To whom it may concern

Durham Constabulary are wishing to formally object to the application for a premises licence made by Mr Hardy TAHIR for SOMMA PIZZA, Unit 1 HOBSONS BUILDING, STANLEY, DH9 8EU.

The grounds for this objection are as follows

A visit was made to the premises on 22nd March 2018 and found to be working there was male by the name of [redacted] a further visit was made to the premises on 26th March 2018 and again this male [redacted] was present. [redacted] has no right to work in the UK, this has been confirmed with immigration on 10th May 2018 and since seeking asylum in the UK he has never been given the right to work.

I am not confident the applicant Mr Hardy TAHIR has carried out the appropriate checks on [redacted] to establish his entitlement to work in the UK. The application form makes it clear it is an offence to employ individuals who do not have an entitlement to work in the UK. This application is dated 26th March 2018 which one of the days [redacted] was at the premises.

In order to address our concerns around this Mr TAHIR was contacted and then emailed a list of condition's Durham Constabulary would want on the licence so we could ensure promotion of the four licencing objectives. One of which was around the eligibility to work which is documented below.

The premises will ensure that all relevant documents confirming a person's eligibility to work in the United Kingdom, as per the checks carried out under Sections 15 to 25 of the Immigration, Asylum and Nationality Act 2006, are held on site at all times the premises is open, and made available to Durham Constabulary and Responsible Authorities on reasonable request.

Mr Tahir has failed to respond to any telephones calls or emails in relation to this matter.

I am not satisfied that Mr Tahir has demonstrated on his application how he would promote the four licencing objectives and am therefore objecting to the application at this time under crime and disorder objective.

Thankyou

Subject: RE: Objection Somma Pizza

Morning

Further to the objection Durham Constabulary made on 10th May 2018 regarding the premises licence applications made by Mr Hardy TAHIR for SOMMA PIZZA, Unit 1 HOBSONS BUILDING, STANLEY, DH9 8EU.

I wish to add the following, Mr TAHIR contacted the alcohol harm reduction unit on 16th and 17th May 2018 to discuss how his application could be progressed. On 17th May 2018 PCSO Williamson spoke to Mr TAHIR and during this conversation it was stressed to him by PCSO Williamson that the licence application had been objected to and that he couldn't open beyond 11pm until the licence was granted.

On Friday 18th May 2018 at 23:20 hrs SOMMA PIZZA was visited by the police, the shop was still open and trading, customers were in the shop purchasing food, the girl behind the counter was taking a telephone food order and staff in the rear of the premises were preparing food.

On speaking with the staff working in the kitchen area of the premises one was a male by the name of [REDACTED], the same male who had been in the shop on the previous two visits and is referred to in my original objection.

[REDACTED] has no right to work in the UK, this has been confirmed with immigration on 10th May 2018 and again on 21st May 2018. Since seeking asylum in the UK he has never been given the right to work.

Mr TAHIR turned up at the premises, he stated [REDACTED] wasn't working and that he gets 10 people per night to have trials at the pizza shop and so he can see who he might want to employ. Mr TAHIR then stated that [REDACTED] had provided him with his right to work card and he could work in the UK.

Mr TAHIR has since provided a copy of [REDACTED] application registration card, which is valid from

16/04/2018-16/04/2018 and under the remarks section of the card it does state

Work permitted
Shortage OCC
No Public Funds

Which in essence means that [REDACTED] could work in the UK but only if he is working in a job which is detailed in the Immigration Rules Appendix K: shortage occupation list. This list is provided when the registration cards are issued so [REDACTED] was fully aware what occupations he could work in.

I have below copied the wording from the document which refers to a chef and it clearly states it does not allow work in a fast food outlet

Skilled chef where:

the pay is at least £29,570 per year after deductions for accommodation, meals etc; and the job requires five or more years relevant experience in a role of at least equivalent status to the one they are entering; and the job is not in either a fast food outlet, a standard fare outlet, or an establishment which provides a take-away service; and

The job is in one of the following roles:

APPENDIX 6 – STATEMENT OF LICENSING POLICY

DURHAM COUNTY COUNCIL STATEMENT OF LICENSING POLICY

7.0 The Prevention of Crime and Disorder

7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment may sometimes, if not properly managed, become a source of public nuisance, generating crime and disorder problems.

7.2 As a matter of policy, the Licensing Authority will require every holder of a premises licence, club premises certificate or temporary event notice to be responsible for minimising the impact of crime, disorder and anti-social behaviour by their patrons both on and within the immediate vicinity of their premises, including for example on the pavement, in a beer garden or in a smoking shelter.

