The auditor's responsibility to consider fraud in an audit of financial statements

- 1) ***How does the Audit Committee oversee management's processes to identify and respond to the risk of fraud and possible breaches of internal control? In particular how the Committee oversees managements:***
- ***Assessment of the risk that the financial statements may be materially misstated due to fraud or error;***
 - ***Processes for identifying and responding to risks of fraud in the organisation. This includes any specific risks of fraud which management have identified or that have been brought to its attention, or classes of transactions, account balances, or disclosure for which a risk of fraud is likely to exist;***
 - ***Processes for communicating to employees the views on business practice and ethical behaviour. For example updating, communicating and monitoring against the Council's code of conduct; and***
 - ***Processes for communicating to those charged with governance the arrangements for identifying and responding to fraud or error.***

The Audit Committee maintains an oversight of management processes in place for assessing the risk that the financial statements may be materially misstated by considering all the sources of assurance that it has available to it on the effectiveness of the internal control environment. This is demonstrated through quarterly internal audit progress reports and the Annual Audit Opinion and Internal Audit Report that is presented to the Committee by the Chief Internal Auditor and Corporate Fraud Manager.

The Audit Committee also receives quarterly risk reports from the Risk and Governance Manager where key strategic risks are brought to the attention of the Committee.

The Audit Committee is responsible for considering proposed changes to the Council's Counter Fraud and Corruption Strategy and the Confidential Reporting Code (Whistleblowing) a revised version of both was approved in by the Committee during 2015/2016. The Audit Committee have also considered changes to the Council's Fraud Response Plan that supports the Counter Fraud and Corruption Strategy and to the Council's Money Laundering Policy during 2015/16 and continually monitor their effectiveness.

Members of the Committee are aware of how to report any suspected fraud and are satisfied that employees are encouraged to report their concerns about fraud and both are supported by the Confidential Reporting Code (Whistleblowing) which is formally reviewed by the Committee.

The Committee is responsible for considering any proposed amendments to the Council's Code of Local Governance prior to approval by Full Council, and maintains an understanding of key corporate policies and procedures that are an integral part of the Council's Internal Control Framework to help mitigate the risk of fraud e.g. officers and members code of conduct, financial procedure rules, contract procedure rules, officer scheme of delegations, complaints procedures and performance management arrangements.

2) *Has the Audit Committee knowledge of any actual, suspected or alleged fraud during the period 1 April 2017 – 31 March 2018?*

The Audit Committee is aware that all suspected cases of corporate fraud must be reported to the Chief Internal Auditor and Corporate Fraud Manager and are advised of all potential and proven cases reported.

Details of all actual, suspected or alleged fraud and action taken in response are as reported by the Chief Internal Auditor and Corporate Fraud Manager in their bi-annual reports. New potential cases of corporate fraud are also reported to the Committee as and when they arise, updates are provided through Internal Audit quarterly progress reports and Protecting the Public Purse updates.

3) *Has the Audit Committee identified any specific fraud risks within the organisation? For example does it have any concerns that specific areas within the organisation are at greater risk of fraud?*

The Committee is aware that certain posts, such as those involved with treasury management activities and those with access to the Council's bank accounts and cash carry a higher risk and consequently covered by fidelity guarantee insurance.

The Committee also receives assurance from Internal Audit from planned work around key financial systems and the counter fraud plan that is reported through quarterly Internal Audit progress reports and the bi-annual 'Protecting the Public Purse' reports.

The Committee therefore has no specific concerns that would impact on the Statement of Accounts as it gains the assurance required as described.

4) *Is the Audit Committee aware of any significant breaches of internal control during 2017/2018?*

The Audit Committee receives quarterly Internal Audit progress reports. These progress reports highlight any assurance audit that has been given a 'Limited' assurance audit opinion. The Chief Internal Auditor and Corporate Fraud Manager has established 'follow up' arrangements in place to give the Audit Committee assurance that recommendations to improve the Internal Control environment are being made. In addition the Committee regularly calls officers to attend its meetings in order to ascertain their intentions for control improvements. Therefore the Audit

Committee can confirm that they are unaware of any significant breaches of Internal Control during 2017/2018 that impact negatively on the Statement of Accounts.

5) *Is the Audit Committee satisfied that internal controls, including segregation of duties, exist and work effectively?*

The Audit Committee receives the Annual Internal Audit Opinion and Internal Audit Report from the Chief Internal Auditor and Corporate Fraud Manager that gives assurance that the Internal Controls are working effectively and also receive regular quarterly reports on Internal Audit progress. As such the Audit Committee is satisfied that internal controls both exist and work effectively.

In addition the Audit Committee also reviews the draft Annual Governance Statement where in addition to the assurance from the Chief Internal Auditor and Corporate Fraud Manager the Committee also receive statements from Corporate Directors and the Director of Transformation and Partnerships that confirm from their perspective that controls are working effectively.

Any areas of weakness are brought to the attention of the Committee through the quarterly reports and Senior Managers attend the Committee to explain the improvements that will be made.

Areas of interest or of importance are also presented to the Committee for example in November 2016 the Head of ICT and the Chief Internal Auditor and Corporate Fraud Manager gave a presentation on Cyber Security and the controls the Council has in place to prevent and deter an attack. This also showed the work Internal Audit were completing where it would give the Committee the assurance that controls were in place and working well.

In addition, Internal Audit carries out periodic reviews of all employees and members' declarations to help identify any potential undeclared relationships and / or fraudulent transactions using outputs from data matching exercises. The last review was completed as part of the National Fraud Initiative 2016/17.

The Committee is also aware that Corporate Finance have prepared a list of all related party transactions, with an explanation of the nature of these and whether any transactions have been entered into with these related parties during 2017/2018.
