

# Health and Wellbeing Board 29 November 2018

## JHWS Q2 2018/19 Escalation Areas

# Escalation Areas and Strategic Objectives

Strategic Objective 1: Children and young people make healthy choices and have the best start in life

- **Smoking at time of delivery**
- **Percentage of patients seen with face to face second contact within 9 weeks of referral to CAMHS**

Strategic Objective 2: Reduce health inequalities and early deaths

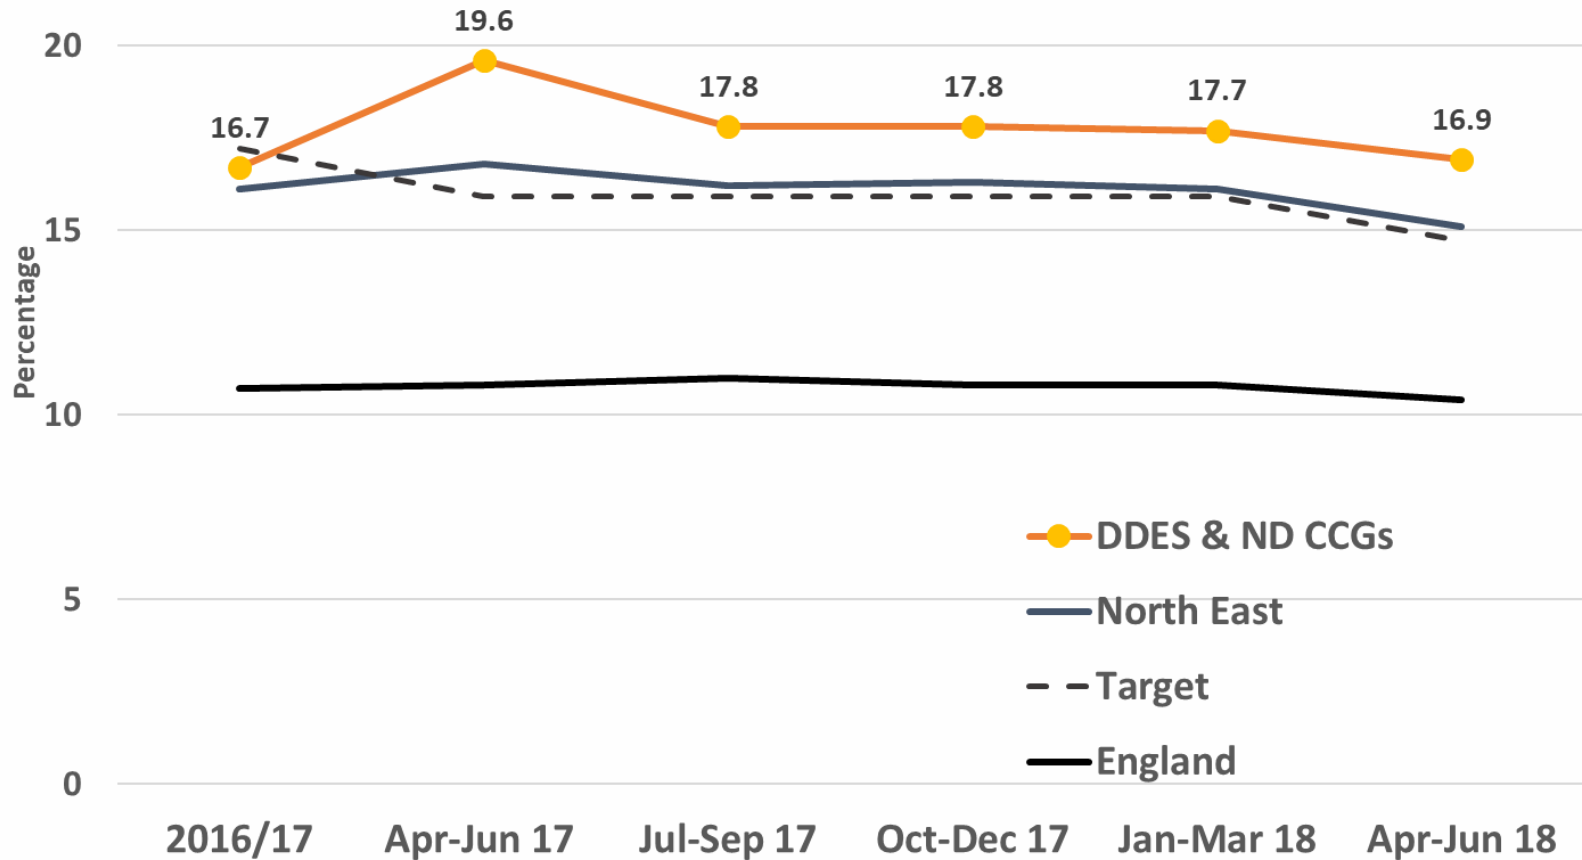

- **Successful completions of drug and alcohol treatment**

Strategic Objective 4: Improve Mental Health and Wellbeing of the Population

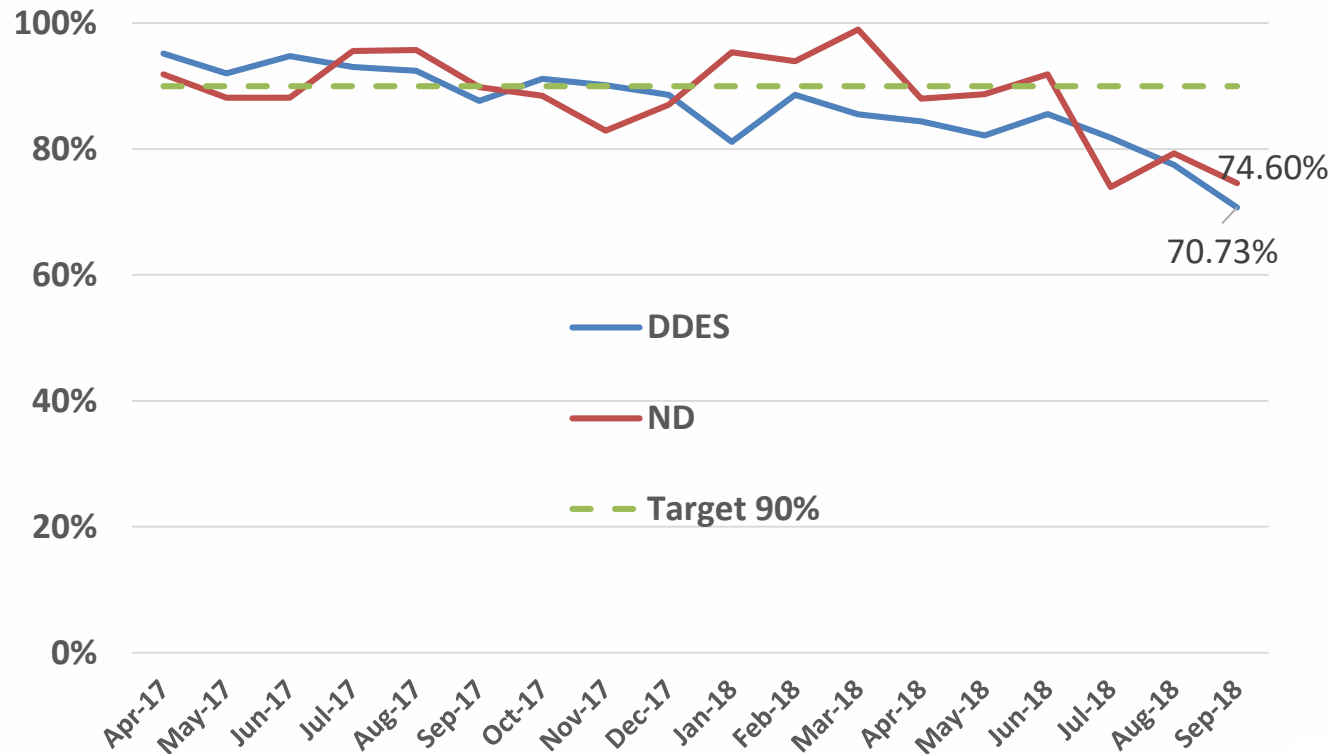

- **Gap between the employment rate for those with a long-term health condition and the overall employment rate**

