School Admission Arrangements Academic Year 2018/2019

KEY DECISION: CYPs/01/16

Report of Corporate Management Team

Margaret Whellans, Corporate Director of Children and Young People's Services

Councillor Ossie Johnson, Cabinet Portfolio Holder for Children and Young People's Services

Purpose of the Report

- 1 To ask Cabinet to consider and approve the proposed admission arrangements for Community and Voluntary Controlled Schools for the 2018/19 academic year.

Background

- 2 It is a mandatory requirement of the national School Admissions Code that all schools must have admission arrangements that clearly set out how children will be admitted, including the criteria that will be applied if there are more applications than places at the school (oversubscription). Admission arrangements are determined by admission authorities. The Local Authority (LA) is the admission authority for Community and Voluntary Controlled Schools, while the Governing Body is the admission authority for Voluntary Aided and Foundation Schools and the relevant Trust for an Academy or Free School.
- 3 All admission authorities must agree admission arrangements annually. Where changes are proposed to admission arrangements the admission authority must first consult on those arrangements. If there are no changes proposed they only need to be consulted on at least every 7 years. Consultation must be for a minimum of 6 weeks and must take place between 1 October and 31 January of the year before those arrangements are to apply. This consultation period allows parents, other schools, religious authorities and the local community to raise any concerns about proposed admission arrangements.
- 4 Stakeholders are consulted on:
 - (a) the number of pupils to be admitted in each year group (the proposed admission number);
 - (b) the application and administrative procedures for admissions, including LA co-ordination with other admission authorities;
 - (c) the criteria to be used in the event of over-subscription;

Consultation for admissions for September 2018/2019 academic year

- 5 There were no changes proposed to the current admission arrangements for Community and Voluntary Controlled schools that required public consultation, other than where it is proposed that some schools have a reduction in the admission number for the purposes of efficient and effective curriculum delivery. All Governing Bodies/Trusts have considered the proposed admission number for their school. The proposed admission number for each Community and Voluntary Controlled School is detailed in Appendix 2 of this report which Cabinet is asked to approve. The admission numbers for Voluntary Aided, Foundation schools, Academies and the UTC, South Durham are included for information. Consultation was undertaken between 1 October 2016 and 21 November 2016 on schools where a reduction to the admission number was proposed. Schools have responded and the recommended PANs are detailed in Appendix 2.
- 6 All Governing Bodies/Trusts have also considered and agreed to the co-ordinated admission schemes that will govern the administrative processes for the 2018/19 academic year, see Appendix 3. These are unchanged from last year. Since a new School Admissions Code was published in December 2014 all admission authorities in Durham have followed advice issued by the Department for Education (DfE) at the same time in relation to the admission of summer born children outside of the normal year of entry. The process is detailed in the co-ordinated admission scheme for primary schools in Appendix 3.
- 7 The oversubscription criteria in respect of Community and Voluntary Controlled schools, for which no changes are proposed, are included in Appendix 3.

Statutory Requirements and Future Implications

- 8 It is a statutory requirement of all admission authorities that admission arrangements for 2018/2019 are determined by 28 February 2017 and these must be published on their website not later than 15 March 2017. The LA must receive a copy of the admission arrangements of other admission authorities, including Academies, before 15 March 2017 and provide details on its website of where these can be viewed. Information on how to refer objections to the Schools' Adjudicator will also be available on the website.
- 9 The LA must publish online, with hard copies available for those who do not have access to the internet, a composite prospectus for parents by 12 September 2017, which contains the admission arrangements for each of the state-funded schools in the LA area to which parents can apply.
- 10 The LA would be in breach of a statutory duty if admission arrangements were not determined by 28 February 2017 and published on the Council's website by 15 March 2017.

Recommendations

- 11 Cabinet is asked to agree the following recommendations in respect of Community and Voluntary Controlled schools, when determining the admission arrangements for 2018/19:
- (a) That the proposed admission numbers as recommended in Appendix 2, be approved.
 - (b) That the admission arrangements, at Appendix 3, be approved.

