

JOINT COMMITTEE – 12 November 2010

CYCLE OF MEETINGS 2011

### Report of Secretary

In accordance with normal practice, I have consulted the Constituent Authorities on the cycle of meetings of the Joint Committee for the year 2011.

It would seem the following cycle of meetings would be acceptable, with all meetings commencing at 10.30 a.m.

Friday 14 January 2011  
Friday 11 March 2011  
Friday 6 May 2011  
Friday 24 June 2011 (Accounts)  
Friday 8 July 2011 (Annual Meeting)  
Friday 9 September 2011  
Friday 11 November 2011

It would of course be within the terms of the Joint Committee's constitution for the Chairman to call a meeting at any time and to do so on the request of six members.

In accordance with the wishes of members, I would propose that all meetings are held at the Museum.

I **recommend** that the cycle of meetings be approved.