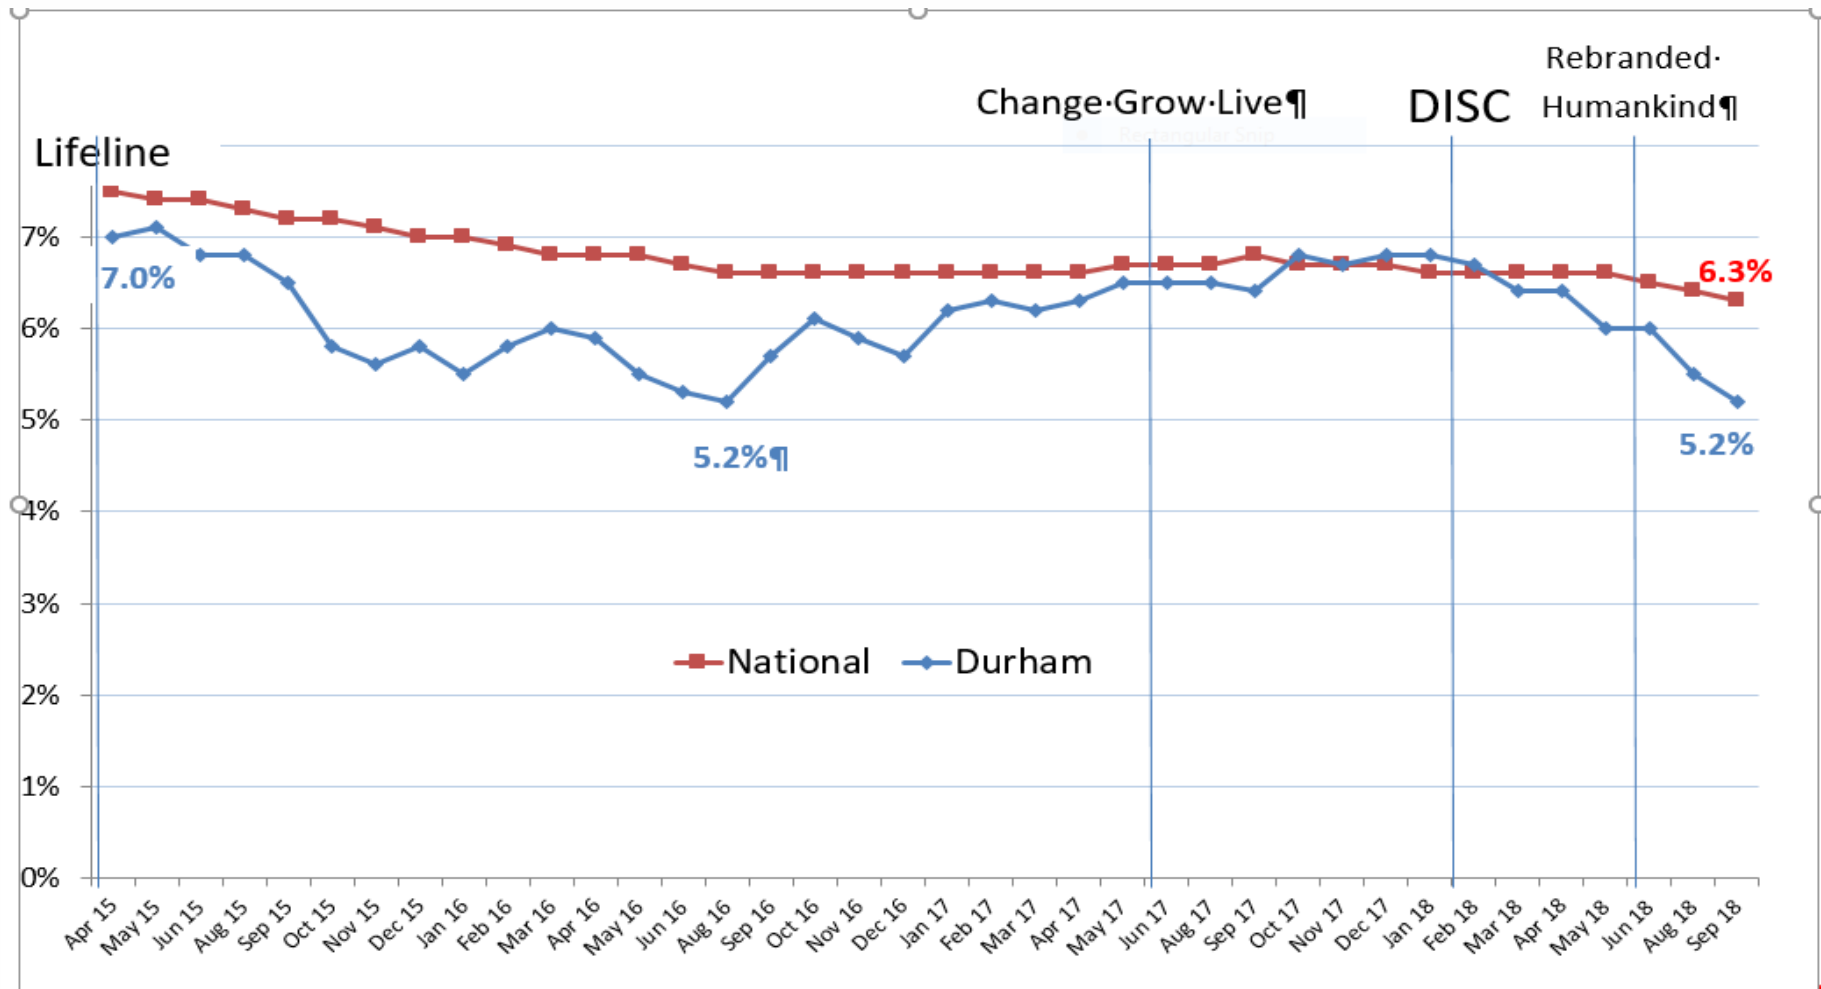

# Percentage of mothers smoking at time of delivery CCG data combined