DURHAM COUNTY COUNCIL

ADMISSION ARRANGEMENTS

2018/19

OVERVIEW OF APPLICATION PROCEDURES FOR ADMISSION TO ALL SCHOOLS

1. For all schools, parents/carers must be invited to express at least 3 preferences on a common application form, in the rank order they wish their child to receive an offer of a place, and invite parents to give their reasons for each preference. This form is obtainable from the LA's School Admissions Team and the County Council's website. Parents/carers can also apply through the on-line admissions application system accessed via the County Council website. Applications should be submitted to the LA by the published closing date. Places at any school are offered on the basis of equal preference rank order and where an offer is made it is for the highest ranked school at which the LA is able to offer a place.
2. The LA must inform other admission authorities of any application made for their schools and pass on any relevant supporting information, excluding parental preference of rank order information. Each preference must be considered by the admission authority of the school concerned, where appropriate. The school should then provide the LA with a list of all children who have applied for a place, ranked in order of priority under the school's admission arrangements.
3. Parents/carers who are resident in one LA but who wish to apply for a place at a school maintained by another LA apply for a place through the maintaining LA's common application form. Neighbouring LAs must inform each other of applications received in respect of children from their LA area who wish to obtain a school place in another LA area.
4. The LA will then compare the lists for all schools in its area. When a child is eligible for a place at only one of the preferred schools, a place at that school will be offered to the child. Where the child is eligible for a place at two or more of the preferred schools, they will be offered a place at whichever school is the highest ranked. Where the LA cannot offer a place at any of the preferred schools, the offer of a place will be made at the nearest school to the parental address that has places available.
5. If an application is unsuccessful, upon request a child's name may be placed on a waiting list which is kept for the full academic year. The position on the waiting list is determined in accordance with the published oversubscription criteria with no reference to length of time on the waiting list. If a place subsequently becomes available, the place will be offered to the next child on the waiting list. Parents/carers are also offered the right of appeal if they are not satisfied with the offer of a place.
6. The LA will accept applications which are received late only when there is evidence of a very exceptional circumstance which prevented submission by the stated deadline and only if the application is received before offers of places are made. These will then be treated in the same way as all other applications. In the event of a late application not being accepted or receipt is after the offer of places has been made, then places will be offered at the nearest school with places available.
7. All applications for school places during the normal admission round must be co-ordinated by the maintaining LA. LAs must develop a co-ordinated admission scheme by 1 January 2018 and implement the scheme on 1 September 2018.

2018-19 CO-ORDINATED ADMISSION SCHEME - PRIMARY

This Scheme is made by Durham County Council (Durham LA) under The School Admissions (Admission Arrangements and the Co-ordination of Admission Arrangements) (England) Regulations 2014.

A separate Scheme exists in relation to secondary schools.

Interpretation

1. In this Scheme -

“The LA” means Durham County Council acting in its capacity as local education authority.

“The LA area” means the area in respect of which the LA is the local education authority.

“School” means a Community, Voluntary Controlled, Foundation, or Voluntary Aided school or an Academy.

“Admission Authority” means the LA in respect of any of the schools which is a Community or Voluntary Controlled school, the Governing Body of the school in respect of a Voluntary Aided school or a Foundation school and the relevant Trust for an Academy.

“Parent” means any person who holds parental responsibility for a child and with whom the child normally lives.

“Suitable school” means the nearest available school which offers an efficient full-time programme of education appropriate to the individual child’s age, ability, aptitude and any special educational needs, in the view of the Authority.

2. The Scheme shall be determined and processed in accordance with the provisions set out in Schedule 1 and the timetable set out in Schedule 2.
3. The Scheme will apply for the admission arrangements for the school year commencing September 2018.
4. The Scheme shall apply to every primary school in the LA area (except special schools).

SCHEDULE 1

PART 1 - THE SCHEME

1. There will be a common application form supplied by the LA for the purpose of enabling parents living in County Durham to express up to three preferences for their child to be admitted to a primary, infant and, where appropriate junior school in County Durham or to a school or schools in another LA area for the academic year 2018/19
2. The common application form must be used as a means of expressing one or more preferences for the purposes of Section 86 of the School Standards and Framework Act 1998 by parents resident in the LA area wishing to express a preference for their child:
 - a. to be admitted to a maintained primary school and Academy within the LA area (including Voluntary Aided Schools).
 - b. to be admitted to a maintained primary school and Academy located in another LA's area (including Voluntary Aided Schools).
3. The common application form will invite the parent to express up to three preferences including where relevant any schools outside the LA's area, in the rank order in which they wish their child to receive an offer of a place, and invite parents to give their reasons for each preference.
4. The common application form will explain that the parent will receive no more than one offer of a school place. Furthermore, that places at any oversubscribed school will be offered on the basis of equal preference rank order and that where an offer is made it would be for the highest ranked school at which the LA as the admission authority or on behalf of the admission authority of a Voluntary Aided School or an Academy, was able to offer a place. Annex 1 lists those Governing Bodies/Trusts which are the Admission Authority for schools or Academies to which this Scheme applies.
5. The common application form will explain that where the LA could not offer a place at any of the preferred schools, the offer of a place will be made at the nearest school to the child's home address that has a place available.
6. The common application form will specify a closing date and where it must be returned. Governing Bodies of Aided Schools or the relevant Trust for Academies, as the Admission Authority, must notify the relevant LA of any application made direct to them in error whether or not the parent lives in County Durham.
7. The LA will make appropriate arrangements to ensure that a common application form is available on request from the LA and from its website. The facility to apply on-line will also be made available via the LA's website.
8. The common application form will include a supplementary section to be completed by parents who express a preference for a Voluntary Aided School to enable them to provide any relevant additional information.

