27 March 2018

Council Plan 2016-2019- Refresh of the Work Programme

Report of Lorraine O'Donnell, Director of Transformation and Partnerships

Purpose of the Report

- 1 The purpose of the report is to provide members with information contained within the existing Council Plan 2016-2019, relevant to the work of the Safer and Stronger Communities Overview and Scrutiny Committee. This enables the opportunity for Members to refresh the Committee's Work Programme to reflect the six objectives and subsequent actions identified within the Council Plan for the Council's Altogether Safer priority theme.

Background

- 2 The current Overview and Scrutiny Committees Work Programmes focus on the priority areas identified within the context of the Council Plan, Cabinet's Forward Plan of decisions, Sustainable Community Strategy, Safe Durham Partnership plans and strategies, performance data and changes in Government legislation.
- 3 In relation to the Safer and Stronger Communities Overview and Scrutiny Committee, Members will recall that the Work Programme was refreshed at the Committee meeting held on the 26 June 2017, ensuring that areas of focus were in line with current and forthcoming priorities within the Committee's remit.

Council Plan 2016- 2019

- 4 The Council Plan is the overarching high level plan for the County Council, which covers a four year period. The plan sets out how the Council will consider the corporate priorities for improvement and the key actions the Authority will take in delivering the long term goals in the Sustainable Community Strategy and the Council's own improvement agenda. Attached as Appendix 2, is the Altogether Safer section of the Council Plan for Members consideration.
- 5 Within the Council's Altogether Safer priority theme, the focus is to work with partner organisations, as part of the Safe Durham Partnership, to tackle crime and disorder in County Durham.
- 6 The Council supports the Safe Durham Partnership Plan in its strategic plan to deliver a day-to-day operational response to issues impacting on our neighbourhoods. The Council will work with partners to involve the community

in tackling priorities, with the aim of creating a safer county and contributing to an Altogether Better Durham. Below are the relevant objectives and actions for the Altogether Safer priority theme:

7 The Council Plan also identifies a series of actions detailing the work which needs to be undertaken by the Authority in order to deliver the above areas.

8 In addition to providing a scrutiny role for activity of the council, the Safer and Stronger Communities Overview and Scrutiny Committee is the designated Crime and Disorder Committee for the purposes of Part 3 of the Police and Justice Act 2006. The Committee is therefore responsible for scrutinising the work of the Safe Durham Partnership. Throughout 2017/18 the Committee has reviewed and considered reports from the Safe Durham Partnership in relation to its priority areas linked to the existing Safe Durham Partnership Plan. It is to note that with exception of 'Counter Terrorism and Prevention of Violent Extremism, the priority objectives are aligned to the objectives within the Council Plan and include the following outcomes.

- 11 The Committee has a joint working arrangement with the Durham Police and Crime Panel (PCP) that is crucial to provide a communication between the PCP and the Committee. This arrangement includes receiving update reports from the PCP at each Committee meeting and prior to undertaking an in-depth study into a crime and disorder issue, discussion takes place between both the Chairs of the PCP and Committee and Secretariat to avoid duplication of effort and resources.

Gaps within current Work Programme

- 12 Having considered the Altogether Safer section of the Council Plan for 2016 – 2019 and draft Safe Durham Partnership Plan the following could be considered for inclusion within the Committee’s work programme.

Reduce Anti-Social Behaviour

- Increase public confidence in the ability of partners to deal with crime and anti-social behaviour issues
- Reduce incidence of anti-social behaviour and low level crime

Protect Vulnerable People from harm
