1. EXECUTIVE SUMMARY

Purpose of this report and principle conclusions

The Audit Completion Report sets out the findings from our audit of Durham County Council Pension Fund ('the Pension Fund') for the year ended 31 March 2018, and forms the basis for discussion at the Audit Committee meeting on 31 July 2018.

The detailed scope of our work as your appointed auditor for 2017/18 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014.

Section 2 of this report outlines the detailed findings from our work on the financial statements. As we outline on the following page, our work is substantially complete and, subject to the satisfactory completion of the outstanding work, at the time of issuing this report we have the following conclusions:

Opinion on the financial statements

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Consistency report

We anticipate concluding that the Pension Fund financial statements within the Pension Fund's annual report are consistent with Pension Fund financial statements with the statement of accounts of Durham County Council. Our draft consistency report is provided in Appendix C

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Pension Fund and consider any objection made to the accounts.

Misstatements and internal control recommendations

Section 3 sets out the internal control recommendations that we make, together with an update on any prior year recommendations.

Section 4 outlines the misstatements noted as part of our audit as at the time of issuing this report.

1. EXECUTIVE SUMMARY

Status of our audit work

We have substantially completed our work on the financial statements for the year ended 31 March 2018. At the time of preparing this report there are no significant matters outstanding, but we have not reviewed the Pension Fund annual report. We will provide the Audit Committee with an update in relation to this outstanding matter in a follow-up letter, prior to signing the auditor's report.

Our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in March 2018. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

We set overall materiality at the planning stage of the audit at £27.69m using a benchmark of 1% of net assets available to pay benefits. We set a specific materiality for the fund account of £15.75m at the planning stage of the audit using a benchmark of 10% of contributions receivable.

Our final assessment of overall materiality, based on the final financial statements is £28.02m, and our final specific materiality for the fund account is £15.64m, using the same benchmarks. We set our trivial threshold (the level under which individual errors are not communicated to the Audit Committee) at £0.84m based on 3% of overall materiality.

2. SIGNIFICANT FINDINGS

Set out below are the significant findings from our audit. These findings include:

- our audit conclusions regarding significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 7 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year; and
- any significant difficulties we experienced during the audit.

Significant risks and key areas of management judgement

As part of our planning procedures we considered the risks of material misstatement in the Pension Fund's financial statements that required special audit consideration. Although we report identified significant risks at the planning stage of the audit in our Audit Strategy Memorandum, our risk assessment is a continuous process and we regularly consider whether new significant risks have arisen and how we intend to respond to these risks. No new risks have been identified since we issued our Audit Strategy Memorandum.

Significant risk

Management override of controls

Description of the risk

In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits.

How we addressed this risk

We addressed this risk by performing audit work in the following areas:

- accounting estimates impacting on amounts included in the financial statements;
- consideration of identified significant transactions outside the normal course of business; and
- journals recorded in the general ledger and other adjustments made in preparation of the financial statements.

Audit conclusion

Based on work completed to date, our work has provided us with the assurance we sought and has not highlighted any material issues to bring to your attention.

2. SIGNIFICANT FINDINGS (CONTINUED)

Significant risk

Valuation of unquoted investments for which a market price is not readily available

Description of the risk

As at 31 March 2018, the fair value of investments which were not quoted on an active market was £158 million, which accounted for 6% of the Fund's net investment assets. As prices for these investments are not quoted in active markets, the values used in the accounts are estimated by fund managers, mostly based on Net Asset Value statements, updated for cash movements where appropriate. This results in an increased risk of material misstatement.

How we addressed this risk

In addition to our standard programme of work in this area we have:

- agreed holdings from fund manager reports to the global custodian's report;
- agreed the valuation to supporting documentation including investment manager valuation statements and cashflows for any adjustments made to the investment manager valuation;
- agreed the investment manager valuation to audited accounts. Where these were not available, we agreed the investment manager valuation to other independent supporting documentation;
- where audited accounts were available, we checked that they were supported by a clear opinion; and
- agreed the price to independent evidence, for those valuations not supported by valuation statements.

Audit conclusion

Our work has provided the assurance we sought and has not highlighted any material issues to bring to your attention.

Key areas of management judgement

Key areas of management judgement include accounting estimates which are material but are not considered to give rise to a significant risk of material misstatement. We have not identified any such judgements.