Processing of Applications

9. Completed applications should be made to the LA by 15 January 2018.
10. Completed applications which are received for very good reason after the closing date will be accepted and treated as on time applications provided they are received before 13 March 2018, the date the allocation procedures begin. Examples of good reason include: when a single parent has been ill for some time, or has been dealing with the death of a relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a County Durham property as the main property will be required in these cases). Other circumstances will be considered and each case decided on its own merits. Parents must, however, provide clear evidence for the LA to consider as to why they could not submit an application during the preference period. The determination of the LA will be final.

Determining offers in response to the application

11. The LA will make the offer of a school place to the parent of every child living in County Durham commencing primary education in September 2018 who applies for a place at a maintained school/Academy.
12. The LA will determine the offer of a potential place for Community and Voluntary Controlled schools in County Durham in its capacity as the Admission Authority **having no regard to order of preferences**. For Voluntary Aided Schools, Academies or schools in another Local Authority area, the relevant Admission Authority will inform the LA of the potential offer of a place*. Durham LA will then be responsible for making the offer of a place in accordance with paragraphs 4 and 15 of this Scheme.
13. By 6 February 2018, the LA will provide the Admission Authority for each of the schools indicated on the common application form with a copy of the common application form (electronic applications will be provided via the School Admissions Module), **excluding parental preference information***.
14. By 6 March 2018, the Admission Authority for each school will provide the LA with a list, in rank order, in accordance with their admission criteria, of all pupils who applied for a place at the school, indicating those who can be offered a place and those (if any) who cannot*. The LA will then match this ranked list against the ranked list of the other schools nominated.
15. By 13 March 2018, the LA will match the provisional offers of places against each parent's ranking and proceed as follows:
 - Where the child is eligible for a place at only one of the preferred schools, a place at that school will be offered to the child.
 - Where the child is eligible for a place at two or more of the preferred schools, they will be offered a place at whichever school is the highest ranked.
 - Where none of the preferences can be met, the child will be offered a place at the nearest suitable school with a place available.

16. No later than 13 March 2018 the LA will inform other LAs of places in County Durham schools/Academies to be offered to their residents and on 16 April 2018 the LA will inform its schools/Academies of the pupils to be offered places at their schools/Academies.
17. On 16 April 2018, the LA will communicate to all parents in County Durham to whom the offer of a place can be made, notifying them of the offer of a place at:
 - a. one of the preferences on the common application form; or
 - b. the nearest suitable school with places available.
18. The LA's communication will ask parents to confirm their acceptance of the place and inform them that if they are not satisfied with the offer of a place they have the right of appeal if they so wish. The communication will include contact details for the LA and those nominated Voluntary Aided schools or Academies where they could not be offered a place, so that they can if they wish lodge an appeal with the Governing Body or Academy Trust. The communication will also give parents the opportunity of having their child's name placed on the waiting list for a place at the preferred school(s). The communication will also state, where relevant, why a place could not be offered at a higher ranked school.
19. Parents will be sent a reminder 2 weeks after the offer date (16 April 2018) allowing a further 7 days to respond to the request that they confirm their acceptance of the place.
20. On 8 May 2018 the LA will reallocate any places that may have become available since 16 April 2018, strictly in accordance with the relevant published oversubscription criteria and in the following order of priority:
 1. those who have been offered a school place but who ranked the school at which a place has now become available higher on the common application form than the school at which they were offered a place on 16 April 2018 and who have confirmed that they still wish to be offered a place at the higher ranked school,
 2. those who have not been offered any school place because their applications were received late i.e. after 13 March 2018 (see paragraph 23) and those who have been offered a school place but who now wish to apply for a place at an alternative school,
21. From 9 May 2018, parents may ask for their child's name to be kept on a waiting list for an oversubscribed school to be offered places if they become available. The waiting lists for all schools/Academies/ will be maintained by the relevant admission authority* and any places which become available will be offered strictly in accordance with the published admission criteria of the appropriate admission authority. Waiting lists will be maintained for the school year. If parents want their children to remain on a waiting list for subsequent years, they must inform the LA in writing or via email.

PART 2 - LATE APPLICATIONS

22. Applications received after the closing date of 15 January 2018 and prior to 13 March 2018 will be considered and, as far as possible, offered a school place on 16 April 2018. Applications received by the closing date take priority over late applications, however applications which are received for very good reason after the closing date will be accepted and treated as on time applications provided they are received before 13 March 2018, the date the allocation procedures begin (see paragraph 10).
23. For applications received between 14 March 2018 and 7 May 2018 inclusive, the LA will, on the 8 May 2018, the re-allocation day, offer a place in accordance with parental preference, where possible, and if not possible, at the nearest school with places available. These will be considered equally along with other applicants that are on the waiting lists for a higher preferred school because they did receive their first, or in some cases their second or third preferences on 16 April 2018.
24. For applications received between 16 April 2018 and 31 August 2018 inclusive, offer/refusal communications will be sent out within 14 days of the LA receiving the application form and a reminder issued after 7 days. Any parent approaching a school direct must be referred to the LA. The LA will offer a place at the school highest in the parent's order of rank that has a place available, or if this is not possible at nearest school that has a place available. For those who do not receive a higher preferred school the mailing lists will continue to operate.