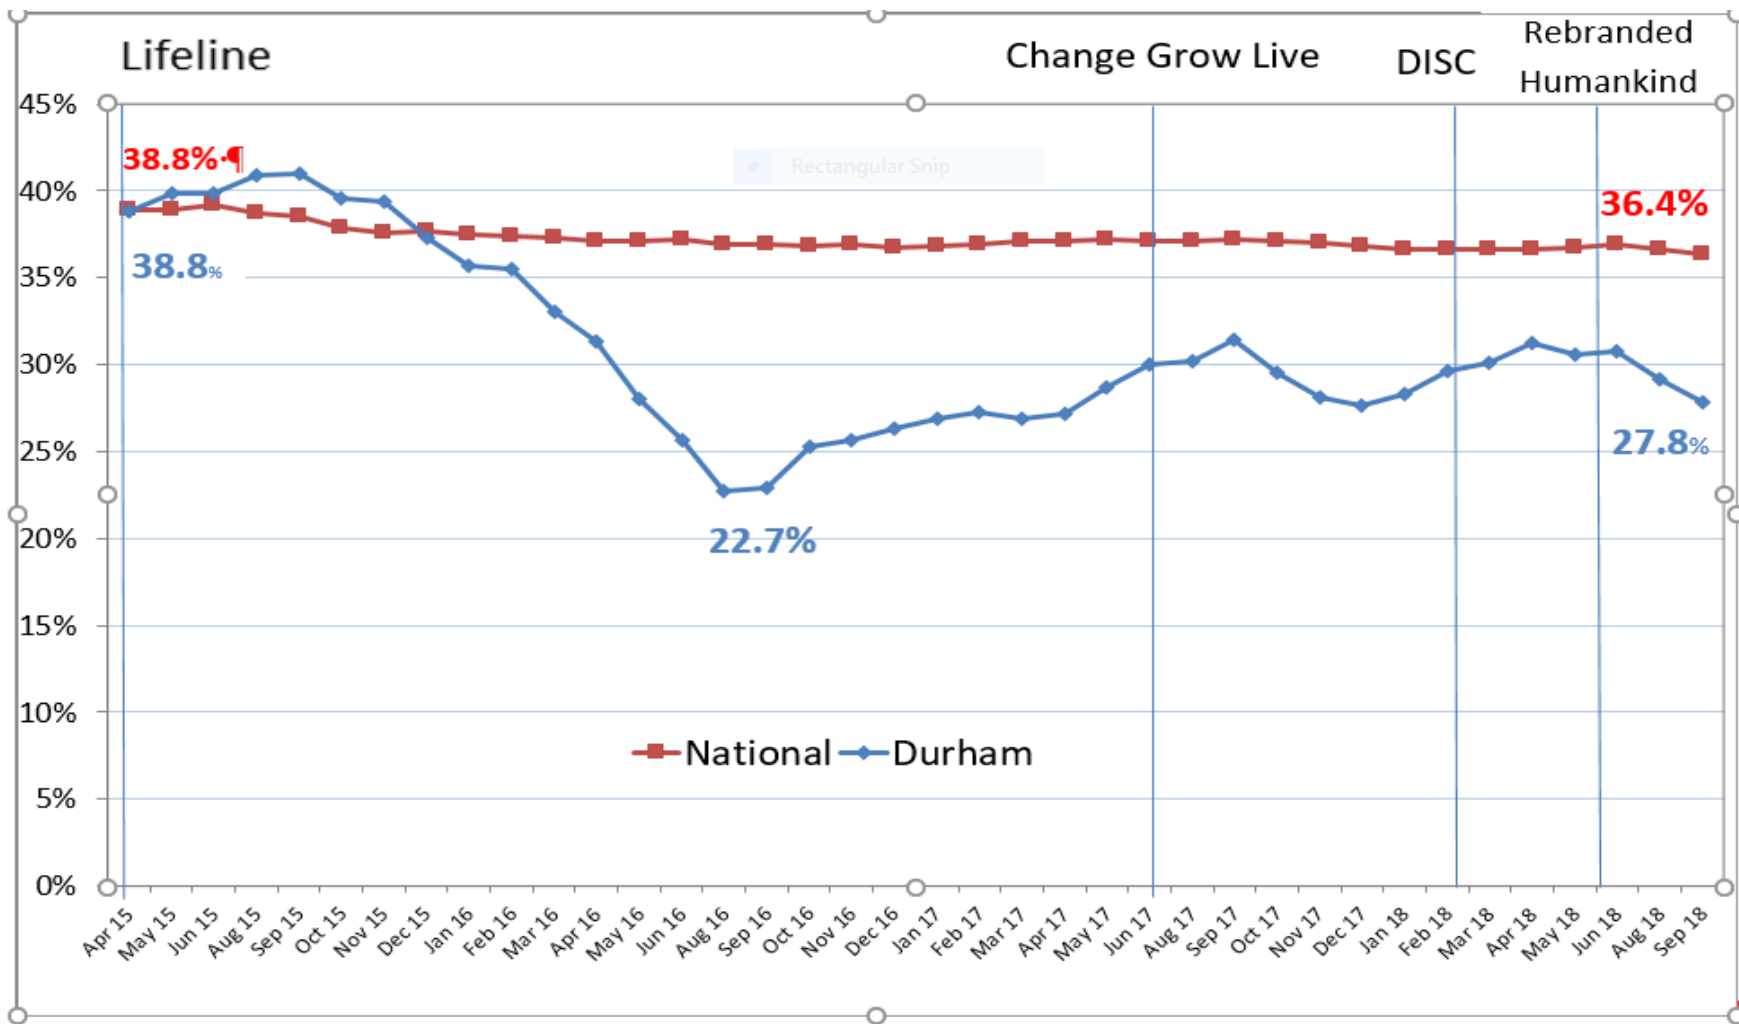

# Percentage of CAMHS patients seen with a second contact within 