate Procurement Manager using the relevant exemption form. This can be found in the Advice Centre. This exemption must be sought before requesting quotations or tenders.

11. SHORTLISTING

11.1 Any shortlisting (i.e. Pre-Qualification Questionnaire (PQQ)) must have regard to the economic, financial and technical standards relevant to the contract and the Evaluation Criteria. Special rules apply to contracts covered by the Public Contracts Regulations (2015). Officers should refer to any further guidance contained in the Advice Centre.

- 11.2 Where the likely value of the procurement is less than the OJEU threshold for *goods and services* (even where the contract is not for goods or services), no shortlisting phase or PQQ may be used.
- 11.3 Where applying financial turnover threshold as a shortlisting criteria, the threshold used must be no more than two times the estimated total value of the proposed contract.
- 11.4 When shortlisting as part of a restricted tender process, a minimum of five bidding organisations should be shortlisted to tender, except in cases where fewer than five compliant PQQ responses are received.

12. SUBMISSION, RECEIPT AND OPENING OF TENDERS / QUOTATIONS

12.1 Tenders

- 12.1.1 Bidding organisations must be given an adequate period in which to prepare and submit a proper quotation or tender, consistent with the complexity of the contract requirements. Where the Public Contract Regulations (2015) apply, Chapter 2 of the Regulations lays down specific minimum time periods for tenders.
- 12.1.2 As in Rule 10 (above) tenders, except those which have been approved as exempt from electronic tendering, must be submitted electronically via the e-tendering system. Tenders submitted by any other means must not be accepted.

12.2 Quotations

- 12.2.1 As in Rule 10 (above), responses to Requests for Quotation and Quick Quotes must be submitted electronically via the e-tendering system, except where specifically exempt under Rule 10.3. Quotations submitted by any other means must not be accepted.

12.3 Electronic Arrangements

- 12.3.1 Quotations, Further Competition bids and Pre-Qualification Questionnaires which are received electronically via the e-tendering system will be opened by the Procurement Officer. The system will not allow any quotations to be opened until the allocated return date / time has passed.
- 12.3.2 Tenders which are received electronically via the e-tendering system will be opened by a representative from Legal & Democratic Services.

12.4 Hard Copy Arrangements

- 12.4.1 In the event that 'hard copy' tenders are to be accepted (see Rule 10 and Rule 12.1.2 of these CPRs for guidance) these must be submitted, sealed, in the envelope provided with the procurement documents and sent by recorded

delivery, addressed to the Head of Legal & Democratic Services at the Council's registered business address, without any mark revealing the bidding organisation's identity. Hard copy tenders submitted by any other means will not be accepted.

12.4.2 All hard copy tenders will be held by the Head of Legal & Democratic Services until the tender opening date/time has been reached.

12.4.3 All hard copy tenders for the same contract will be opened at the same time by a representative of the Chief Officer who invited the tenders and a representative from Legal & Democratic Services. A register of tenders received will be kept by Legal & Democratic Services and will be initialled on each occasion by the officers who are present at the opening of the tenders.

12.4.4 In the event that hard copy quotations are to be accepted (see Rule 10 and Rule 12.2.1 of these CPRs for guidance) these must be submitted in a plain envelope marked 'Quotation for....' followed by a description of the goods, works or services being procured.

12.4.5 Hard copy quotations will be received directly by Service staff. All quotations must be opened together once the official return date / time has been passed.

13. EVALUATION CRITERIA AND STANDARDS

13.1 Evaluation Criteria

13.1.1 In any procurement exercise the successful bid should be the one which either:

- Offers the lowest price, or:
- Offers the most economically advantageous balance between quality and price.

In the latter case, the Council will use criteria linked to the subject matter of the contract to determine that an offer is the most economically advantageous, for example: price, quality, technical merit, aesthetic and functional characteristics, environmental characteristics, running costs, cost effectiveness, after-sales service, technical assistance, delivery date, delivery period and period of completion.