7.3 The Licensing Authority recommends that all applicants demonstrate in their Operating Schedules that suitable and sufficient measures, ranging from the design and layout of the premises through to the daily operation of the business have been identified and will be implemented and maintained with the intention of preventing crime and disorder. Procedures to deal with drunken customers, violence and anti social behaviour in and outside premises and the provision of closed circuit 14 television in certain premises should be considered by applicants, licensees and event organisers when addressing this issue.

7.4 The Licensing Authority encourages Personal Licence holders to actively participate in established "Pubwatch" schemes, where issues relating to crime and disorder can be addressed. The Licensing Authority support involvement in "Best Bar None" initiative which enables premises to demonstrate good safe operating procedures. Such schemes have been very successful in reducing the negative impact of alcohol across a range of circumstances.

7.5 The Licensing Authority recognises and promotes effective and responsible management of all licensed and authorised premises through competent and efficient and regular instruction, recorded training, supervision of staff and the adoption of good practice, such as 'Challenge 25'. These are considered to be among the most important control measures for the achievement of all Licensing Objectives. The Licensing Authority will take a positive view of anyone who invests in appropriate training, and in particular nationally accredited qualifications tailored to the Licensing sector. Training records should be kept available for inspection by all enforcement agencies.

7.6 The application for premises licence must identify a Designated Premises Supervisor (DPS) who must also hold a Personal Licence. The DPS does not have to be present on the premises at all times when alcohol is being sold. However, the DPS and Premises Licence Holder remain responsible for the premises at all times. It is important that there is an accountable, responsible person present when alcohol is being sold or supplied to ensure, for example, that alcohol is not sold to persons who have had too much to drink, or to those under the age of 18 years.

7.7 Someone should always be present on premises or at an event during times when licensable activities are taking place who can discuss any problems or

issues arising from the licensable activities offered on the premises with officers from Licensing Authority and Police. The Licensing Authority considers it to be good practice if the DPS or Premises Licence Holder is present in the licensed area of the premises:

- Between 22:00 hours and closing time, when the premises is one that regularly opens after midnight for both regulated entertainment and the sale or supply of alcohol for consumption on the premises.
- At all times when the premises is a "vertical drinking establishment" where little or no seating is provided.
- At times where there is a substantial increase in customers i.e. for televised major sporting events etc.

7.8 The Licensing Authority will only impose a maximum number of people that can attend premises or an event where there is a clear and justifiable need in respect of that particular premises or event. Any such decision will be based on the nature and style of the operation. The Licensing Authority will consider information provided by the applicant and any other body, in particular the Council's Building Control Section, Environmental Health Section and the Durham and Darlington Fire and Rescue Service before setting a maximum number. Applicants will be expected to detail the arrangements that would be put in place e.g. provision of door staff to ensure that the permitted number of people attending the premises or event will not be exceeded.

7.9 Whenever security operatives/door supervisors are employed at licensed premises to carry out security functions they must be licensed by the Security Industry Authority (SIA). If a licensee directly employs security operatives they will need to be licensed by the SIA as a supervisor/manager.

7.10 The numbers of licensed door supervisors, both male and female, required at any premises will be dependent upon the nature of the activities licensed and the characteristics and capacity of the establishment and hours of trading.

7.11 In addition to the requirement of the Licensing Authority to promote the Licensing Objectives, the Council also has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can do to prevent crime and disorder in its area and to consider crime and disorder in its decision making process.

7.12 Toughened/Safety Glass Policy: Licensed venues that provide the sale or supply of alcohol for consumption on the premises should consider the introduction of toughened/safety glass. This policy expectation applies to those premises that would be considered as carrying a higher risk for potential crime and disorder. In particular it is expected in premises considered to be high volume vertical drinking establishments and those premises open beyond midnight in areas where there is a high concentration of venues (but not premises in those areas that are viewed as low risk in this context).

7.13 Drugs/Knives/Weapons: The Licensing Authority will expect licensees to take all reasonable steps to prevent the presence of drugs on licensed premises and to take appropriate steps to prevent drugs changing hands within the

premises in order to prevent tragedies as a result of drug misuse. The Licensing Authority will expect licensees to be familiar with the Home Office Drug Strategy booklet entitled Safer Clubbing (ISBN 1840827807) or other subsequent editions. The Licensing Authority also expects that licence holders will also take steps to prevent the presence of knives and other weapons on their premises and that a log be kept of all drug, knife and weapon incidents. Licence holders should also consider arranging training for their staff on drugs, knives and weapons and to have policies for dealing with the possession of drugs, knives and weapons and the supply of drugs.

APPENDIX 7 – SECTION 182 GUIDANCE

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority ("SIA") as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.
- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will

usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.