9 weeks of referral

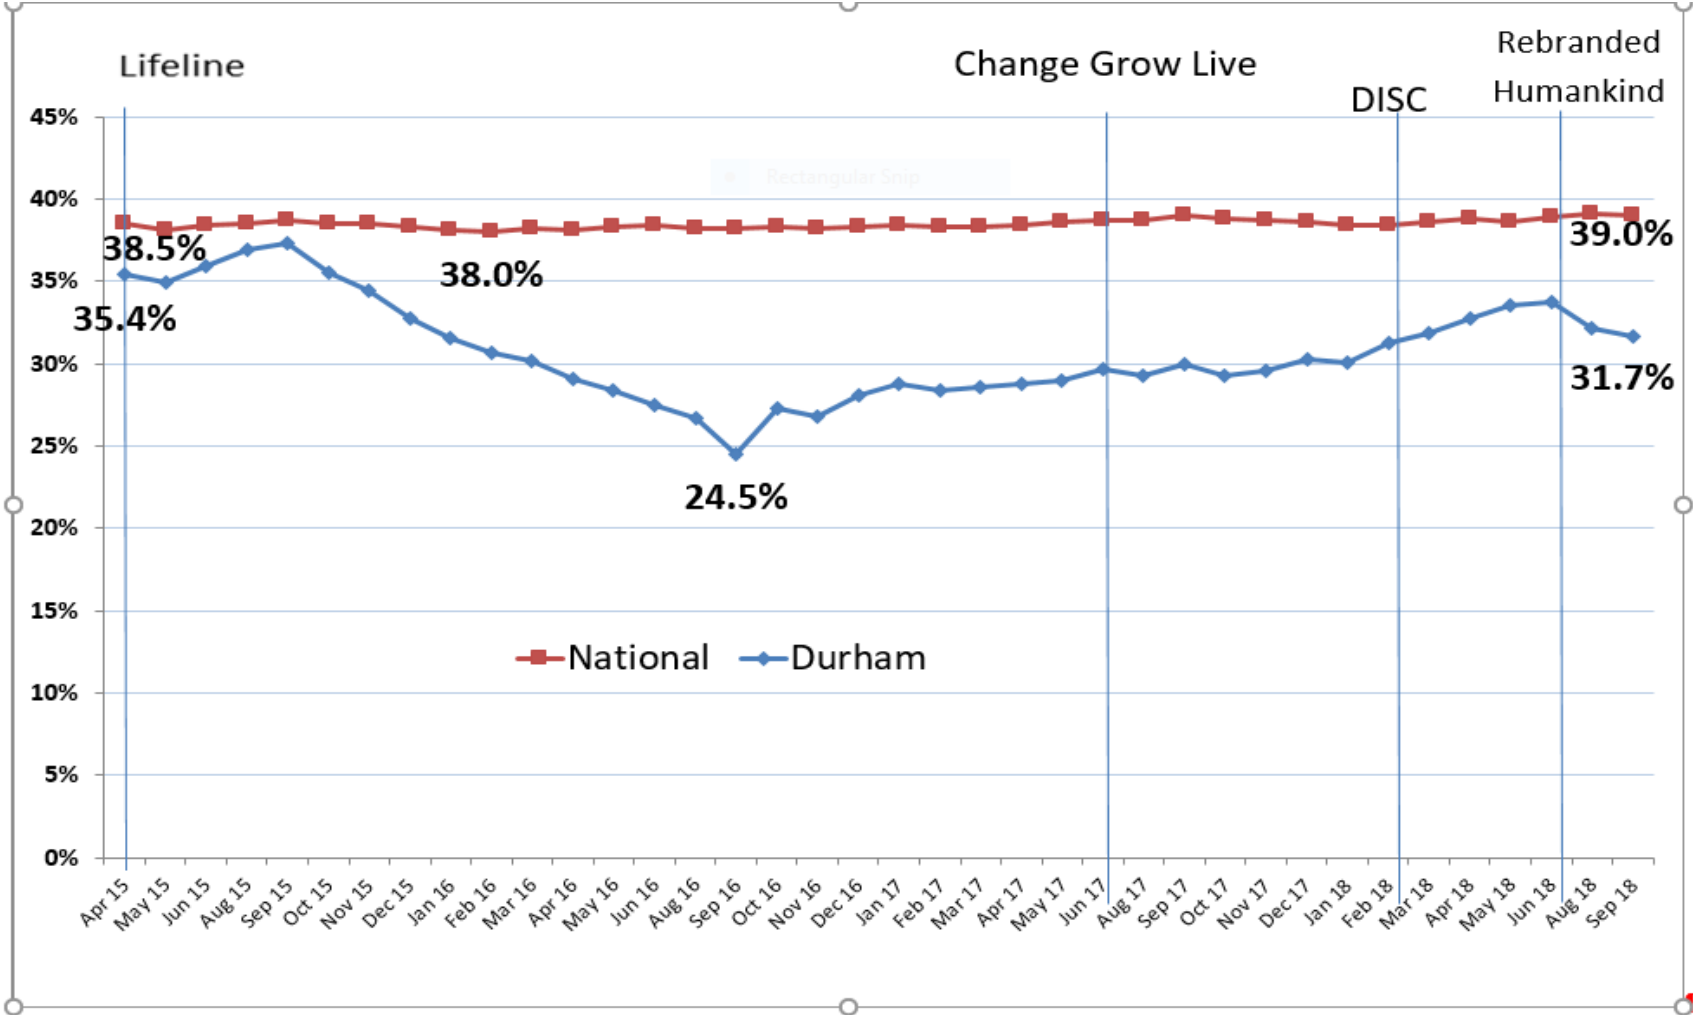

# Successful completions - opiates