PART 3 - IN-YEAR ADMISSIONS

25. Applications received on or after 1 September 2018 will be treated as in-year admissions.
26. The LA will, upon request, provide information about the places still available in all maintained schools within the area and a suitable form for parents to complete when applying for a place for their child at any school. All relevant admission authorities will consider any application that is made (making reference to any waiting lists that are in operation) whether via an application form or through a parent's direct approach to any school, and then notify the LA, if appropriate, of the outcome*. Parents whose applications are refused will be offered a right of appeal.
27. The LA will monitor in-year applications and intervene as appropriate to ensure that applicants are placed in a school without undue delay.
28. Parents may ask for their child's name to be kept on a waiting list, to be offered places if they become available at any school to which they have expressed a preference. The waiting list for all schools will be maintained by the relevant admission authority* and any places which become available will be offered strictly in accordance with published admission criteria of the appropriate admissions authority. Waiting lists will be maintained throughout the school year. Any offer of a school place will always be made by the LA.

PART 4 – ADMISSION OF CHILDREN BELOW COMPULSORY SCHOOL AGE AND ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

29. A child reaches compulsory school age on the prescribed day following their fifth birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August. A child is entitled to a full-time place in the September following their fourth birthday.
30. There is flexibility for parents who do not feel their child is ready to start school before compulsory school age. They may defer the date their child is admitted to school until later in the school year following their child's fourth birthday, providing they do not defer beyond the point at which they reach compulsory school age, or beyond the start of the final term of that school year. Alternatively, their child may attend school part-time until they reach compulsory school age.
31. Children born in the summer term, 1 April to 31 August, are not required to start school until a full school year after the point at which they could first have been admitted – the point at which other children in their age range are beginning year 1. While most parents are happy for their child to start school in the September following their fourth birthday, some parents will have concerns about whether their child will be ready for school at this point, and will consider delaying their entry until compulsory school age.
32. Admission authorities will expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case. This should demonstrate why it would be in the child's interests to be admitted to reception rather than year one. In some cases parents may have professional evidence that it would be appropriate for them to submit, for example, when a child receives support from a speech and language therapist. However, there is no expectation that parents will obtain professional evidence that they do not already have. Admission authorities must still consider requests that are not accompanied by professional evidence. In such cases the supporting information might simply be the parent's statement as to why they have made their request.
33. Where a parent wants their child to be admitted out of their normal age group, the admission authority has two separate decisions to make:
 - it must first decide on the age group the child should be admitted to
 - only once that decision has been made can it apply its oversubscription criteria to decide whether a place can be offered in that age group.
34. Although it is not always easy for admission authorities to make a decision about a child more than a year before the point at which they may be admitted, particularly as it is difficult to know what progress they may make in the intervening period, parents should know the outcome of their request for admission out of the normal age group in time to make an informed decision about whether their child will start school before compulsory school age.

35. The process in place:
- requires the parent to make an application for their child's normal age group at the usual time, but enables them to submit a request for admission out of the normal age group at the same time
 - ensures that the parent receives the response to their request before primary national offer day.
36. If the request is agreed, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.
37. Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.
38. One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the usual year group at all their preference schools, rather than just their first preference schools.
39. Once a child has been admitted to a school it is for the headteacher to decide how best to educate them. In some cases it may be appropriate for a child who has been admitted out of their normal age group to be moved to their normal age group, but in others it will not. Any decision to move a child to a different age group will be based on sound educational reasons and made by the headteacher in consultation with the parents.
40. Where a child has been educated out of their normal age group, the parent may again request admission out of the normal age group when they transfer to junior or secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group. The admission authority will make a decision on the basis of the circumstances of each case and in the child's best interests, and will bear in mind the age group the child has been educated in up to that point.
41. Where an application for September 2018 has been received by 15 January 2018 for a child's admission to Reception instead of Year 1 (which is the child's normal age group cohort) and this has been agreed, the application will be considered alongside all other applications that are received by this date. The application will not have lower priority on the basis that the child is being admitted outside their normal age group.

2018/19 CO-ORDINATED ADMISSION SCHEME - SECONDARY

This Scheme is made by Durham County Council (Durham LA) under The School Admissions (Admission Arrangements and the Co-ordination of Admission Arrangements) (England) Regulations 2014.

