Reference: MR JOSEPH CUNNINGHAM.
Cragwood Caravan Park,
Ramshaw,
Bishop Auckland.

Character Reference.

This is to confirm that I have known Mr Cunningham for almost 12 years.

I have business premises & live in Erenwood, Mr Cunningham and his family have been customers since we started business.

Over the years Mr Cunningham has always been a friendly and loyal customer. He and members of his family are known to our staff, who deal with them on almost a daily basis.

Mr Cunningham has built up his business and developed the Caravan Park to a high standard. The recent re-inventing of the "Bridge Inn" and his dedication to making a success of his ventures has been remarkable.

Mr Cunningham is an extremely hard worker, in my view he is honest, committed to the community, a good employer and a good citizen.

Yours Sincerely

ERIC JORDAN
