Appendix 1: Pension Fund Committee – Terms of Reference

1. Objectives

- 1.1. The Pension Fund Committee's objective is to ensure effective stewardship of the Fund's affairs. The Pension Fund is governed by Local Government Pension Scheme Regulations and the Committee will ensure that the Pension Fund is run in accordance with the Regulations.

2. Authority

- 2.1 The Local Government Pension Scheme is a statutory scheme governed by Regulations. Durham County Council, acting as Administering Authority for the Pension Fund has determined to delegate all functions relating to the maintenance of the Pension Fund to the Pension Fund Committee for its governance, and for prudent and effective stewardship.
- 2.2 Members act as committee members and not as Trustees. There is no Trust Deed or Agreement as with Private Pension funds. Nonetheless, Members have fiduciary duties to participating employers and scheme members and take decisions with advice from Corporate Director Resources, officers and professional advisors, in accordance with the committee rules and voting procedures.
- 2.3 Under the terms of the County Council's Constitution, the Pension Fund Committee has been delegated the following terms of reference:
 - 2.3.1. Powers and duties arising from Section 7 of the Superannuation Act 1972 and Regulations made thereunder including:
 - approval of applications from bodies seeking admission to the Local Government Pension Scheme;
 - appointment of external investment managers and advisers.

3. Composition

- 3.1. The Myners' first principle states that decisions should only be taken by persons or organisations with the skills, information and resources necessary to take them effectively. In order to take investment decisions, they must have sufficient expertise and appropriate training to be able to evaluate critically any advice they take. The Fund holds training sessions in advance

of decisions being taken, in particular when the investment strategy is considered, presentations on topical issues, related to possible choices of future investment. Further training in time for actuarial valuations is also undertaken.

3.2. The structure of the Pension Fund Committee is as follows:

Body/ category of bodies represented	Number of Committee Members
Durham County Council	11
Darlington Borough Council	2
Colleges	1
Other Statutory Bodies	1
Admitted Bodies	1
Member representatives	2
Total	18
<i>plus non-voting union observers</i>	2

3.3. The allocation of members to the Committee broadly reflects the number of active members, pensioners and deferred pensioners each of the larger employers has within the Fund. It has appropriate representation for the large employers within the Fund whilst maintaining a manageable governance framework for the size of the committee. The two trade union representatives are invited as observers.

3.4. The representatives from Durham County and Darlington Borough Councils are appointed by decisions of the respective councils. Representatives of the colleges, other statutory bodies, and admitted bodies are selected by the Committee from nominations made by the employers and are appointed for 4 years. The two scheme member representatives are selected by the Committee from applications received from the membership following advertisement in the newsletter: one from active scheme members and one from pensioner members.

3.5. All members of the Committee, union observers and independent advisers are given full access to papers and are allowed to participate in meetings.

3.6. All members appointed to the Committee have voting rights. Union observers and advisers do not have voting rights as they do not act as formal members of the Committee.

3.7. The Pension Fund Committee meets four times a year and occasionally holds special meetings when required.

3.8. The quorum for each regular meeting of the Committee is 5.

3.9. Minutes of the Committee are reported under the existing County Council Committee framework.

3.10. Detailed performance reports will remain confidential items on Committee agenda as will any other item deemed as such by the Chairman although the Committee will aim to operate as transparently as feasible.