A separate Scheme exists in relation to primary schools.

Interpretation

1. In this Scheme -

“The LA” means Durham County Council acting in its capacity as local education authority.

“The LA area” means the area in respect of which the LA is the local education authority.

“School” means a Community, Voluntary Controlled, Foundation, or Voluntary Aided school, an Academy or UTC.

“Admission Authority” means the LA in respect of any of the schools which is a Community or Voluntary Controlled school, the Governing Body of the school in respect of a Voluntary Aided school or a Foundation school and the relevant Trust for an Academy or UTC.

“Parent” means any person who holds parental responsibility for a child and with whom the child normally lives.

“Suitable school” means the nearest available school which offers an efficient full-time programme of education appropriate to the individual child’s age, ability, aptitude and any special educational needs, in the view of the Authority.

2. The Scheme shall be determined and processed in accordance with the provisions set out in Schedule 1 and the timetable set out in Schedule 2.

3. The Scheme will apply for the admission arrangements for the school year commencing September 2018.

4. The Scheme will apply to every secondary school in the LA area (except special schools).

SCHEDULE 1

PART 1 - THE SCHEME

1. There will be a common application form supplied by the LA for the purpose of enabling parents living in County Durham to express up to three preferences for their child to be admitted to a secondary school in County Durham or to a school or schools in another LA area for the academic year 2018/2019.
2. The common application form must be used as a means of expressing one or more preferences for the purposes of Section 86 of the School Standards and Framework Act 1998 by parents resident in the LA area wishing to express a preference for their child:
 - (a) to be admitted to a maintained secondary school, academy or UTC within the LA area (including Voluntary Aided schools and Foundation schools);
 - (b) to be admitted to a maintained secondary school, academy or UTC located in another LA's area (including Voluntary Aided schools and Foundation schools).
3. The common application form will invite the parent to express up to three preferences including where relevant any schools outside the LA's area, in the rank order in which they wish their child to receive an offer of a place, and invite parents to give their reasons for each preference.
4. The common application form will explain that the parent will receive no more than one offer of a school place. Furthermore, that places at any oversubscribed school will be offered on the basis of equal preference rank order and that where an offer is made it would be for the highest ranked school at which the LA as the admission authority, or on behalf of the admission authority of a Voluntary Aided school, Foundation School, Academy or UTC, was able to offer a place. Annex 1 lists those Governing Bodies/Trusts which are the Admission Authority for schools/Academies/UTC to which this Scheme applies.
5. The common application form will explain that where the LA could not offer a place at any of the preferred schools, the offer of a place will be made at the nearest school to the child's home that has a place available.
6. The common application form will specify a closing date and where it must be returned. Governing Bodies of Aided or Foundation Schools and the relevant Trust for Academies/UTC, as the Admission Authority, must notify the relevant LA of any application made direct to them in error whether or not the parent lives in County Durham.
7. The LA will make appropriate arrangements to ensure that a common application form is available on request from the LA and on its website. The facility to apply on line will also be made available via the LA's website.
8. The common application form will include a supplementary section to be completed by parents who express a preference for a Voluntary Aided School to enable them to provide relevant additional information.

Processing of Applications

9. Completed applications should be made to the LA by 31 October 2017.
10. Completed applications which are received for very good reason after the closing date will be accepted and treated as an on time application provided they are received before 6 February 2018, the date the allocation procedures begin. Examples of very good reason include: when a single parent has been ill for some time, or has been dealing with the death of a relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a County Durham property as the main property will be required in these cases). Other circumstances will be considered and each case decided on its own merits. Parents must, however, provide clear evidence for the LA to consider as to why they could not submit an application during the preference period. The determination of the LA will be final.

Determining offers in response to the application

11. The LA will make the offer of a school place to the parent of every child living in County Durham transferring to secondary education in September 2018 who applies for a place at a maintained school/Academy/UTC.
12. The LA will determine the potential offer of a place for Community and Voluntary Controlled secondary schools in County Durham in its capacity as the Admission Authority **having no regard to order of preferences**. For Voluntary Aided schools, Foundation schools or Academies/UTC, or schools in another Local Authority area, the relevant Admission Authority will inform Durham LA of the potential offer of a place*. Durham LA will then be responsible for making the offer of a place in accordance with paragraphs 4 and 15 of this Scheme.
13. By 21 November 2017, the LA will provide the Admission Authority for each of the schools indicated on the common application form with a copy of the application form (electronic applications will be provided via the School Admissions Module), **excluding parental preference information***.
14. By 9 January 2018, the Admission Authority for each school will provide the LA with a list, in rank order, in accordance with their admission criteria of all pupils who applied for a place at the school, indicating those who can be offered a place and those (if any) who cannot*. The LA will then match this ranked list against the ranked lists of the other schools nominated.
15. By 6 February 2018, the LA will match the provisional offers of places against each parent's ranking and proceed as follows:
 - Where the child is eligible for a place at only one of the preferred schools, a place at that school will be offered to the child.
 - Where the child is eligible for a place at two or more of the preferred schools, they will be offered a place at whichever school is the highest ranked.
 - Where none of the preferences can be met, the child will be offered a place at the nearest suitable school with a place available.