13.1.2 Issues that are important to the Council in terms of meeting its corporate objectives can be used to evaluate bids. The criteria can include, for example sustainability considerations, support for the local economy, or the use of subcontractors. The bidding organisations' approaches to continuous improvement and setting targets for service improvement or future savings could also be included. All criteria must relate to the subject matter of the contract, be in line with the Council's corporate objectives and must be objectively quantifiable and non-discriminatory.

13.1.3 These criteria should be assessed through either:

- Essential Criteria – assessed on a pass / fail basis, or:
- Technical Questions – assessed on a scored basis.

13.1.4 The procurement documentation should clearly explain the basis of the decision to bidding organisations, making clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.

13.2 Evaluation Panel

13.2.1 The Procurement Officer should establish an evaluation panel for the assessment of any Technical Questions at shortlisting and/or Invitation To Tender stages. Each element of the evaluation may have its own panel, provided that all of the responses to each Technical Question are evaluated by the same panel members.

13.2.2 The panel should have at least two members. The Procurement Officer should act as moderator, and may also take part in the evaluation.

Officers should refer to any further guidance in the Advice Centre.

13.3 Standards

13.3.1 Relevant British, EU and International standards which apply to the subject matter of the contract and which are necessary to properly describe the required quality must be included with the contract.

Officers should refer to any further guidance in the Advice Centre.

14. CLARIFICATION PROCEDURES

14.1 The Council can ask bidding organisations for clarification of any details submitted as part of their bid. However, any such clarification must not involve changes to the basic features of the bidding organisation's submission.

14.2 Clarification questions must be raised via the e-tendering system. Bidders must also be asked to respond via the e-tendering system. In cases where an e-tender exemption has been granted under Rule 10.3, the Council should ensure any clarifications are requested in writing, or by e-mail, and bidding organisations asked to respond by the same means.

14.3 When requesting clarification, the Procurement Officer must follow any additional guidance contained in the Advice Centre.

15. EVALUATION, AWARD OF CONTRACT, AND DEBRIEFING OF ORGANISATIONS

15.1 Evaluation

15.1.2 The evaluation of bids must be conducted in accordance with the evaluation criteria set out in the procurement documents provided to bidding organisations. Evaluation should be conducted in line with Rules 13.1 and 13.2 above, and with regard any guidance detailed in the Advice Centre.

15.2 Award of Contract

15.2.1 The Council is required to notify successful and unsuccessful bidders of the outcome of a procurement process, in writing, in as timely a fashion as possible. These written notifications should be transmitted via the e-tendering system unless a specific exemption has been granted under Rule 10.3.

15.2.2 Where procurement has been subject to the Public Contract Regulations (2015), the Alcatel Standstill (a 10 day standstill period before a contract can be awarded to allow an unsuccessful bidding organisation an opportunity to challenge the proposed contract award) shall be included in the procurement timetable, and observed before the contract can be awarded. Full information regarding the Alcatel Standstill is contained within the Advice Centre.

15.2.3 Decisions on award of contract must be made in accordance with the scheme of delegations in Part 3 of the Constitution.

15.3 Debriefing

15.3.1 The written notifications sent to bidders, in accordance with Rule 15.2.1 above, shall include feedback explaining the outcome of the evaluation process, with specific reference to the evaluation criteria, so that bidders can understand why they were, or were not, successful.

15.3.2 The Procurement Officer should follow any additional guidance in the Advice Centre.

16. CONTRACT DOCUMENTS

16.1 Format of Contract Documents

16.1.1 The Council's harmonised procurement documents or conditions issued by a relevant professional body will be used. Where there is any deviation from these, the documents to be used must be reviewed by Legal Services before being issued. These are available from Corporate Procurement or Service Area procurement staff detailed in the Advice Centre.

16.2 Contract Signature

16.2.1 Contract agreement must:

- (a) Where the contract is in the form of a deed, be made under the Council's seal and attested as required by the Constitution, or:

- (b) Where the contract is in the form of an agreement, either:
- (i) be signed by at least two officers of the Council authorised as required by the Constitution, or:
 - (ii) be formalised by the sending of an award letter **and** the subsequent issuing of a purchase order.

The Procurement Officer should also follow any guidance on the use of deeds and agreements to form contracts found in the Advice Centre.

