**S115 Highways Act 1980 – Tables & Chairs Licence**

---

**Report of Brian Buckley – Strategic Highways Manager**

---

**Purpose of the Report**

- 1 To consider the application to place tables and chairs on an area of highway covering approximately 6 square metres and extending in length to a maximum of 4.8 metres in front of the premises. (See attached plan).

**Background**

- 2 An approach has been received from Mrs Gay Turner-Wray, requesting permission to place tables and chairs on an area of highway outside of her premises, Nanny G's, for use by her clientele.
- 3 Consultations have been undertaken under the provisions of Section 115B, 115C and 115E of Part 7 of the Highways Act 1980. On 13 February 2017 a notice of the intention to consider consent was posted on site and also served on the owners and occupiers of premises it was considered might be affected by the proposals, allowing 28 days to make representations. In addition the Statutory Undertakers, the Police, Fire Brigade, Ambulance Service and the Local Members were notified of the proposals and asked to indicate whether they would wish to make any representation. The usual conditions attached to the granting of such permission would apply.

**Current Position**

- 4 From a highway point of view it is considered the proposal would not present a serious obstruction providing the tables and chairs are contained within the proposed consent area described in (1) above.

**Recommendations and reasons**

- 5 I recommend that the application for a Tables & Chairs licence be granted subject to the attached terms and conditions.

**PROPOSED PLACEMENT OF TABLES AND CHAIRS ON AGREED AREA  
AS PER THE ATTACHED SCALE 1:200 PLAN**

**SCHEDULE OF CONDITIONS**

1. Consent is for the placement of 3 tables and 6 chairs on the agreed area for use by the clientele of Nanny G's, 24-26 North Terrace, Seaham, SR7 7EU.
2. **Consent does not confer the Grantee any licence for the sale to or consumption by the clientele of the premises or by any other persons of intoxicating liquor (Permission for this must be sought from the proper sources).**
3. The tables and chairs, whether in use or otherwise, shall occupy only that part of the highway agreed by the Engineer. The tables and chairs should be so positioned to cause as little restriction along the highway as possible and must not encroach beyond the limits of the consent area.
4. Any litter and spillages deposited on the highway whether within the limits of the consent area or the area surrounding, in consequence of or emanating from the use of the consent area must be removed and the highway left in a clean and tidy condition. The Grantee must take such steps as are practicable to prevent any litter emanating from the use of the consent area so as not to be a nuisance to the users of the highway and occupiers of adjacent premises.
5. The tables and chairs must be of a design and manufacture commensurate with the nature of the surrounding area and be approved by the Council. Any parasols associated with the tables and chairs must not carry any advertising material other than the name of the premises.
6. The County Council is not to be held liable for any damage that may be caused to the tables and chairs or any items associated with them by any third party. This includes persons using the highway, any of the Statutory Undertakers or contractors in their employ carrying out works for the installation or maintenance of their apparatus or by any operations or activities of the County Council. In the latter event the exception would be if the damage were due to wilful default or negligence on the part of the County Council, its servants or agents.
7. **The Grantee is to indemnify and keep sufficiently indemnified the County Council against all liability for any loss of or damage to property or injury to persons and any other expenses, loss, damage, costs, actions, suits, proceedings or claims which but for the granting of this consent and the placement of the tables on the highway would not have arisen. Minimum amount of cover should be no less than £5 million.**

**Continued/...**

8. The County Council may at any time revoke consent upon the breach of any of the conditions of consent or for any reason the Council may consider appropriate.
9. Consent may be temporarily suspended for any reasonable cause, at any time at the request of a Police Officer or any officer of the Statutory Authorities, including Durham County Council, to enable them to carry out any of their statutory duties.
- 9a. Consent will be suspended during special events, within the Town Centre, at the direction of the County Council. Failure to comply with this direction will result in the termination, without notice, of your licence.
10. Consent shall be personal to the Grantee as the proprietor of the premises and shall not be assigned without the written consent of the County Council.
11. Consent shall not confer on the Grantee any rights as against the owners of the land on which the highway is situated to use the land.

I agree to abide by the above conditions.
