Purpose of the Report

- 1 To consider the application to place tables and chairs on an area of highway covering 8.75 square metres and extending in length to a maximum of 7 metres in front of the premises. (See attached plan).

Background

- 2 A request has been received from the proprietors of Leaf Bark & Berries, 17 North Terrace, Seaham seeking permission to place tables and chairs on an area of highway outside the property for use by clientele of their premises.
- 3 Consultations have been undertaken under the provisions of Section 115B, 115C and 115E of Part 7 of the Highways Act 1980. On 1st August 2017 a notice of the intention to consider consent was posted on site. On 1st August 2017, notice of intention was served on the owners and occupiers of premises it was considered might be affected by the proposals, allowing 28 days to make representations. In addition the Statutory Undertakers, the Police, Fire Brigade, Ambulance Service and the Local Members were notified of the proposals and asked to indicate whether they would wish to make any representation. The usual conditions attached to the granting of such permission would apply.

Current Position

- 4 From a highway point of view it is considered the proposal would not present a serious obstruction providing the tables and chairs are contained within the proposed consent area described in (1) above.

Recommendations and reasons

- 5 I recommend that the application for a Tables & Chairs licence be granted subject to the attached terms and conditions.
