

## **DELEGATED DECISION**

**Regeneration and Local Services**

**2 February 2017**

**Granting Of A S50 Licence To Install A Private Low Voltage Electric Connection In A181 Front Street, Dragon Ville, Durham**

---

### **Report of Network Management**

**John Reed – Head Of Technical Services**

---

#### **Purpose of the Report**

- 1 To seek approval to grant a licence in accordance with Section 50 of the New Roads and Street Works Act 1991 (NRSWA) to enable Sterling Power Utilities Ltd to install a private low voltage electric connection within the adopted highway.

#### **Background**

- 2 It is illegal to dig up the adopted highway without consent of the Highway Authority (Highways Act 1980 Section 131). The installation of apparatus within the highway is permissible under Section 50 of the New Roads And Street Works Act 1991 upon request / consent of the Highway Authority.

#### **Details of any alternative options considered and rejected when making the decision**

- 3 As the works are not being undertaken by a statutory undertaker, there is no alternative other than to consider the apparatus as private, until such times as the connections are adopted by a statutory undertaker. Therefore, a licence under S50 of the New Roads and Street Works Act is required to authorise and control the proposed works.

#### **Recommendations and reasons**

- 4 An application to install a private low voltage electric connection in A181 Front Street, Dragon Ville, Durham has been submitted by Sterling Power Utilities Ltd, Utility Management Centre, Belfont Trading Estate, Mucklow Hill, Halesowen, West Midlands, B62 8DR.
- 5 In line with legislation allowing the installation of apparatus in the highway I suggest the application be permitted in accordance with current practice and procedures.

## Decision

- 6 To grant a licence in line with Section 50 of the New Roads And Street Works Act 1991. This section of the Act permits the installation of apparatus in the highway in line with the terms and conditions imposed by the Highway Authority for County Durham.