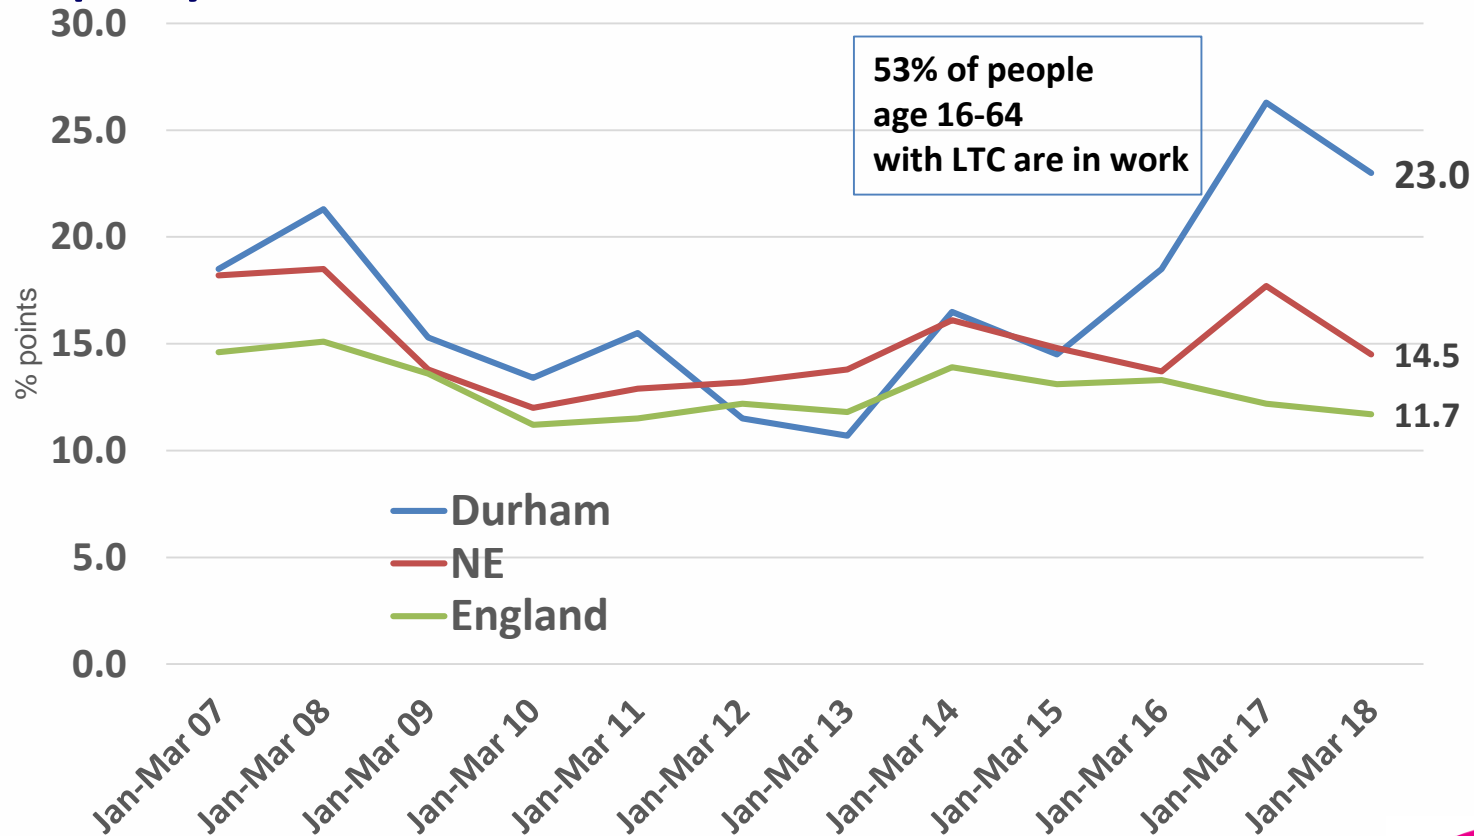

# Successful completions – non opiates

# Successful completions – alcohol

# Gap between the employment rate for those with a long term health condition and the overall employment rate