- Where the terms laid down in the Framework Agreement are not precise or complete enough for the particular call-off, by holding a further competition in accordance with the following procedure:
 - inviting the organisations within the Framework Agreement, that are capable of executing the subject of the contract, to submit bids electronically via the Further Competition step on the e-tendering system, with an appropriate time limit for responses, taking into account factors such as the complexity of the subject of the contract,

18.3 Where it is identified, as a result of the above procedure, that a sub-contractor is in breach of any of the mandatory grounds for exclusion, the supplier must be required to dismiss that sub-contractor from any involvement in the contract. The supplier should appoint a replacement sub-contractor, for which the information in 18.2 above must then be obtained and verified.

**CODE OF CONDUCT
FOR MEMBERS**

Adopted by Durham County Council on 25 July 2012

CODE OF CONDUCT FOR MEMBERS

The County Council of Durham Code of Conduct for Members

The County Council of Durham (“the Council”) has adopted the following code which has effect from 26th July 2012 and which sets out the conduct that is expected of elected and co-opted members of the Council when they are acting in that capacity.

This means the code applies whenever you (a) conduct the business of the Council (including the business of your office as an elected councillor or co-opted member) or (b) act, claim to act or give the impression you are acting as a representative of the Council.

‘Co-opted member’ means any person who is a member of any committee or sub-committee of the Council with a right to vote but is not one of its elected members

The code is intended to be consistent with Nolan’s Seven Principles of Public Life, and should be read in the light of those principles, namely that Council Members will act with selflessness, integrity, objectivity, accountability, openness, honesty and leadership. Those Principles are not part of this Code but are set out in full at Annex 1 for information.

Part 1 - General Conduct

1. You must treat others with respect, including Council officers and other elected members.
2. You must not bully any person (including specifically any Council employee) and you must not intimidate or improperly influence, or attempt to intimidate or improperly influence, any person who is involved in any complaint about any alleged breach of this code of conduct
3. You must not do anything which compromises or is likely to compromise the impartiality of anyone who works for or on behalf of the Council.
4. You must not conduct yourself in a manner which could reasonably be regarded as bringing the Council, or your office as a member of the Council, into disrepute.
5. You must not use or attempt to use your position as a member improperly to confer on or secure for yourself or any other person any advantage or disadvantage.
6. You must comply with any Protocol adopted by the Council which seeks to regulate the conduct of its elected members or co-opted members and which the Council has specifically declared should fall within the provisions of this code of conduct and which is listed in Annex 4 to this Code.

7. When using or authorising the use by others of the resources of the Council, you must act in accordance with the Council's reasonable requirements (as set out in such protocol as it may adopt from time to time for these purposes) and must ensure they are not used for party political purposes.
8. You must not prevent, or attempt to prevent, another person from gaining access to information to which they are entitled by law.
9. You must not disclose information which is given to you in confidence, or information which you believe or ought reasonably to be aware is of a confidential nature, unless:
 - (a) You have the consent of a person authorised to give it; or
 - (b) You are required by law to do so; or
 - (c) The disclosure is made to a third party for the purpose of obtaining professional advice, provided that the third party agrees not to disclose the information to any other person; or
 - (d) The disclosure is reasonable and in the public interest and made in good faith.
10. Where you have been involved in making any decision by the Council which is subsequently subject to scrutiny by an overview and scrutiny committee of the Council, you must not take part in that scrutiny process except to the extent you may be invited by the committee to give evidence to, or otherwise assist, it. In this paragraph, 'scrutiny' means the formal examination of a policy or decision previously approved or taken by or on behalf of the Council in order to reach a view as to its merits or effectiveness.

Part 2 - Registration of interests

11. You must register in the Council's Register of Members Interests information about your registerable personal interests. In this code of conduct 'your registerable personal interests' means
 - (a) any Disclosable Pecuniary Interest as set out in Annex 2; or
 - (b) any other interest held by you as set out in Annex 3.

You must register information about your registerable personal interests by giving written notice to the Monitoring Officer, who maintains the Register, within 28 days of:

- your appointment as a member of the Council; and
- any change taking place in your registerable personal interests.