16. No later than 6 February 2018 the LA will inform other LAs of places in County Durham schools/Academies/UTC to be offered to their residents and on 1 March 2018 the LA will inform its secondary/Academies schools/UTC of the pupils to be offered places at their schools/Academies/UTC.
17. On 1 March 2018, the LA will communicate to all parents in County Durham to whom the offer of a place can be made, notifying them of the offer of a place at:
 - (a) one of the preferences on the common application form; or
 - (b) the nearest suitable school with places available
18. The LA's communication will ask parents to confirm their acceptance of the place and inform them that if they are not satisfied with the offer of a place they have the right of appeal if they so wish. The communication will include contact details for the LA and those nominated Voluntary Aided and Foundation Schools and Academies/UTC where they could not be offered a place, so that they can if they wish lodge an appeal with the Governing Body or Trust*. The communication will also give parents the opportunity of having their child's name placed on the waiting list for a place at the preferred school(s). The communication will also state, where relevant, why a place could not be offered at a higher ranked school.
19. Parents will be sent a reminder 2 weeks after the offer date (1 March 2018) allowing a further 7 days to respond to the request that they confirm their acceptance of the place.
20. On 22 March 2018 the LA will reallocate any places that may have become available since 1 March 2018 strictly in accordance with the relevant published oversubscription criteria and in the following order of priority:
 1. those who have been offered a school place but who ranked the school at which a place has now become available higher on the common application form than the school at which they were offered a place on 1 March 2018 and who have confirmed that they still wish to be offered a place at the higher ranked school,
 2. those who have not been offered any school place because their applications were received late i.e. after 6 February 2018 (see paragraph 23) and those who have been offered a school place but who now wish to apply for a place at an alternative school.
21. From 23 March 2018, parents may ask for their child's name to be kept on a waiting list for an over-subscribed school to be offered places if they become available after that date. The waiting lists for all schools/Academies/UTC will be maintained by the relevant admission authority* and any places which become available will be offered strictly in accordance with the published admission criteria of the appropriate admission authority. Waiting lists will be maintained for the school year. If parents want their child to remain on a waiting list for subsequent years, they must inform the LA in writing or via email.

PART 2 - LATE APPLICATIONS

22. Applications received after the closing date of 31 October 2017 and prior to 6 February 2018, will be considered and, as far as possible, will be offered a school place on 1 March 2018. Applications received by the closing date take priority over late applications, however applications which are received for very good reason after the closing date will be accepted and treated as an on time application provided they are received before 6 February 2018, the date the allocation procedures begin (see paragraph 10).
23. For applications received between 7 February 2018 and 21 March 2018 the LA will, on the 22 March 2018, the re-allocation day, offer a place in accordance with parental preference, where possible, and if not possible, at the nearest school with places available. These will be considered equally along with all other applicants that are on the waiting lists for a higher preference school because they did not receive their first, or in some cases their second or third preference on 1 March 2018.
24. For applications received between 22 March 2018 (the re-allocation day) and 31 August 2018 inclusive, offer/refusal communications will be sent out within 14 days of the LA receiving the application form and a reminder issued after 7 days. Any parent approaching a school direct must be referred to the LA. The LA will offer a place at the school highest in the parent's order of rank that has a place available, or if this is not possible, at the nearest suitable school that has a place available. For those who do not receive a higher preferred school the waiting lists will continue to operate.

PART 3 - IN-YEAR ADMISSIONS

25. Applications received on or after 1 September 2018 will be treated as in-year admissions.
26. For the first two weeks of the academic year 2018/19, transfers from one school to another of pupils who were offered a school place in the normal admissions round will be processed upon receipt of a request to transfer, without reference to the procedures outlined in paragraphs 27, 28, 29 and 30 of this Scheme. Specifically, the LA will, upon request, provide information about the places still available in all maintained schools within the area. All relevant admission authorities will consider any request that is made (making reference to any waiting lists that are in operation) and then notify the LA, if appropriate, of the outcome*. Parents whose applications are refused will be offered a right of appeal.
27. The common in-year application form will request details from the current school and parent including reason for transfer and will specify where it must be returned. Governing Bodies of Aided and Foundation Schools and Academies/UTC, as the Admissions Authority, must notify the relevant LA of any application made to them in error whether or not the parent lives in County Durham.