2. SIGNIFICANT FINDINGS (CONTINUED)

Qualitative aspects of the entity's accounting practices

We have reviewed the Pension Fund's accounting policies and disclosures and concluded they comply with the requirements of the Code of Practice on Local Authority Accounting (the Code), appropriately tailored to the Pension Fund's circumstances.

Draft accounts were received from the Pension Fund on 23 May 2018 and were of a good quality. Producing high-quality working papers is a crucial part of compiling financial statements that are complete and materially accurate. They also support the delivery of an efficient audit. The supporting working papers were readily available to the audit team and were also of a good standard.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2017/18 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account.

3. INTERNAL CONTROL RECOMMENDATIONS

The purpose of our audit is to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements. We do this in order to design audit procedures to allow us to express an opinion on the financial statement and not for the purpose of expressing an opinion on the effectiveness of internal control, nor to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our findings and recommendations are set out below. We have assigned priority rankings to each of them to reflect the importance that we consider each poses to your organisation and, hence, our recommendation in terms of the urgency of required action. In summary, the matters arising fall into the following categories:

Priority ranking	Description	Number of issues
1 (high)	In our view, there is potential for financial loss, damage to reputation or loss of information. This may have implications for the achievement of business strategic objectives. The recommendation should be taken into consideration by management immediately.	0
2 (medium)	In our view, there is a need to strengthen internal control or enhance business efficiency. The recommendations should be actioned in the near future.	1
3 (low)	In our view, internal control should be strengthened in these additional areas when practicable.	0

3. INTERNAL CONTROL RECOMMENDATIONS (CONTINUED)

Other deficiencies in internal control – Level 2

Description of deficiency

IT user access testing for leavers identified that in three cases (from 25 tested) employees still had access to Council IT systems after their leaving date.

Potential effects

Leavers are not deactivated in a timely manner, meaning that inappropriate access to business critical systems would be possible.

We do note, however, that this had not occurred in any case tested – no leavers had accessed the network, or any business critical system, following their leave date.

Recommendation

Processes should be in place to ensure that, once the HR list has been submitted to the Service Direct team:

- 1) Service Direct team monitors the timely removal of all leavers requiring deactivation, for example by adding an additional column to the deactivation spreadsheets to confirm which member of the team has deactivated each leaver, and on what date.
 - 2) No-one in HR is able to make further amendments to the list once submitted to Service Direct.
-

Management response

[Insert description]

Follow up of previous internal control points

The only internal control point raised in the prior year was in relation to the IT leaver access deficiency which has not been resolved and has been raised as a deficiency in the current year as highlighted above. It is noted that there was no inappropriate access to systems in either year.

4. SUMMARY OF MISSTATEMENTS

We set out below the misstatements identified for adjustment during the course of the audit, above the level of trivial threshold of £0.84m.

The first table outlines the misstatements that were identified during the course of our audit which management has assessed as not being material either individually or in aggregate to the financial statements and does not currently plan to adjust.

The second table outlines the misstatements that have been adjusted by management during the course of the audit.

Unadjusted misstatements 2017/18

	Fund Account		Net Assets Statement	
	Dr (£m)	Cr (£m)	Dr (£m)	Cr (£m)
1 Investment assets			2.049	
Profit and loss on disposal of investments and change in market value of investments		2.049		

This is the extrapolated difference between the fair value of unquoted investments included within the accounts compared to the fair value provided at the time of audit, due to more up to date information available at the time of audit. The actual difference on the sampled items was £2.033m.

Adjusted misstatements 2017/18

	Fund Account		Net Assets Statement	
	Dr (£m)	Cr (£m)	Dr (£m)	Cr (£m)
1 Management expenses	4.744			
Profit and loss on disposal of investments and change in market value of investments		4.744		

Inclusion of transaction costs which fund managers had not made available to officers when the accounts were drafted. The prior year has figures have been amended by £2.279m for transaction costs. This amendment has also resulted in amendment to the corresponding notes to the accounts; Note 12 Management expenses, Note 15 Investments reconciliation, and Note 16 Net gains and losses on financial instruments.

4. SUMMARY OF MISSTATEMENTS (CONTINUED)

Disclosure amendments

The following disclosure amendments were made:

Note 3, Accounting Standards issues but not yet adopted: Inclusion of note omitted from the draft financial statements.