(Note: Failure without reasonable excuse to register a Disclosable Pecuniary Interest is a criminal offence under section 34 Localism Act 2011 as well as being a breach of this code)

Where you think that disclosure of the details of any of your registerable personal interests could lead to you, or a person connected with you, being subject to violence or intimidation, the Monitoring Officer may at your request make a note on the Register that you have a personal interest, details of which are withheld.

Part 3 – Non-registerable interests

12. You will have a non-registerable personal interest when you attend a meeting of the Council or Cabinet, or one of their committees or sub-committees, and you are, or ought reasonably to be, aware that a decision in relation to an item of business which is to be transacted might reasonably be regarded as affecting your well being or financial position, or the well being or financial position of a person described in paragraph 13 to a greater extent than most inhabitants of the area affected by the decision.

13. The persons referred to in paragraph 12 are:

- (a) a member of your family;
- (b) any person with whom you have a close association;
- (c) in relation to persons described in (a) and (b), their employer, any firm in which they are a partner, or company of which they are a director or shareholder.

(Note:

- (a) "A member of your family" means: your partner (i.e. your spouse, civil partner or anyone with whom you live in a similar capacity); your parent or parent-in-law; any child, stepchild or sibling of you or your partner; your grandparent, grandchild, aunt, uncle, nephew or niece; and the partners of any of those people.
- (b) You have a "close association" with someone if your relationship is such that a reasonable member of the public might think you would be prepared to favour or disadvantage that person when deciding a matter which affects them).

14. When you attend a meeting of the Council or Cabinet, or one of their committees or sub-committees, and you are aware that you have a non-registerable interest in an item of business (as defined in paragraph 12) you must disclose that interest to the meeting before consideration of that item begins or (if later) when you become aware of the interest.

Part 4 - Non-Participation in Council Business

15. When you attend a meeting of the Council or Cabinet, or one of their committees or sub-committees, and you are aware that you have a Disclosable Pecuniary Interest or you are aware that the criteria set out in paragraph 16 are satisfied in relation to any matter to be considered, or being considered at that meeting, you must :

Declare that fact to the meeting;

- (a) Not participate (or further participate) in any discussion of the matter at the meeting; and
- (b) Not participate in any vote (or further vote) taken on the matter at the meeting;
- (c) Leave the room whilst the matter is being discussed.

16. The criteria for the purposes of paragraph 15 are that:

- (a) You have a registerable or non-registerable personal interest in the matter which is such that a member of the public knowing the relevant facts would reasonably think it so significant that it is likely to prejudice your judgement of the public interest; and either
- (b) The matter will affect the financial position of yourself or one of the persons or bodies referred to in paragraph 13 or in any of your register entries; or
- (c) The matter concerns a request for any permission, licence, consent or registration which relates to or affects any of the persons referred to in paragraph 13 or in any of your register entries.

17. If a Council function can be discharged by you as a member acting alone and you are aware you have a registerable or non-registerable personal interest in any matter to be dealt with by in that way which meets the criteria set out in paragraph 16, you shall not deal with that matter in any way (except to enable it to be dealt with by someone else).

(Note: Failure, without reasonable excuse, to comply with paragraphs 15 to 17 in relation to a Disclosable Pecuniary Interest is a criminal offence under section 34 Localism Act 2011 as well as being a breach of this code)

18. Paragraphs 15 to 17 do not apply if (i) you have a relevant dispensation under section 33 of the Localism Act 2011 or (ii) the matter in question relates to any of the following functions of the Council:

- (a) housing, where you are a Council tenant provided the matter does not relate particularly to your tenancy or lease;
- (b) school meals or school transport, where you are a parent or guardian of a child in full-time education or a parent governor of a school, unless the matter relates particularly to the school your child attends;
- (c) statutory sick pay where you are in receipt of, or entitled to receipt of, such pay;
- (d) an allowance, payment or indemnity given to members;
- (e) any ceremonial honour given to members; and
- (f) setting council tax or a precept under the Local Government Finance Act 1992.