28. For parents of children who live in another Local Authority area who have applied for an in-year place in a County Durham School – the Home Authority (LA) must contact the Maintaining Authority (Durham) to ascertain the availability of a place. The Home Authority (LA) would then confirm the offer of a place to the parent, with a copy of the offer to the Maintaining Authority (Durham).
29. The LA will make an offer of a place in respect of completed in year application forms for children living in County Durham. For parents of children who have applied for an in year school place in another LA area – the Home Authority (Durham) must contact the Maintaining Authority (Other LA) to confirm the availability of a place. The Home Authority (Durham) would then confirm the offer of a place to the parent, with a copy of the offer to the Maintaining Authority (Other LA).
30. Secondary In-Year Admissions will be administered by the Council who will advise parents of availability of places, send out in-year application forms and confirm an offer of a place to parents, school and, if appropriate, other Local Authority.
31. The LA will inform parents who have not been offered a place into the school of their choice that they have the right to appeal if they so wish. The letter will include contact details for the LA and those Voluntary Aided or Foundation schools or Academies, where they could not be offered a place, so they can if they wish lodge an appeal. Appeals for Voluntary Aided and Foundation Schools or Academies/UTC (where appropriate) must be submitted to the relevant Governing Body/Trust.
32. Parents may ask for their child's name to be kept on a waiting list, to be offered places if they become available at any school to which they have expressed a preference on the in-year Application Form. The waiting lists - unless Aided/Trust/Academy/UTC chose to maintain the waiting lists themselves - and any places which become available will be offered strictly in accordance with the published admission criteria of the appropriate admission authority. Waiting lists will be maintained for the school year. Any offer of a school place will always be made by the Local Authority. If parents want their child to remain on a waiting list for subsequent years, they must inform the LA in writing or via email.

PART 4 - ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

33. Where a child has been educated out of their normal age group, the parent may again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group. The admission authority will make a decision on the basis of the circumstances of each case and in the child's best interests, and will bear in mind the age group the child has been educated in up to that point.

**ADMISSION POLICIES / OVERSUBSCRIPTION CRITERIA FOR
COMMUNITY AND VOLUNTARY CONTROLLED NURSERY
SCHOOLS AND UNITS, INFANT, JUNIOR, PRIMARY AND
SECONDARY SCHOOLS**

ADMISSION TO COMMUNITY AND VOLUNTARY CONTROLLED NURSERY SCHOOLS AND UNITS

Places are allocated according to the oversubscription criteria listed below:

1. Children In Need

The Children Act 1989 defines a child 'in need' as:

- a) He/she is unlikely to achieve or maintain, or to have the opportunity of achieving or maintaining, a reasonable standard of health or development without the provision of services by the Local Authority under Part 3 of the Act.
- b) His/her health or development is likely to be significantly impaired, or further impaired, without the provision for him/her of such services.
- c) He/she is disabled. In addition, Durham County Council has determined that children of families where English is not the main language of the family will be considered under this criterion.

A maximum of two part-time nursery places are retained until the end of the Autumn half term in order to accommodate emergency referrals of children "in need" as defined in the requirements of the Children Act, 1989.

2. Children Transferring from One Nursery Setting to Another

Once a child has begun attending a particular nursery school/unit, it is usually in the child's best interest to remain at that nursery school/unit until transfer to the next phase of their education. However, where parents move house, for example, it may be impractical to remain at the same setting.

There may also be other exceptional reasons as to why a transfer from one Maintained Nursery School or Unit to another would be appropriate, but this would be rare and subject to the agreement of the school following guidance from the Local Authority. Where possible nursery schools / units will aim to provide for children who have already started Early Years Provision.

3. The Two Year Old Free Entitlement

Where a child has been accessing the free entitlement for 2 year olds in day care that is directly associated with a maintained nursery school or unit, for a minimum of 15 hours per week for two terms immediately prior to the child becoming eligible for free entitlement, they shall receive priority for admission to that maintained nursery school or unit in order to preserve continuity, providing that they also live within County Durham's administrative area.

4. Age

The offer of a place will be prioritised according to date of birth. Normally, the earliest date your child can be accepted for Early Years Provision is at the age of 3, although some 2 year olds can access the free entitlement. Where applicants have the same date of birth, priority will be given to the earliest date of application.

5. Children Living in Other Authorities

Although there are no catchment areas for places, preference will be given to children whose parents live within County Durham's administrative area. Only when all children living within the boundary of County Durham have been allocated a place, may a child living in a neighbouring area be offered a place.