Note 15, Investments: Reclassification of one investment with a fair value of £4.285m (comparator £5.111m) from 'Managed funds – non property – overseas quoted' to 'Managed funds – non property – UK quoted' in the analysis of investments..

Note 15, Investments: Amendment to reduce forward foreign currency purchases and sales by £13.664m and £27.059m respectively in the reconciliation of movement in investments, to remove duplicated transactions. This has also resulted in an increase in change in market value of forward foreign currency and a decrease in change in market value of other cash deposits of £13.395m in the same reconciliation..

Note 16, Financial Instruments: As a result of the amendment detailed above, the net gain on financial assets at fair value through profit and loss has decreased by £13.395m, with a corresponding decrease in the net loss on financial asset loans and receivables.

Note 16, Financial Instruments: Reclassification of exchange traded derivatives of £2.022m from level 2 to level 1 within 'Financial Assets at fair value through profit and loss'.

Note 20, Additional voluntary contributions: Inclusion of information not available at the time the financial statements were drafted.

General: A number of other minor changes were made to the financial statements not requiring individual analysis.

I confirm that any significant assumptions used by the Pension Fund in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

APPENDIX A

DRAFT MANAGEMENT REPRESENTATION LETTER

(CONTINUED)

Contingencies - continued

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Pension Fund have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom. The Pension Fund has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

APPENDIX A

DRAFT MANAGEMENT REPRESENTATION LETTER

Going concern

To the best of my knowledge there is nothing to indicate that the Pension Fund will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Unadjusted misstatements

I confirm that the effects of the uncorrected misstatements as included in the auditor's draft Audit Completion Report are immaterial, both individually and in aggregate, to the statement of accounts as a whole.

Specific representation on unquoted investments

Unquoted investments are included in the net assets statement at the value provided by our fund managers which have been estimated in accordance with the guidelines used by the industry, and based on the latest information to hand at the time of the valuation. I am satisfied, based on the knowledge I have, with the valuations, and am not aware of any subsequent events that would have a material impact on the estimated value of the unquoted investments.

Yours sincerely

DRAFT AUDITOR'S REPORT

Independent auditor's report to the Members of Durham County Council

Opinion on the Council's financial statements

We have audited the financial statements of Durham County Council ('the Council') for the year ended 31 March 2018 under the Local Audit and Accountability Act 2014. The financial statements comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, the Collection Fund, and notes to the financial statements, including the summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

In our opinion the financial statements:

- give a true and fair view of the financial position of Durham County Council as at 31 March 2018 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

Opinion on the Pension Fund financial statements

We have audited the financial statements of Durham County Council Pension Fund for the year ended 31 March 2018 under the Local Audit and Accountability Act 2014. The Pension Fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes, including the summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

In our opinion the financial statements:

- give a true and fair view of the financial transactions of the Pension Fund during the year ended 31 March 2018 and the amount and disposition of the fund's assets and liabilities as at 31 March 2018 other than liabilities to pay pensions and other benefits after the end of the scheme year; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

Basis for opinions

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Corporate Director of Resources use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Corporate Director of Resources has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Council's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Corporate Director of Resources is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

APPENDIX B

DRAFT AUDITOR'S REPORT (CONTINUED)

Responsibilities of the Corporate Director of Resources for the financial statements

As explained more fully in the Statement Responsibilities, the Corporate Director of Resources is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18, and for being satisfied that they give a true and fair view. The Corporate Director of Resources is also responsible for such internal control as the Corporate Director of Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Corporate Director of Resources is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 and prepare the financial statements on a going concern basis, unless the Council is informed of the intention for dissolution without transfer of services or function to another entity. The Corporate Director of Resources is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Conclusion on Durham County Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Conclusion

On the basis of our work, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General in November 2017, we are satisfied that, in all significant respects, Durham County Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2018.

Basis for conclusion

We have undertaken our review in accordance with the Code of Audit Practice issued by the Comptroller and Auditor General, having regard to the guidance on the specified criterion issued in November 2017, as to whether the Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider in satisfying ourselves whether the Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2018.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Responsibilities of the Council

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities in relation to review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Comptroller and Auditor General requires us to report to you our conclusion relating to proper arrangements. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

APPENDIX B

DRAFT AUDITOR'S REPORT (CONTINUED)

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the members of Durham County Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Certificate

We certify that we have completed the audit of Durham County Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.
