

## Police and Crime Panel

30 June 2017

## Year End Performance Report 2016-17

## Report of Chief of Staff

---

### Purpose

1. To advise Police and Crime Panel Members that the quarter 4 / year end Public Performance Report will be published by the Police, Crime and Victims' Commissioner on the date of the Panel meeting (30<sup>th</sup> June) and a presentation on the Report given to members at the meeting.

### Background

2. The report contains key performance data for the headline measures: Victim Based Crime, Public Confidence, and Victim Satisfaction, and performance information on each aspect of the current Police, Crime and Victims' Plan.
3. The interactive document is updated and published publically quarterly. The Police, Crime and Victims' Commissioner will be in attendance at the meeting to give a presentation of the report and respond to any questions that Panel Members may have.
4. On this occasion we have been unable to prepare the performance report in time for the deadline for circulation of the papers, because some of the data which needs to be included is not yet available, and we want to provide Panel Members and the public the most up to date information.

### Recommendations

5. Panel Members are recommended to consider the information contained in the presentation, and comment accordingly.
6. It is also requested that panel members consider how they could assist the Police and Crime Commissioner by promoting and raising awareness of the Public Performance Report.

### Next Steps

7. The public performance report will continue to be produced on a quarterly basis. We are currently considering the content and format of the report and are likely to introduce changes in 2017/18. Future reports will continue to be presented to the panel.