ADMISSION TO COMMUNITY AND VOLUNTARY CONTROLLED INFANT, JUNIOR AND PRIMARY SCHOOLS

Oversubscription Criteria:

If more children want a place than there are places available, we will offer places according to the following criteria, strictly in order of priority:

- 1. Children who are 'looked after' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence/child arrangement, or special guardianship order***. A looked after child is a child who is, at the time of making an application to a school, (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- 2. Medical Reasons**
Children with very exceptional medical factors directly related to school placement.
- 3. Sibling Links**
Children who have a sibling** already attending the school and who is expected to be on roll at the school at the time of admission.
- 4. Distance**
Children who live nearest the preferred school measured by the shortest walking route***. This will be based on the child's address. Where the last place to be allocated would mean that a multiple birth sibling group i.e. twins, triplets or other multiple birth sibling groups, would be split, the sibling group will be given priority over other children. Otherwise if only one final place can be offered and two applicants live equidistant from the school, the LA's system of random allocation will apply.

* An adoption order is an order under section 12 of the Adoption Act 1976 or section 46 of the Adoption and Children Act 2002. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. A child arrangement order is an order settling the arrangements to be made as to the person with whom the child is to live under section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

** Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, step brothers or sisters and children of the parent/carer's partner. Some schools give priority to siblings of pupils attending another community and voluntary controlled school with which they have close links (for example, schools on the same site). Where this is the case, details will be published in the Local Authority's Admissions Brochure.

*** In assessing home to school distance the LA uses a Geographic Information System (GIS) to identify and measure the shortest route utilising only the Ordnance Survey Integrated Transport Network (ITN) and Urban Paths Network (UPN) which are national recognised datasets. The LA will not include any other routes or any

other method of measurement. Routes are measured from the centre point**** of the child's house, or in the case of a flat from the centre point**** of the building, to the nearest school site entrance. In all cases the GIS identifies the route to be measured by connecting in a straight line the centre point**** of the child's house to the closest point on the nearest route on the ITN/UPN.

OVERSUBSCRIPTION CRITERIA FOR COMMUNITY SECONDARY SCHOOLS

When there are more requests for places than those available, the following criteria will be used to allocate places strictly in order of priority:

1. Children who are 'looked after' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence/child arrangement, or special guardianship order*. A looked after child is a child who is, at the time of making an application to a school, (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

2. Medical Reasons

Children with very exceptional medical factors directly related to school placement

3. Sibling Links

Children who have a sibling** already attending the school and who is expected to be on roll at the school at the time of admission.

4. Applicants to their nearest School

Those children who have applied for a place at the nearest school to their home address measured by the shortest walking route***

5. All other applicants

Tie-breaker

Where the school is oversubscribed within any of the above categories the following tiebreakers will be applied:

- (a) For those children who have applied for a place at the nearest school to their home address (category 4), priority will be given to those who would otherwise have to travel the furthest distance to the next nearest school¹
- (b) For other children (category 5), priority will be given to those children who live nearest to the school applied for. Otherwise if only one final place can be offered and two applicants live equidistant from the school, the LA's system of random allocation will apply.

In the unlikely event of the school being oversubscribed within categories 1, 2 or 3 tiebreaker (b) will apply.

Footnote¹: 'School' means any maintained secondary school or a DFE maintained Academy in County Durham. Distance will be measured by the shortest walking route. Those parents who live in County Durham and have children in year 6 in primary schools maintained by Durham County Council will be provided with information for them to find out which school is nearest to their home address according to the official measuring system. The same information will be provided for any other applicant on request.

* An adoption order is an order under section 12 of the Adoption Act 1976 or section 46 of the Adoption and Children Act 2002. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. SIXTH FORMS – COMMUNITY SECONDARY SCHOOLS

Applications for Year 12

Some County Durham secondary schools offer sixth form of study for students. The majority of the sixth form students transfer from Year 11, but places are available for external students.

The entry requirements for sixth forms are largely dependent on the course of study that a student wishes to access. They are the same for internal and external students. Details of specific entry requirements and courses available may be obtained from the school. The availability of courses is dependent upon the number of applicants and the financial sustainability of the course and the Governing Body of the school determines this.

Entry requirements and oversubscription criteria:

Priority will be given to:

1. Students who have attended the school in the previous academic year (during Year 11) and who satisfy the school's entry requirements* for the course available and then,
2. All other students of the relevant age who satisfy the school's entry requirements* for the course available.

Where the school is oversubscribed within category (1) the following will be applied, strictly in order of priority:

- a) **Children who are 'looked after' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence/child arrangement, or special guardianship order**.** A looked after child is a child who is, at the time of making an application to a school, (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- b) Students who will have a sibling*** at the secondary school during the coming academic year.
- c) All other students.
- d) Distance from home to school measured by the shortest walking route****, with those living nearest the school receiving priority. Otherwise if only one final place can be offered and two applicants live equidistant from the school, the LA's system of random allocation will apply.

Where the school is oversubscribed within category (2) the above criteria will be applied, strictly in order of priority with the exception that, after b), the following will apply: all other students who previously attended in Year 11, a maintained school or academy with 11-16 provision only.

Applicants refused admission to a sixth form are entitled to an appeal to an independent appeals panel.

*Details of the entry requirements are available from the individual Sixth Forms.
